## 2023-24

### Goal and Objectives

*Our goal is to establish strong alliances between the Parents, Local Units, the Administration, Board of Education, Michigan PTA and National PTA to benefit every child in the Walled Lake School District by speaking with one voice.*

### Our objectives are to:

- ❖ Ensure that we operate in an environment where all are welcomed, where different points of views are heard and we rally support so we speak for every child with one voice
- ❖ Provide opportunities to support, grow and learn from each other during the Council Roundtables
- ❖ Rally support on key legislative issues that impact our students by providing information in such a way that is understood, viewed as important and be able to provide the tools for parents to take action
- ❖ Provide support and guidance to local units on PTA matters by reaching out to units and being a valuable resource for them
- ❖ Provide opportunities for parents in our district to gain more knowledge through the Western Oakland County Parenting Education Fair and bring in outside speakers to address the issues that impact our students
- ❖ Showcase the positive impact that PTSA/PTA have on our schools and students at our annual **Presidents & Principals Breakfast, Reflections Celebration and Installation and Awards Ceremony**
- ❖ Provide timely and pertinent information through the PTSA Council Website at <http://wlcsd.org/parents/walled-lake-ptsa-council/>

# **Irene Daniels Scholarship Award**

## Walled Lake PTSA Council

The Walled Lake PTSA Council has established a Scholarship Fund in the memory of Irene Daniels. Mrs. Daniels was a mother at Twin Beach Elementary and was incredibly involved with the school's PTA. She also served as secretary of the Walled Lake PTSA Council and assisted other PTA's. Mrs. Daniels was described as a wonderful, caring and giving person. Unfortunately, Irene Daniels became ill and passed away in 1964. She leaves a legacy of caring for children, which continues today.

The purpose of the Irene Daniels Walled Lake PTSA Council Scholarship is to encourage worthy students to undertake a post-secondary course of study. The Council Scholarship Committee reviews applications and qualifications of students from Walled Lake Central, Walled Lake Northern and Walled Lake Western High Schools, and one winner from each school is selected every year. The PTSA Council bases some of the criteria of the scholarship on volunteerism, leadership, school activities/honors, and recommendations by counselors or teachers. The three students selected each receive \$750 to use toward future educational costs.

If you are interested in having your student apply for this scholarship, visit <https://www.wlcsd.org/families/ptsa-council/irene-daniels-scholarship>. Applications are due by the second Friday in March and must be submitted via the [google doc linked](#) to the website.

Any questions regarding this scholarship should be addressed to Leigh Shemanski and Dan Monkman at [iredaniels.ptsa@gmail.com](mailto:iredaniels.ptsa@gmail.com).

## WHAT IS THE FOUNDATION FOR EXCELLENCE?

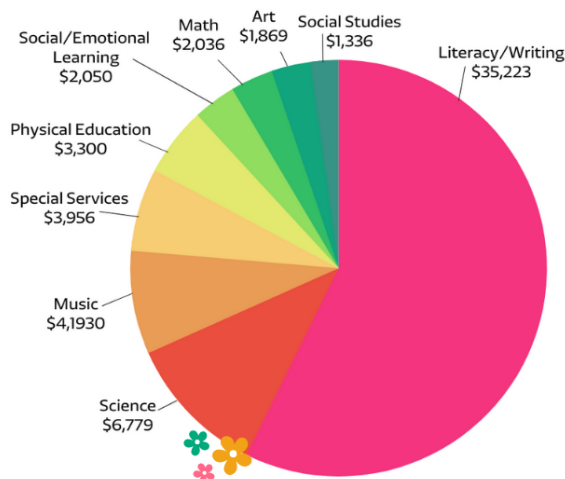

The Foundation for Excellence is a 501(c)(3) organization that supports Walled Lake Schools with funds beyond what can be provided through the school district.

## WHY IS IT NEEDED?

School district funds are very narrow in their allowable uses and cannot legally be spent on items outside of their scope. There are needs within classrooms that go beyond those funds and that's where the Foundation For Excellence comes in. We provide grants for items that can't be covered by the district such as classroom libraries, STEM activities, scholarship funds for 5th grade camp and performing arts, and many other things.

## HOW OUR GRANTS ARE DISTRIBUTED

In 2022-2023, the Foundation for Excellence distributed over \$60,000 back into the Walled Lake School District to support K-12 Education
