The Board recognizes its obligation to comply with applicable federal and state laws concerning the education of students with disabilities. Accordingly, the Board will ensure that funds provided to a charter school operated by the Board under Part B of the Individuals with Disabilities Education Act ("IDEA") will not be used to reduce the level of expenditures for the education of children with disabilities made by that charter school from local funds below the level of those expenditures for the preceding fiscal year. A charter school operated by the Board may only reduce its level of expenditures under Part B below the level of those expenditures for the preceding fiscal year if the reduction is allowed under the North Carolina Policies Governing Services for Children with Disabilities.
