

September 2022

The Pine Hill School District participates in assessment of students on an ongoing basis as required by the State of New Jersey and as a practice to ensure student academic needs are being met. Please find assessment information for the 2022 - 2023 school year below. If you have any questions, please contact your child's school

District Assessments

Key:

- **Number of Testing Administrations in Districts** refers to the number of times a particular assessment will be offered during the school year.
- **Testing Mode** refers to how the student will be administered the assessment. The two modes are computer-based, and paper-and-pencil. Some computer-based assessments allow students to take the assessment using paper and pencil. Be sure to inquire about the options if your child has a medical issue that would not allow them to take the assessment on the computer.
- **Testing Time** is the maximum amount of time allotted to students to complete the assessment. Most students finish well in advance of the allotted time.
- **Testing Window** is the period in which districts administer the statewide student assessment. It is not the actual number of days it takes a student to complete the assessment. School districts can choose the specific days within the window to administer the test. Please inquire with your district about the exact testing dates of the assessment.
- **Results Available** refers to date districts receive individualized student results from the assessment vendor. These results should be distributed to students, educators and families as soon as possible.

Assessment Name	Subject Area	Grade Level Tested	Information about Available Accommodations and Accessibility Features	Number of Testing Administrations in District	Testing Mode	Testing Time Allotted per Student	Testing Window	Results Available	Information for Parents/Guardians Regarding the Assessment
START STRONG ASSESSMENTS ELA/MATH/SCIENCE	ELA Math Science	Are available in ELA grades 4-10, Mathematics grades 4-8, Algebra I, Geometry and Algebra II, and in Science grades 6, 9, and 12;	NJ Start Strong	1	Computer-based with paper-based options for students with disabilities	45-60 minutes	August 31, 2022 - September 30, 2022	TBD	Start Strong Overview for Parents
