Our Parent/Student Handbook is organized from A-Z. This information is intended to give our stakeholders additional details of procedures, policies, and school culture.

ACADEMICS: Teaching and Learning

We invite you to visit Davis District's Teaching and Learning Department website to view grade-level and content area information: <https://www.davis.k12.ut.us/academics/teaching-and-learning-homepage>

ARRIVAL AT SCHOOL: Please do not drop your student(s) off before 8:30, unless they are eating breakfast. Students are not allowed in the building before school hours as this is the time used for teachers to prepare for the day. On good weather days, children will wait at their designated spots and will be led by their teacher into the building. On stormy, or very cold days, children will be invited indoors.

ATTENDANCE: Regular attendance is important to academic success. Children who are well should be in school. Those who are sick belong at home. When students are at school, it is assumed that they are well enough to participate in outdoor recess and physical activity, unless you provide a written note. Please do not schedule outings, vacations, or extracurricular lessons during school time.

ATTENDANCE LETTERS: Absentee letters will be sent home for those who have 10 absences and/or tardies per term. Additional action will be taken if absences/tardies continue to become an issue.

BEHAVIOR PLAN:

At Whitesides Elementary we try to encourage and celebrate the positive behavior of our students. We believe that elementary school is where kids start to learn the importance of being a socially responsible citizen in a community setting. We have behavior expectations posted throughout the school. All expectations fall under our school rules: be respectful, be responsible, be safe, be kind. To help support their good choices and behaviors, students can earn house points, based on the house they are part of (Imagination, Valor, Integrity, or Perseverance). Students can also earn W.O.W. (Whitesides Outstanding Wolverine) tickets for extraordinary behavior.

BIKES/SCOOTERS

Students are allowed to ride their bikes or scooters to school when they follow these rules:

- All safety rules are followed.
- Bikes/scooters are walked on school grounds.
- Bikes/scooters are kept in the bike rack.

BIRTHDAY TREATS:

Please remember that if you choose to send treats for your child's birthday, they **MUST** be store bought and individually packaged. Please do not send birthday party invitations with your child to distribute at school, unless the whole class is invited. Please save special birthday celebrations, such as balloons, flowers, etc. until after school.

BREAKFAST:

Breakfast is served every school day. We begin serving at 8:15 a.m. Students may enter through the west doors closest to the lunchroom.

BUILDING SECURITY:

Whitesides ensures the safety of all by keeping perimeter doors locked at all times. In the morning, please leave your child outside at their designated class line-up to enter the building. If your child is late, please bring your child to the front office to check in.

To ensure the safety of our students, parents are not allowed on the playground area during school hours. This allows our playground supervisors to quickly identify unauthorized adults and possible threats on the playground. If parents need to contact their child, the office will happily assist.

BUS (TRANSPORTATION DEPARTMENT):

Please check your child's myDSD account for the most current bus stop information. Students are expected to follow bus safety rules and the direction of the bus driver. Failure to do so, could result in a temporary or extended bus suspension. You can also visit the Davis District Transportation website for additional information:

ELECTRONIC DEVICES: CELL PHONE & SMARTWATCHES (Apple, GABB, etc.) POLICY

We strive to create an optimal safe learning environment with minimal distractions to learning. The intent of this policy is to minimize disruptions to learning.

1. Use of electronic devices during the school day, including recesses and lunchtime is prohibited.
2. They must be completely powered down, turned off and kept in a student backpack, or turned in to the teacher.

3. Students may use electronic devices before school begins and after the final bell of the school day, so long as they do not create a distraction or disruption.

If a student violates this policy, his/her electronic device may be confiscated. When an employee confiscates an electronic device under this policy, he/she shall take reasonable measures to label and secure the device and turn the device over to a school administrator as soon as the employee's duties permit.

The electronic device will be released/returned to the student's parent or guardian after the student has complied with any other disciplinary consequence that is imposed.

- 1st offense – The device is returned to the student after school with a warning from the teacher.
- 2nd offense – The device should be brought to the office and can only be picked up by the parent. An administrator will make the parent notification.
- 3rd offense – The student may no longer bring an electronic device to school. The device should be brought to the office and can only be picked up by the parent. An administrator will make the parent notification.

FAQS Regarding Smartwatches:

What if my child wears a smartwatch to ease their anxiety? Please reach out to your child's teacher or Ms. Schulz so we can make an alternate plan that doesn't require a smartwatch to ease their anxiety.

What if I need to get ahold of my child or they need to get ahold of me? If a student needs to get ahold of their parent, Whitesides faculty will give them a phone pass to use the office phone. If you need to get ahold of your child, please call the office and they will connect them with you.

Why can't my child wear a smartwatch if it's turned off or on a silent setting? Monitoring students who are and are not doing this creates an unnecessary added responsibility on the teacher, detracting from teachers' most important responsibility – ensuring students are learning and safe.

What if I need to get ahold of my student before they arrive to or from school? Students may have smartwatches or cell phones before the first morning bell and after the last bell. During the school day, students have the choice of storing their Smartwatches in their backpack or teacher's desk.

CHECKING IN STUDENTS:

Check-in at the office is required for all students who enter the school after the final bell at 8:50 a.m.

CHECKING OUT STUDENTS:

Checking out early is disruptive to the learning environment. Teachers teach bell-to-bell. Missing this critical time often leads to confusion and frustration for the student. When a student does leave during the school day, they must do so through the office. The parent will need to show a photo ID and be listed on the child's information sheet. Parents are not to go to a classroom or the playground to pick up their child. Teachers have been informed to send you back to the office to follow procedures.

CLOSED CAMPUS:

We are a Closed Campus, which means students are not to leave the school grounds during the school day without clearance from the office and guardian permission.

COMMUNICATION:

Communication is one of the most important tools we use in our school. We welcome and foster a cohesive team approach to meeting the individual needs of your child(ren). Please don't hesitate to contact a teacher at any time should you have a concern or wish to meet with them in person. Teachers will send mails, calendars, and/or classroom newsletters to parents regularly.

DAILY SCHEDULE:

First Bell: 8:50 a.m.

Tardy Bell: 8:55 a.m.

School Dismissal: 3:30 p.m.

Early-Out & Friday: 1:30 p.m.

DISCIPLINE PLAN – SCHOOL

Philosophy: Whitesides Elementary has the responsibility to provide a quality learning environment to ensure equal educational opportunity for all students. This environment is partially determined by the conduct of the students. Fighting/bullying/harassment are some of the major detractors of a safe and effective learning environment. For this reason, and to also provide for the physical and emotional well-being of our students, fighting, bullying, and harassment behaviors are never allowed and will result in consequences.

Discipline Plan:

Our School Level Discipline Plan is built on the following principles:

Every person deserves to be respected.

Every person deserves to feel safe and to be free from danger.

Students attend school to learn academics, behavior skills, and social skills.

Learning is enhanced in a physically and emotionally safe environment.

There are 4 basic school rules all students should know and follow at Whitesides:

- Be Respectful
- Be Responsible
- Be Safe
- Be Kind

- *No Crop Tops
- *Underclothing may not be visible
- *No hats

LATE START: For weather related late-start days, all parents will be contacted by the District Call-Out System and prompted with a specific message.

LUNCH:

Each grade is assigned a specific time to go to lunch. Teachers take students to the lunchroom and our lunchroom supervisor dismisses students to recess. If a student needs more time to eat, they are welcome to continue eating and then proceed to recess when they are finished. It is expected that all trash is disposed of in provided trash bins and no food should be taken to recess. Students should not share food or drinks, at any time, in the lunchroom for safety reasons.

SAFE & ORDERLY SCHOOLS

It is the policy of the Davis School District and Whitesides to promote a safe and orderly school environment for all students and employees. Criminal acts or disruptive behavior of any kind will not be tolerated and any individual who engages in such activity will be subject to school disciplinary action as determined by school administrators, or District disciplinary action as determined by the District Case Management Team. Criminal acts that are a class B misdemeanor or above (including but not limited to drug possession or physical assault) may also be referred to law enforcement. In determining appropriate discipline, school officials will consider the totality of the circumstances, including the severity of the offense, as well as the individual's age, disability status, intent, academic status, and prior disciplinary records.

WEAPONS AND EXPLOSIVES – UP TO ONE YEAR EXPULSION (Utah Code 53G-8-205)

Any student who in a school building, in a school vehicle, on District property, or in conjunction with any school activity, possesses, controls, sales, arranges for the sale of, uses or threatens use of a real weapon, explosive, noxious or flammable material, or actually uses or threatens to use a look-alike or pretend weapon with the intent to intimidate another person or to disrupt normal school activities, shall be expelled from all District schools, programs, and activities for a period of not less than one calendar year; unless the District Case Management Team determines, on a case-by-case basis, that a lesser consequence would be more appropriate. The terms “weapon,” “explosive,” and “noxious or flammable material” includes but are not limited to: guns, starter pistols, cap guns, knives, martial arts accessories, bombs, bullets and ammunition, fireworks, gasoline, or other flammable liquids, matches, and lighters.

DRUGS/CONTROLLED SUBSTANCES

Any student, who possesses, controls, uses, distributes, sells, or arranges the sale of an illegal drug or controlled substance (which includes alcohol, tobacco in any form, and electronic cigarettes, or electronic cigarette substance or product), an imitation controlled substance, or drug paraphernalia in a school building, in a school vehicle, on District property, or in conjunction with any school activity, may be suspended, transferred to an alternative placement, tested for drugs, expelled, referred for police investigation, and/or prosecuted.

SAFE SCHOOL VIOLATIONS

Any student may be suspended, transferred to an alternative placement, expelled, referred for police investigation, and/or prosecuted for committing any of the following school-related serious violations: 1) threatening or causing harm to the school, school property, or person associated with the school, or property associated with that person, regardless of where the conduct occurs; 2) committing any criminal act, including but not limited to: assault, hazing, rape, trespass, arson, theft, vandalism, possession or use of pornographic materials on school property; 3) engaging in any gang activity, including but not limited to flashing gang signs, displaying or spraying gang graffiti, wearing or displaying gang related clothing or apparel, or soliciting others for membership in a gang.

DISRUPTION OF SCHOOL OPERATIONS

Any student may be suspended, transferred to an alternative placement, or expelled for any conduct that creates an unreasonable and substantial disruption or risk of disruption of a class, activity, program, or other function of the school, including but not limited to frequent, flagrant, or willful disobedience; defiance of school authority; criminal activity; fighting; noncompliance with school dress code; possession of contraband (i.e., drug paraphernalia, pornography, mace, pepper spray, laser pen, chains, needles, razor blades, bats and clubs); or the use of foul, profane, vulgar, harassing or abusive language. Conduct that is a class B misdemeanor may also be referred to law enforcement. Conduct which is a class C misdemeanor, an infraction, a status offense on school property, or an offense that is truancy may not be referred to law enforcement or a prosecuting attorney unless a student refuses to participate in alternative restorative interventions offered at the time of the infraction, or the student has committed the same offense on two prior occasions and has been referred to alternative restorative interventions in each prior case.

NONDISCRIMINATION IN DISCIPLINE

The District will ensure that students are not discriminated against in the administration of discipline, including the duration and type of consequence, and in referrals to law enforcement.

DUE PROCESS

When a student is suspected of violating Whitesides Elementary or District policy the school administrator must meet with and inform him/her of the allegations and provide the student the opportunity to give his/her version of the incident. If the school administrator determines sufficient evidence exists to impose discipline the school administrator shall notify the parent that 1) this student has been suspended; 2) grounds for the suspension; 3) the period of time for which the student is suspended; and 4) the time and place for the parent to meet a designated school official to review the suspension.

AUTHORITY TO SUSPEND OR EXPEL

The school administration has the authority to suspend a student for up to ten school days per incident. If the school administrator desires or contemplates suspending for longer than ten school days or expelling a student, the school administrator shall make a referral to the District's Case Management Team. School administration should also seek advice from the District's Case Management Team when suspension mandate completion delays the typical process of returning a student to the school environment in a timely manner.

BULLYING/CYBER-BULLYING/HAZING/RETALIATION/ABUSIVE CONDUCT

A student may be suspended, transferred to an alternative placement, expelled, referred for police investigation, and/or prosecuted for engaging in any written, physical, or verbal aggression, intimidation, discrimination, or abusive conduct of any school employee or student

at school or a school-related activities regardless of location or circumstance, including but not limited to bullying, cyber-bullying, hazing, or retaliation.

District policy may be found at 5S-100 Conduct and Discipline. For incidents of harassment (unwelcome conduct based on a protected class) and discrimination, please refer to 11IR-100.

SEARCH AND SEIZURE

School officials have the authority to search a student's person, personal property, or vehicle while located on school property or at a school sponsored activity, when they have reasonable grounds to believe that the search will turn up evidence that the student has violated or is violating a particular law or school rule.

School Lockers, desks, or other storage areas are the sole property of the Davis School District and Whitesides. Periodic general inspections of school lockers may be conducted by school authorities randomly without notice, without student consent, and without a search warrant. Searches will be conducted in such a way as to be short in duration and not disrupt educational activities.

EXTRACURRICULAR ACTIVITIES

The District will ensure that students have an equal opportunity to participate in, create, and maintain student groups without regard to their race, sex, disability, or other protected classification.

However, students who are suspended, transferred to an alternative placement, or expelled, may lose the privilege of participation in all extracurricular activities, such as interscholastic athletics, cheerleading, student government, student clubs, graduation ceremonies, and other extracurricular activities, during the period of discipline and will not be afforded separate due process procedures to challenge the denial of participation in an extracurricular activity.

COMPULSORY EDUCATION REQUIREMENT

A parent having custody over a school-age minor is required under State law to enroll and send a school-age minor to a public or established private school during the school year in the district in which the minor resides. The process of education requires continuity of instruction, class participation and study. Parents are encouraged to work with the school in promoting regular attendance of all students.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Student Education Records

The Family Educational Rights and Privacy Act (FERPA) is a Federal law designed to protect the privacy of a student's education records. FERPA gives parents certain rights with respect to their student's education records. These rights are:

1. ***Inspect and review*** all their student's education records maintained by the school within 45 days of a request for access.
2. ***Request*** that a school correct education records believed to be inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
Parents who wish to ask the school to amend a record should write the principal or appropriate school official, clearly identify the part of the record they want changed and

specify why it should be changed. If the school decides not to amend the record as requested by the parent, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment.

3. ***Provide consent*** before the school discloses personally identifiable information (PPI) from a student's record, except to the extent that FERPA authorizes disclosure without consent. Such exceptions include, but are not limited to:
- [a] school officials with legitimate educational interests
 - [b] other schools to which a student is transferring;
 - [c] individuals who have obtained court orders or subpoenas;
 - [d] individuals who need to know in cases of health and safety emergencies;
 - [e] official in the juvenile justice system to improve education outcomes;
 - [f] a State agency or organization that is legally responsible for the care and protection of the student, including the responsibility to investigate a report of educational neglect;
 - [g] specified officials for audit or evaluation purposes; or
 - [h] organizations conducting studies for or on behalf of the District.

A **school official** is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving as a volunteer; a person serving on the District School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist), or to whom the District has outsourced institutional services or functions. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Student Directory Information

Directory Information, which is information that is generally not considered harmful or an invasion of privacy if released, may be released at the discretion of school officials, without consent, for appropriate reasons such as, school publications, newspaper articles, and to outside education related organizations. In addition, two federal laws require secondary schools to provide military recruiters, upon request, the names, addresses, and telephone numbers of their students.

The Davis School District has designated the following information as directory information: 1) student's name, address, and telephone number; 2) student's date and place of birth; 3) grade level and enrollment status; 4) student's District email address; 5) student's ID number that is displayed on a student ID badge; 6) parent email address; 7) participation in officially recognized activities and sports; 8) weight and height of members of athletic teams; 9) dates of attendance; 10) degrees, honors, and awards received; 11) most recent educational institution attended by the student; 12) student's digital image.

The following shall be considered limited use directory information that may be disclosed only to other students enrolled in the same course (regardless of whether such students are enrolled in the same class section) that has been audio or video recorded by the District, for instructional and educational purposes only: 1) name to the extent it is referenced or captured during the audio or video recordings; 2) any photograph or image of the student captured during the audio or video recording; 3) any audio or video recording of the student participating in the course; and 4) any online chats or other recorded communications among participants in the course captured during the audio or video recording.

To protect the privacy of other students, parents/students are not permitted to make their own recordings of class sessions or to share or distribute District recordings of class sessions.

If you, as a parent do not want Whitesides to disclose limited directory information of your child without your prior written consent, you must notify the school in writing annually.

- [a] protected information surveys designed to be administered to students; and

PLEDGE OF ALLEGIANCE

The Pledge of Allegiance to the Flag shall be recited by students at the beginning of each school day in each public school classroom in the State, led by a student in the classroom, as assigned by the classroom teacher on a rotating basis. Participation in the Pledge is voluntary and not compulsory.

RELIGIOUS EXPRESSION IN PUBLIC SCHOOLS

In compliance with existing federal and State law regarding religion and religious expression in public schools, the District or school may neither advance nor inhibit religion. It is the District's policy to: 1) allow students and employees to engage in expression of personal religious views or beliefs within the parameters of current law; and 2) maintain the schools' official neutrality regarding sectarian religious issues according to the constitutional principle of separation between church and state.

PARENTAL RIGHTS IN PUBLIC EDUCATION

The Davis School District and Whitesides Elementary shall reasonably accommodate** a parent's:

- Written request to retain a student in kindergarten through grade 8 on grade level based on the student's academic ability or the student's social, emotional, or physical maturity.
- Written request, prior to scheduled event, to excuse the student from attendance for a family event or a scheduled proactive visit to a health care provider. (Student agrees to make up course work for school days missed for the scheduled absence).
- Written request to place a student in a specialized class, a specialized program, or an advance course. (In determining whether placement is reasonable, the District shall consider multiple academic data points).
- Request to excuse the student from taking an assessment that is federally mandated, is mandated by the state, or requires the use of a state assessment system or software that is provided or paid for by the state.
- Initial selection of a teacher or request for a change of teacher.
- Request to visit and observe any class the student attends.
- Request to meet with a teacher at a mutually agreeable time if unable to attend a regularly scheduled parent teacher conference.

Each accommodation shall be considered on an individual basis and no student shall be considered to a greater or a greater or lesser degree than any other student.

**Reasonably accommodate for purposes of this section means the District or school shall make its best effort to enable a parent to exercise a parental right specified here without substantial impact to staff and resources, including employee working conditions, safety and supervision on school premises and for school activities, and the efficient allocation of expenditures; while balancing: the parental rights of parents; the educational needs of other students; the academic and behaviorally impact to a classroom; a teacher's workload; and the assurance of the safe and efficient operation of a school.

The parental rights specified here do not include all the rights or accommodations available to parents from the public education system.

MEAL CHARGES IN SCHOOLS

The purpose of these procedures is to establish consistent meal charging and collection procedures districtwide. The District's goals are:

- To maintain a positive experience for students during meal service.
- To treat all students with dignity and respect.
- To establish practices which are age appropriate.
- To minimize meal charges and encourage parents to pre-pay for all meals.
- To promote parents' responsibility for meal payment and self-responsibility of the student.

Meal Accounts: Payment in advance for meals enables the District to achieve these goals. Personal checks and cash deposits are accepted daily at the schools. For convenience, deposits may also be made by credit/debit card through a parent's myDSD account.

Emergency Meal Service: The Board of Education acknowledges that on occasion, students may forget or lose meal money. In such cases, the student's statement of need shall be accepted, and a meal will be made available. School lunch employees shall not, withhold a meal, provide an alternate meal, pull a student from the line, ask the student to call his parent or friend, stamp the student's hand, or otherwise call attention to the student who has forgotten or lost meal money. A school lunch employee may remind a student *attending a secondary school* that his account is in the negative. **The cost of the unpaid meal will be charged to the student's account.**

Evaluate Individual Circumstances: When a student repeatedly comes to school without a meal from home or money to participate in the school meal program, school administrators should consider if circumstances in the home warrant contacting social workers or Child Protective Services. Frequent requests may indicate the family's need for free- or reduced-price meals. School administrators may work with the family to apply for school meal benefits. **All meals eaten before a free- or reduced-price meal application is processed and approved are the responsibility of the parent and must be paid for.**

Repayment for Meal Charges and Bad Checks: Federal guidelines prohibit the Food and Nutrition operation from writing off bad debts as a result of charged meals. Every effort will be made to collect for unpaid meals. Unpaid meal charges may result in the following:

- An automated telephone call to the parent.
- An email sent to the parent.
- A verbal reminder to student attending a secondary school.
- School lunch manager contact parents by phone or notes in teacher mailboxes.
- In case of significant delinquent payments, a letter will be sent home from the Food and Nutrition Department.

Parents are responsible to pay all their student's meal charges. All unpaid charges will be added to the list of any outstanding fees or unpaid fines at the end of the school year. Uncollected meal charges shall be handled the same as other school debt.
