

Welcome to the 2023-24 school year!

First day of school: September 6

First day of kindergarten: September 11

How we communicate with families

We use the digital tool ParentSquare to communicate with families through email, text and robocalls.

We encourage you to download the ParentSquare app to easily receive and send communication right from your mobile device!

ParentSquare also allows you to communicate in your preferred language. Learn more about the tool online:

Student information

We have upgraded our student information system to Skyward Qmlativ. Now you can easily access your student's:

- Identification number
- Bus stop and route information
- Report cards
- Family contact information
- Absence and attendance information

Login to access your student's information:

bit.ly/ESDSkywardaccounts

Taking the school bus

If your student is eligible for district transportation, you will receive an email with their bus routing information in the days leading up to the first day of school.

Download the Edulog Parent Portal App for real-time bus information

You can track bus information through the Edulog Parent Portal App. Once downloaded, you will need to set up your account with your student's ID number, which is available in Skyward Qmlativ. With the app you can view your student's scheduled pick-up and drop-off times, bus stop locations, route numbers and real-time bus tracking.

Free and reduced meal applications and consent to share eligibility

We encourage families to fill out a free and reduced meal application (one per household). When you fill out the “consent to share eligibility information for other programs,” approved applicants will receive assistance with ASB cards, athletics participation fees and course fees.

This form needs to be filled out each school year for benefits to continue. You can apply for meal benefits online, at your school or at the district office.

School meal accounts

Eligible students will continue to receive one school breakfast and one school lunch (per school day) at no cost. Check the food and nutrition website for more information about schools in our district that qualify for no-cost meals for all students. bit.ly/ESDFoodandNutrition

Easy online payments

Add funds to your student’s account anytime online (cash and checks are also accepted): bit.ly/ESDPayments. Students can add funds to their account at their school office or cafeteria. There is no fee to add funds digitally. Unpaid meal balances will stay with student accounts until payment is made in full.

School meals pricing

Elementary students:

Breakfast: \$1.50
Lunch: \$3.25

Middle and high school students:

Breakfast: \$1.75
Lunch: \$3.75

Milk a la carte: \$0.60

Explore menus

School menus are posted online with photos and complete nutrition information.
