NEGOTIATED AGREEMENT

July 1, 2023 through June 30, 2028

PREAMBLE

This Negotiated Agreement (“Agreement”), entered into January 23, 2023, between the Glenbrook High School District 225 Board of Education, (“Board”), and the Glenbrook Education Association (“Association”), becomes effective July 1, 2023.

This Agreement constitutes a successor negotiated agreement entered into during the term of an existing predecessor negotiated agreement and shall take effect on July 1, 2023, and terminate on June 30, 2028. This Agreement contains all of the terms agreed upon by the parties with respect to the subject matter of this Agreement and supersedes all prior agreements, arrangements and communication between the parties concerning such subject matter.

WHEREAS, the Board and the Association both agree that providing quality education for all youth of the Glenbrook High Schools is a mutual aim,

WHEREAS, the parties have reached certain understandings which they desire to confirm in this Agreement,

NOW, THEREFORE, the parties mutually agree to respect and comply with the following:

ARTICLE I - RECOGNITION

A. Recognition/Exclusions

The Board hereby recognizes the Association as the sole and exclusive bargaining representative for all the employees in the unit set forth below.

- | | |
|-----------|--|
| Included: | All regularly employed licensed teaching and related services personnel of Glenbrook High School District 225. |
| Excluded: | Superintendent, Associate and Assistant Superintendents, district-level Directors, Principals, Associate and Assistant Principals, Associate Deans, Instructional Supervisors, and other administrative personnel, stipended evening school personnel while employed as such, stipended summer school personnel while employed as such, permanent and daily substitutes while employed as such, personnel employed in a capacity or in a program which is not usually or typically associated with the regular school year program, or with extracurricular programs while acting as such. |

B. Teachers

Unless otherwise expressly provided or clearly indicated by the context, the term “Teacher” when used in the Agreement shall mean all employees included in the bargaining unit as described in Article I, Section A.

ARTICLE II - ASSOCIATION RIGHTS AND RESPONSIBILITIES

A. Board of Education Provisions

The Board agrees to furnish the president of the Association with the following:

1. A copy of the tentative school district annual budget at least thirty (30) days prior to adoption; and
2. Other data relating to the financial resources of the district which will assist the Association in developing intelligent, accurate, and constructive recommendations on behalf of the teachers, students, and educational programs. This information will be provided upon request so long as it does not create additional work for the administrative staff.

B. Dues Deduction

The Board agrees to deduct Association membership dues, once per pay period for eighteen (18) pay periods beginning on October 15, from the pay of those employees who individually request in writing that such deductions be made. After the dues deductions are made, they shall be remitted to the financial institution designated by the Association.

Authorization for each deduction shall be in effect for the duration of the Agreement unless written notice of revocation is given by the GEA to the Board on behalf of the employee. Revocation shall become effective within thirty (30) days after such notice is given.

The Association shall indemnify and save harmless the Board from any and all claims, demands, suits, and costs incurred in connection with any such claim, demand, or suit, resulting from any reasonable action taken or omitted by the employer for the purpose of complying with the provisions of this section.

C. Association Leave

Whenever a representative of the Association or a teacher is scheduled by the Board, or by the Superintendent or designee, to participate during working hours in negotiations, grievance proceedings, conferences, or meetings, the teacher shall suffer no loss in pay nor shall such participation be charged to the teacher's leave time.

The Association shall be allowed to send up to five (5) official Association delegates to the state association annual convention, for no more than two (2) days each, without salary adjustment provided the Board is reimbursed an amount equal to the normal substitute teacher costs for each day each delegate is absent. The Superintendent or designee may, at their sole discretion, grant upon request of the Association, additional days to be used for Association business with the Association reimbursing the Board for substitute teacher costs.

D. GEA FTE

The Board shall grant 0.2 FTE to both Glenbrook North and Glenbrook South for the purpose of GEA administrative release. The FTE shall be in addition to each building's standard FTE allotment.

The GEA Executive Board shall determine the recipient of the release in each building. Recipient names will be provided to the Principal by April 1. If a recipient's release would result in hardship to a department, the Principal and the GEA Executive Board agree to discuss, in good faith, an alternative recipient.

E. Use of School Equipment

The Association shall have the right to make use of school equipment and other regularly available resources when such equipment is not otherwise in use. The Association agrees to pay for the actual cost of supplies.

F. Use of School Buildings

The Association and its representatives may be permitted to use school buildings for meetings at times that do not conflict with instructional responsibilities. The Association shall reimburse the Board for any extra labor costs required for such meetings.

G. No Strike Agreement

The Association hereby agrees not to strike or engage in or support or encourage any concerted refusal to render full and complete service to the Board.

H. Professional Conduct

The Association recognizes that abuses of sick leave, leaves of absence, tardiness, deficiencies in professional performance, or other violations of discipline by a teacher reflect adversely upon the teaching profession. The Association shall use its best efforts to enforce proper professional conduct on the part of its members.

I. Professional Performance of Members

The Association will continue to encourage and improve the professional performance of its members. Any professional employee may bring an incident of alleged improper professional conduct to the attention of the GEA Executive Board.

ARTICLE III - BOARD RIGHTS AND RESPONSIBILITIES

A. Scope of Agreement

Except as otherwise specifically provided in this Agreement or otherwise specifically agreed to in writing between the parties to this Agreement, the determination of educational policy, the operation and management of the schools, and the control, supervision, and direction of all certificated staff are vested exclusively with the Board.

B. Terms and Conditions

All terms and conditions of employment not covered nor abridged by this Agreement shall not be the subject of negotiations during the life of this Agreement, unless such negotiations are mutually agreed to in writing by the Board and the Association.

ARTICLE IV - RIGHTS AND RESPONSIBILITIES

A. Compliance with Rules and Regulations

Teachers shall comply with the rules and regulations adopted by the Board or its representatives.

B. Length of Work Day

1. Full-time teachers of the school district shall be assigned to teach or supervise educational activities for each four-hundred and sixty-five (465) minute work day.
2. The four-hundred and sixty-five (465) minute work day shall begin fifteen (15) minutes prior to the start of the school day.

3. Teachers shall remain working beyond the school day to complete their four-hundred and sixty-five (465) minute work day.
4. More specific information regarding teaching load and instructional minutes is found in Article IX.

C. Shared Discipline Responsibility

The Board recognizes its responsibility to continue to give reasonable support and assistance to all teachers with respect to control and discipline of students. Teachers shall continue to share responsibility for student control and discipline throughout the school day in the entire school facility and at any school sponsored event.

D. Personnel File Review

Each teacher shall have the right upon advanced request to review the content of the teacher's official personnel file maintained by the Human Resources department. Privileged information such as confidential credentials and related personal references sought at the time of employment are specifically exempt from such review. All communications including evaluations by supervisors or administrators, commendations, and validated complaints directed toward the teacher, which are included in the teacher's official personnel file, shall be called to the teacher's attention at the time of inclusion, and the teacher will be permitted to file a rebuttal.

The rebuttal shall be placed in the teacher's personnel file. A local representative of the Association may, at the teacher's request, accompany the teacher in the review. Only those materials included in the official file may be used for the purpose of taking disciplinary action.

E. Substitute Teacher Procurement

The Board and the Association agree that in no case shall a teacher planning to be absent be permitted to or be held responsible for obtaining a substitute teacher. Teachers shall not be required to substitute for an absent teacher except in short-term emergencies.

In short-term emergencies, however, when a teacher is absent and a substitute is not available, other teachers in the department, when asked to substitute by their Instructional Supervisor for their absent colleague, shall comply with the requests in the best interests of the students and the school. The Instructional Supervisor shall make a reasonable effort to obtain a substitute for any absence.

F. Non-Discrimination

As a duly elected board exercising governmental power under the laws of the State of Illinois, the Board shall not discriminate against any teacher in the enjoyment of any rights conferred by the Constitution of the United States, the Constitution of the State of Illinois, and the laws of Illinois. However, this section is not a proper subject for binding arbitration as provided for under the grievance procedure of this Agreement.

G. Academic Freedom

Academic freedom shall be guaranteed to the teachers within the school district's planned instructional program and no special limitation shall be placed upon study and investigation of facts and ideas concerning man, human society, the physical and biological world, and other branches of learning, subject to the following standards of professional responsibility:

1. The teacher shall encourage the student to study varying points of view and respect the student's right to form the student's own judgment.
2. The teacher may assume full political and citizenship responsibilities but shall refrain from exploiting the instructional privileges of the teacher's professional position to promote candidates, parties, or personal philosophies.
3. Academic freedom exercised by a teacher requires that the teacher be cognizant of the maturity of the teacher's students and that this be recognized in the teacher's instructional presentation.

In the event of adverse criticism by parents or citizens of the school district, all reasonable effort shall be made by the parties to settle academic freedom disputes on the administrative level prior to submitting the same to the Board for its decision. The Board recognizes its obligation to support the teacher in the legitimate exercise of the teacher's academic freedom as defined above.

H. Progressive Discipline

The Board and the Administration believe in the tenets of progressive discipline, which include: verbal reprimand, written reprimand, suspension and dismissal. However, nothing herein will require the exhaustion of all of the above disciplinary steps when a decision is made that an incident requires a more severe disciplinary outcome.

When a Teacher is required to appear before the Board or the Administration concerning any matter which the Teacher believes could result in disciplinary action, the Teacher is entitled to have a representative of the Association present. Furthermore, the Teacher directed to appear at such investigatory meetings will receive reasonable advance written notice of the meeting, except where an emergency or extraordinary situation exists which prohibits the provision of such written notice. The Teacher's right to Association representation shall not apply to evaluation conferences or impromptu meetings relative to the Teacher's regular daily performance.

At any such investigatory meeting, the Teacher will be presented with a factual explanation of any evidence gathered to date and will be offered a reasonable amount of time to review and an opportunity to respond to the evidence.

Prior to the time disciplinary action is taken, written notice of the specific grounds forming the basis for disciplinary action will be delivered to the Teacher. The Teacher, and if represented, the Association shall be provided an opportunity to respond both to the basis for the discipline and the possible disciplinary consequences.

ARTICLE V - VOLUNTARY AND INVOLUNTARY TRANSFERS

A. Promotion

The Board shall have the sole responsibility to promote employees to positions outside the bargaining unit as defined in Article I of this Agreement.

B. Notice of Vacancies

During the school year the Board agrees to give notice of vacancies existing or anticipated in all positions before filling the vacancy. Notices of vacancies will be posted on the District website at least ten (10) business days prior to filling the position.

Any teacher who meets specified requirements for job opportunities and desires to make application for any vacancy should file a written application to the most senior Human Resources administrator within ten (10) business days following the announcement of the vacancy.

In the case of positions listed on the Differential Responsibilities Schedule contained in Exhibit F, and when an immediate need exists, the notice period prior to filling the vacancy shall be five (5) days.

C. Decline of Offer

In the event that a teacher chooses not to accept a position offered, it shall have no effect upon the teacher's future opportunities for other positions that are created or become vacant.

D. Transfer Definition

A transfer is defined as a change in the building to which a teacher is assigned. A vacancy exists when the number of positions available exceeds the number of teachers available.

1. Voluntary Transfer

- a. Teachers wishing to be considered for transfer must notify the most senior Human Resources administrator in writing indicating the reasons for requesting the transfer and the school and position desired. Approval of the Superintendent, Principals and the Instructional Supervisors involved is a prerequisite for such transfer. Internal transfer applicants will be offered an opportunity to interview for the position sought.

The decision to fill the vacancy will be based on the consideration of the following factors: certifications, qualifications, merit and ability (including performance evaluations, if available), and relevant experience, provided that seniority must not be considered as a factor unless all other factors are determined by the Board to be equal.

If the request for transfer is not approved, the reasons for the non-approval shall be given to the teacher in writing by the most senior Human Resources administrator as soon as possible but no later than ten (10) days after the position has been filled.

2. Involuntary Transfer

- a. Notice of involuntary transfer shall be given to the teacher as soon as practicable (no later than May 1 if for the subsequent school year) by the most senior Human Resources administrator.

Involuntary transfers to new or vacant positions for teachers will be based on the consideration of the following factors: certifications, qualifications, merit and ability (including performance evaluations, if available), and relevant experience, provided that seniority must not be considered as a factor unless all other factors are determined by the Board to be equal.

Within ten (10) business days after receipt of notification of transfer, a teacher dissatisfied with the new assignment may make a request in writing for a meeting with the principal under whom the teacher was assigned prior to the transfer to discuss reasons for the transfer. An Off Campus teacher whose position prior to transfer does not come within the jurisdiction of any principal shall have the right to request a meeting with the Director of Special Education.

Within five (5) business days after such meeting, the teacher, if dissatisfied with the reasons given for the transfer, shall have the further right to request a meeting with the Superintendent to discuss said reasons. If the most senior Human Resources administrator has not attended the meeting with the appropriate principal, the Superintendent may elect to have said most senior Human Resources administrator confer with the teacher in the Superintendent's place. Such meeting shall be held five (5) business days after receipt of a request thereof by the Superintendent.

E. Final Decision

If the foregoing procedures have been followed, the decision of the Superintendent in all matters of promotion, voluntary transfer, and involuntary reassignment shall be final.

F. Temporary Appointments

Nothing in this Agreement shall prohibit the Board from making temporary appointments until positions can be filled with permanent appointments as provided in this Agreement.

ARTICLE VI - SENIORITY

A. Seniority Lists

The Board shall develop district-wide seniority lists of teachers by service areas to be determined and as defined by the Illinois State Board of Education. Seniority shall be based on the number of full-time, full-term, continuous years of service in Glenbrook High School District 225, including service in Glenbrook High School District 225 in an administrative position as defined by Article I, Section A. Full-term shall be defined as employment in the District not later than January 1st.

B. Certification Requirement

To be included on a seniority list, teachers must have been legally licensed and qualified in Illinois for employment in that service area and have been employed in that service area in Glenbrook High School District 225.

C. Seniority Placement

Placement on a seniority list for teachers will be established in accordance with the process as outlined by the District Reduction in Force (RIF) Committee as defined by the Illinois State Board of Education.

D. Administrator Placement

If an administrator is assigned exclusively to the classroom, the administrator shall be placed on the seniority lists in the service areas for which the administrator is legally licensed and qualified and in which the administrator has had previous teaching experience. The administrator will be placed in accordance with the process as outlined by the District RIF Committee as defined by the Illinois State Board of Education.

ARTICLE VII - STAFF REDUCTION / HONORABLE DISMISSAL PROCESS

A. Reduction Procedures

When the Board determines that a decrease in the number of teachers or a discontinuance of some teaching service is necessary, such reductions in force will be accomplished in accordance with Section 24-12 of the School Code and other applicable sections of the School Code.

B. Honorable Dismissal List

1. Annually, the District will establish an Honorable Dismissal List based on a categorization of each teacher into one or more positions for which the Teacher is qualified to hold, based upon legal qualifications, certifications, endorsements, and any other qualification established in a district job description.
2. Job descriptions must be established on or before May 10 prior to the school year during the sequence of dismissal is determined.
3. Copies of the list shall be distributed to the Association at least seventy-five (75) calendar days before the end of the school term.

C. Grouping of Teachers Within the Honorable Dismissal List

Grouping of teachers within the honorable dismissal list will follow Illinois School Code, specifically the Performance Evaluation Reform Act (PERA), as well as the District Reduction in Force (RIF) Committee's agreements.

D. Order of Dismissal

Among teachers qualified to hold a position, teachers must be dismissed in the order of their groupings and procedures determined by the District Reduction in Force (RIF) Committee, with teachers in Group One (1) dismissed first and teachers in Group Four (4) dismissed last.

1. Within Group One (1), the sequence of dismissal is at the sole discretion of the district.
2. Within Group Two (2), the sequence of dismissal is based on the average of the last two (2) summative performance evaluation ratings, if two (2) ratings are available, or the teacher's last summative performance rating if only one (1) rating is available.
 - a. The average is calculated using the following numeric values:
 - i. Four (4) for "Excellent";
 - ii. Three (3) for "Proficient";
 - iii. Two (2) for "Needs Improvement"; and
 - iv. One (1) for "Unsatisfactory".
 - b. Teachers with the lowest average summative performance evaluation rating shall be dismissed based on seniority, with teachers that have shorter length of continuing service with the district dismissed first.

3. Within Groups Three (3) and Four (4), the sequence of dismissal is based on certification qualifications, and seniority, with teachers that have shorter length of continuing service with the district dismissed first.

This article is not evidence that the Board waives any rights it may have to determine the qualifications of a Teacher to perform the duties of a specific position.

ARTICLE VIII - RECALL

A. Honorable Dismissal

In the event the Board has any vacancies, the positions thereby becoming available shall be tendered to Teachers in the following order:

1. Teachers who were in Group Four (4), and Group Three (3), shall be recalled to a vacancy for which they are licensed for the following school term or within one (1) calendar year from the beginning of the following school term. Teachers shall be eligible for recall in reverse order of dismissal.
2. Teachers who were in Group Two (2), who are eligible for recall in accordance with the Illinois School Code, shall be recalled to a vacancy for which they are licensed through February 1 of the following school term.
 - a. To qualify for recall under the Illinois School Code, a Group 2 teacher must have received a Needs Improvement on either of his or her last two evaluations and, if two ratings are available, at least a Proficient rating on the second evaluation. All other Group 2 teachers will have no recall rights.

Eligibility shall be based upon legal qualifications, licensure and any other qualifications established in a District job description.

B. Information Responsibility

Teachers are responsible for informing the most senior Human Resources administrator of any changes in their qualifications and/or contact information after the date of their dismissal.

The Board is responsible for sending notice to Teachers eligible for recall. A copy of this Article will be enclosed with the notice. Notice will be sent by registered mail to the last address on file with the Board. The Teacher must give a written response postmarked within seven (7) days of receipt of the notice of vacancy, or within fourteen (14) days of the mailing of the notice of the vacancy, whichever occurs first. Any Teacher who fails to respond to a proper notice of vacancy or who declines to accept the position offered shall be placed at the bottom of the recall list as it then exists and shall be eligible for one more recall opportunity.

ARTICLE IX - TEACHING LOAD

A. Appropriate Number of Students

The Board and the Association recognize that effective learning is the basic foundation for a sound educational program. Effective learning depends primarily upon effective teaching. Effective learning and teaching can only take place when an appropriate number of students are assigned to the teacher.

Appropriateness is based upon the following criteria:

1. The skills and experience of the teacher;
2. The capabilities of the student enrolled;
3. The content of the course;

4. The techniques of teaching required; and
5. Other considerations as mutually agreed upon by the Administration and Association on a case by case basis.

B. Maximum Class Size or Caseload

Prior to the start of each semester, class size data (enrollment/sectioning) will be shared with the GEA President or designee. The goal in determining teaching load will be to balance class sizes. In working to achieve this goal, reasonable efforts will be made to place students in classes that are under the noted maximums (below) before exceeding the size of a given class.

The following will serve as maximums for class size or caseload:

	Max Class Size or Caseload*
Art	25
Health	28
English	26
Applied Technology	25
Business Education	28
Family & Consumer Science	25

* Additional Considerations <ul style="list-style-type: none"> - Unless otherwise limited by facility design (e.g., number of stations for students). - Excludes the Glenbrook Academy of International Studies. 	

C. Exceeding Maximum Class Size or Caseload

In the event circumstances require exceeding the noted class size maximums, a meeting will be held with the affected teacher, a GEA representative, and the Principal to discuss the circumstance resulting in exceeding the maximum number of students, the instructional impact of the class size and appropriate classroom supports available to the teacher. The supports that may be provided include:

1. Access to an Instructional Coach.
2. Services of an Instructional Aide.
3. Relief from supervisory duties.
4. Consideration of reassignment of students to other teachers.

Teachers assigned a class size or caseload above the maximums will be paid the relevant stipend or may elect to receive additional personal leave as defined in Article XIII, Section I. A teacher who has submitted a notice of intent to retire and has a class or caseload size exceeding the identified maximum will only be allowed to receive the additional personal leave noted above. The use of personal leave will be governed by the requirements for the use of such leave found in Article XI, Section C.

Class and caseload sizes exceeding the identified maximum are also subject to the following rules:

1. Class size shall not exceed thirty (30) students per semester, except for physical education.
2. School counselor caseload shall not exceed two-hundred and seventy-five (275) students.
3. No teacher will have more than two (2) classes per semester above the noted maximums.

D. Class Schedules

The Board shall have the right to conduct either eight (8) period class schedules or block class schedules under the terms and conditions described below in Sections E and F.

If the Board plans to change the schedule or schedules from one year to the next year, the Board shall notify the Association in writing not later than May 1st of the schedule or schedules it plans to conduct during the subsequent school year.

E. Eight (8) Period Class Schedule

Teachers shall be assigned to instructional assignments for five (5) of the eight (8) period class day.

Teachers are expected to be in the building at least fifteen (15) minutes prior to the start of the first period of each teaching day, or fifteen (15) minutes prior to their “early bird” class if the teacher is assigned to an “early bird” class, and fifteen (15) minutes at the end of the school day.

Teachers are expected to be at their respective period one (1) assignment at least five (5) minutes prior to the start of period one (1). Those teachers who do not have a period one (1) assignment shall check in with their respective departments at least five (5) minutes prior to the start of the school day.

An example of a teacher schedule in an eight (8)-period schedule is shown below:

	All Days

Period 2	Unscheduled
Period 3	Lunch
Period 4	30 min. Conferences

	20 min. Resource Time
Period 5	Class
Period 6	Class

Period 8	Class

F. Block Class Schedule

Full-time teachers shall be assigned to instructional assignments for five (5) ninety (90) minute blocks plus one (1) ninety (90) minute resource period over two (2) days. The ninety-minute resource period referenced above constitutes a “Sixth Assignment”.

Teachers are expected to be in the building at least fifteen (15) minutes prior to the start of the first block of teaching day, or fifteen (15) minutes prior to their “early bird” class if the teacher is assigned to an “early bird” class, and fifteen (15) minutes at the end of the school day.

Teachers are expected to be at their respective first block assignment at least five (5) minutes prior to the start of the first block. Those teachers who do not have a first block assignment shall check in with their respective departments at least five (5) minutes prior to the start of the school day.

In an alternating day, quarter, or semester schedule, the maximum teacher load shall be determined by the total teacher loads over the two (2) days, quarters, semesters. Each teacher shall have at least one (1) unscheduled block each day.

An example of a teacher schedule in the block schedule is shown below:

	Blue/Green Day	Gold Day
Block 1	Class	Class
Block 2	Unscheduled	30 min. Conferences 60 min. Unscheduled

G. Sixth Assignment

Full-time teachers shall be assigned to one (1) ninety (90) minute resource period over two (2) consecutive instructional days, referred to as a “Sixth Assignment”. Teachers are not expected to take attendance during the ninety (90) minute resource period.

Certain teachers fulfill their Sixth Assignment requirement through their regular assignment. This includes:

1. Special Education teachers with case management;
2. Science teachers with lab preparation;

Certain teachers are exempted from a Sixth Assignment due to certain conditions. This includes:

1. Part-time teachers;
2. Teachers with an FTE greater than 1.0;
3. Teachers with a co-teaching or team teaching assignment;

For example, a teacher assigned to two (2) block and a half classes and two (2) block classes would be considered as teaching five (5) block classes and therefore, could be assigned a Sixth Assignment.

A teacher who teaches one (1) block and a half class and four (4) block classes would be considered as teaching five and a half (5.5) block classes and would be compensated in accordance with Article XIII, Section H of this agreement. Additionally, the teacher will not be given a Sixth Assignment.

ARTICLE XI - LEAVES OF ABSENCE

A. Sick Leave

1. Each teacher shall be eligible for fifteen (15) days of sick leave with pay per school year.
2. Sick leave may be used in increments of no less than one-quarter (1/4) day. This calculation will be based upon the total length of the teacher's work day.
3. Sick leave shall be interpreted to mean personal illness, quarantine at home, or serious illness or death in the immediate family or household, as well as, birth, adoption or placement of adoption. Immediate family is defined as a teacher's spouse, or the parent, legal guardian, brother, sister, son, daughter, grandparent, or grandchild of either teacher or spouse, or approved domestic partner who is at the time of such illness a member of the same household as the teacher. Under extraordinary circumstances, the most senior Human Resources administrator may approve the use of sick leave for attendance at a funeral of an individual who was not a member of the teacher's immediate family.
4. Serious illness shall be interpreted according to the normal use of the term by the medical profession. In the event a teacher is absent for illness or injury, and irrespective of whether such absence is charged to any accumulated sick leave, the Superintendent or designee may require the teacher to provide the Superintendent or designee with a physician's certificate; or if the Superintendent or designee believes there may have been an abuse of the sick leave policy, the Superintendent or designee may require an examination by a physician selected by the Superintendent. An examination by a physician selected by the Superintendent or designee shall be at the Board's expense.
5. No limit shall be placed on the number of accumulated sick leave days unless a law is passed which requires the Board's payment of a specified number of sick days upon the teacher's resignation/retirement from the District. Under no circumstances, unless required by law, will the Board provide payment for a teacher's unused sick days.
6. All teachers shall have access to a statement of total unused, accumulated sick leave.
7. When schools are officially closed by the Superintendent, teachers shall neither be charged nor compensated for sick leave.

B. Sick Bank

1. The Board shall establish a sick leave bank. The sick leave bank shall be administered under the guidelines of Board Policy 5:200.
2. Any teacher who is absent from school for reasons ordinarily associated with sick leave, who has no accumulated sick leave, and who is no longer qualified to borrow from the sick leave bank, shall lose per diem pay for each day of absence. Per diem pay for an employee covered by this Agreement shall be interpreted as an amount equal to the teacher's annual salary divided by the required number of teacher attendance days in the school year.

C. Personal Leave

1. Each teacher shall be eligible for two (2) days of personal leave with pay per school year.
2. Personal leave may be used in increments of no less than one-quarter (1/4) day. This calculation will be based upon the total length of the teacher's work day.
3. Personal leave shall be used for urgent personal or family matters that require the teacher's presence during the school day, and are of such nature that they are impossible to transact at a later time, such as on the weekend, after school hours, or during vacation periods.
4. Application for personal leave with pay shall be made in writing by the teacher through the teacher's supervisor to the Principal. The application shall be made at least one week before taking said leave, if possible.
5. In the event of an emergency, notice shall be provided as soon as possible so that the school can make appropriate arrangements to cover the absence. A statement setting forth the nature of the emergency shall be submitted in writing to the Principal immediately upon return to school.
6. All such applications shall be subject to the approval of the Principal or designee.
7. It shall be the practice that no leaves be taken under this section on the day before or day following any school holiday or vacations. However, the Principal or designee may make exceptions to this rule in unusual circumstances.
8. Personal leave may be accumulated from year to year up to a maximum of five (5) days. Accumulated personal leave in excess of five (5) days shall be added to the teacher's accumulated sick leave.
9. Upon termination/retirement, all unused accumulated personal days will be reported to the Teacher Retirement System as accumulated sick days for service credit upon the teacher's retirement.
10. When schools are officially closed by the Superintendent, teachers shall neither be charged nor compensated for personal leave.

D. Professional Leave

Teachers shall be granted time off with pay for the purpose of visiting other schools or attending meetings or conferences of an educational nature provided that:

1. The administration considers the impact on the department and determines that such a visit, meeting or conference would be worthwhile for the participating teacher;
2. The administration determines that funds are available;
3. The teacher granted such permission is encouraged to share new knowledge of the school visit, meeting, or conference;

4. Under no circumstances shall a teacher be paid more than the teacher's per diem pay and varied expenses without the prior written approval of the administration; and
5. The teacher shall be required to credit against the teacher's regular per diem pay all sums received by the teacher from other sources for attendance at or participation in such functions.

E. Leave for Legal Purposes

Time off with pay shall be granted to any teacher when necessary for appearance in legal proceedings arising out of a teacher's employment, providing said decision does not find unprofessional or dishonorable conduct of the teacher, dismissal of the teacher, or any breach of this Agreement by either the teacher or the Association.

F. Jury Duty

The Board shall make up the difference in pay, if any, lost by any teacher as a result of being called to jury duty. The teacher shall, in turn, reimburse the Board for any pay above the teacher's regular per diem teaching salary and expenses for such duty. Notification of being called to jury duty should be submitted to the Principal at least one week prior to such duty. A receipt containing a verified statement of expenses should be submitted to the Business Services department within one week following completion of said duty.

G. Sabbatical Leaves

The Board may grant sabbatical leaves in accordance with the following procedures:

1. On recommendation of the Superintendent, the Board may permit teachers to take sabbatical leaves for one (1) semester. Such leaves shall be granted for purposes designed to benefit the school system through study, research, a planned program of travel, or an approved combination of the above. The sabbatical plan shall require the approval of the teacher's Instructional Supervisor, the Principal, and the Superintendent.
2. A maximum of five (5) teachers divided equitably between the schools may be granted leaves for any school year. Whenever more than five (5) applications have been received, awards will be based on the quality of service as determined by criteria to be established by the Principal, the Superintendent, and the supervisory personnel (in the case of a teacher).
3. It is the policy of this Board to consider only those applicants who hold a Master's degree and who have or will have completed seven (7) years of service to the District. Such service need not be continuous but any leave from service will not exceed one school year, and at least three years of uninterrupted service must have been or will be completed immediately prior to the beginning of such a sabbatical.
4. Further, it is the policy of this Board to give priority to requests for one (1) year sabbaticals. Semester sabbaticals will be granted only if circumstances are deemed to be extenuating in the judgment of the administration and the Board.
5. A teacher on sabbatical leave shall receive a salary equal to one-half of the basic salary as if in actual service or the minimum salary provided by the first paragraph of Section 24-8 of the School Code, whichever is larger. In addition, the Board shall pay the retirement contribution as provided for under the Teacher's Retirement System, State of Illinois. The Board will maintain the

premium contributions toward any fringe benefits agreed to in this Agreement.

6. Normal credit on the salary schedule shall be given for such leave. Time on sabbatical leave is considered as time in service to the District.
7. During the sabbatical, the teacher shall file at least three (3) reports outlining the teacher's progress in meeting the sabbatical plans together with the teacher's impressions, experiences, and other matters consistent with the purpose and of interest to the students, staff, Board, and community.
8. The granting by the Board of a sabbatical leave should be interpreted as a finding that the leave is deemed to benefit the school system. Acceptance of such a leave carries with it the clear moral obligation on the part of the recipient to continue service in the District following the termination of the leave. The Board considers it reasonable to expect recipients of sabbaticals to return and perform contractual continued service for a period of at least two school years following the end of the sabbatical leave. A teacher who fails to continue the teacher's service for two school years following the sabbatical shall be required to reimburse the Board for all compensation and fringe benefits paid by the Board to the teacher or on behalf of the teacher during the sabbatical year unless such return and performance is prevented by illness or incapacity. The teacher shall be required to sign a contract with the Board containing the reimbursement provision prior to the approval of the teacher's sabbatical.
9. All requests for sabbaticals shall be submitted to the Superintendent through the Instructional Supervisor and the Principal before February 1 of the year prior to the school year for which the sabbatical is requested. Requests for semester leaves must be received at least one full semester in advance of the leave. The letter of application shall outline the purpose of the sabbatical leave together with a tentative plan for the achievement of that purpose.

H. Special Leaves of Absence

1. The Board may grant a special leave of absence to tenured staff members when it is deemed to be in the best interest of the district, the building, and the staff member.
2. In order for the Board to approve any request for a Special Leave of Absence, evidence must be submitted in writing by the applicant's supervisor and Principal clearly showing that the applicant has rendered satisfactory performance.
3. All requests for Special Leaves of Absence to be considered by the Board must be made by February 1 of the year prior to the anticipated date the leave is to begin.
4. Special Leaves of Absence shall be determined between the teacher and most senior Human Resources administrator to establish the starting and ending time.
5. All staff members granted Special Leaves of Absence must notify the Human Resources department in writing by February 1 in the year of their leave of their intent to return or resign from the school district.
6. Failure to notify the Human Resources department in writing of their decision to return or resign by February 1 will constitute an automatic resignation of the staff member, and each Special

Leave of Absence is specifically predicated upon this resignation condition.

7. No salary or other remuneration will be paid to the staff member on a full-time Special Leave of Absence. Medical and dental insurance coverage may be continued at the sole expense of the staff member on a full-time Special Leave of Absence. Life insurance and disability insurance are not provided for staff members on a full-time Special Leave of Absence.
8. Upon the completion of the Special Leave of Absence, the staff member shall be returned to a position for which they are professionally trained and licensed. The tenure status of the staff member shall not be affected by the terms of the Special Leave of Absence.
9. Teachers on a partial Special Leave of Absence shall advance on the salary schedule in accordance with Article XIII, Section C.
10. Teachers on a partial Special Leave of Absence shall be given a full year of seniority credit for the time spent on leave.
11. In addition to teaching, teachers on a partial Special Leave of Absence shall be responsible for the requirements outlined in Article IX, Section J and Article IX, Section K.
12. Teachers on a partial Special Leave of Absence shall receive the same employee benefits as listed in Article XIII, Section M, Subsection 3.

I. FMLA Leaves

Family & Medical Leave of Absence (FMLA) shall be in accordance with Board Policy 5:185.

ARTICLE XII - GRIEVANCE PROCEDURES

A. General Policy

1. The Board recognizes that in the interests of effective personnel management a procedure is necessary whereby its teachers can be assured of a prompt, impartial, and fair hearing on their grievances. Such procedure shall be available to all teachers, and no action of any kind shall be taken against any teacher for initiating or participating in a grievance procedure.
2. The parties shall make a sincere and determined effort to settle meritorious grievances in the steps of the grievance procedure and to keep the procedure free of unmeritorious grievances.
3. It is agreed that no grievance shall be presented hereunder which occurred prior to the effective date of this Agreement.
4. A grievance is defined to be a complaint by any teacher or a group of teachers within the bargaining unit, based on an event or condition which is claimed or considered to be a violation, misinterpretation, or misapplication of the terms of this Agreement.
5. Nothing contained herein shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted without intervention of the Association provided the adjustment is not inconsistent with the terms of this Agreement. If requested by the teacher, the Association representative may accompany the teacher to assist in the resolution of the grievance.
6. Re-employment of probationary teachers is not a proper subject for grievance under the grievance procedure, but violation of the procedures in the evaluation article of this Agreement are subject to the grievance procedures. Re-employment of probationary teachers shall be in compliance with provisions of The Illinois School Code.
7. A grievance may be withdrawn at any level without establishing precedent.
8. Investigation or processing of any grievance shall normally be carried out on the teacher's own time, after school hours. However, when necessary, the investigation or processing of a grievance may be carried out on the teacher's unscheduled time (excluding regularly scheduled conference time as required in Article IX).
9. The parties hereto acknowledge that it is usually most desirable for a teacher and the teacher's immediately involved supervisor to resolve problems through free and informal communications.
10. If the grievant and the Superintendent agree, Step 1 and/or Step 2 of the grievance procedure may be bypassed and the grievance brought directly to the next step.
11. The Board acknowledges the right of a representative of the Association to participate in the processing of a grievance at any level, and no teacher shall be required to discuss any grievance if the Association's representative is not present.

12. The Board and the administration shall cooperate with the Association in its investigation of any grievance, and further, they shall furnish the Association with such information requested for the processing of any grievance.
13. Article IV, Section F is not a proper subject for binding arbitration as provided for under the grievance procedure of this Agreement.

B. Procedure for Grievance

It is agreed that any grievance must be presented under the process of this Article promptly and within the prescribed time limitations. Working days, for the purposes of the grievance procedure, shall mean teacher employment days. Any grievance not presented by the individual, or the Association in the event of an appeal to arbitration, within the time limitations shall be considered settled on the basis of the decision which was not appealed or shall be deemed settled on the basis of the decision in the last step to which the grievance was carried and shall not be further appealed or filed as a new grievance. Time limits in the appeal steps may be extended by mutual agreement in writing.

1. Step 1

- a. A teacher with a grievance shall first discuss the teacher's alleged complaint with the teacher's immediate supervisor with the objective of resolving the matter informally.
- b. Every effort shall be made by both parties to maintain the informality of these discussions. Tape recorders shall not be permitted during these discussions.

2. Step 2

- a. If the grievance cannot be resolved informally, the teacher may file the grievance with the Principal. The grievance must be filed in writing within ten (10) working days from the alleged occurrence of the event giving rise to the grievance or when the grievant knew of the event. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the Agreement which have been violated, misinterpreted, or misapplied, and shall state the remedy requested.
- b. Within seven (7) working days after such a written grievance is filed, the Principal shall meet with the grievant and both parties shall make a reasonable attempt to settle the grievance.
- c. Within seven (7) working days after the second step grievance meeting, the Principal shall make a decision on the grievance and shall communicate it in writing to the teacher and the Superintendent.

3. Step 3

- a. If the grievance has not been satisfactorily resolved at the second step, the teacher may file the grievance with the Superintendent. The grievance must be filed with the Superintendent within five (5) working days from the receipt of the decision rendered in Step 2.

- b. Within ten (10) working days after such written grievance is filed, the Superintendent or the Superintendent's designated representative shall meet with the grievant and both parties shall make a reasonable attempt to settle the grievance.
- c. Within ten (10) working days after the third step grievance meeting, the Superintendent or the Superintendent's designated representative, shall make a decision on the grievance and shall communicate it in writing to the teacher, the Principal, and the Board.

4. Step 4

- a. If the grievance has not been satisfactorily resolved at the third step, the Association may submit, on behalf of the Association and the grieving teacher, the grievance to binding arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association, which shall act as the administrator of the proceedings. The Association must submit in writing to the Superintendent within ten (10) working days from the receipt of the decision by the teacher rendered in Step 3, a notice of intent to enter into arbitration.
- b. Each party shall bear the full costs for its representation in the arbitration. The cost of the arbitration and the American Arbitration Association will be borne equally by the Board and the Association.
- c. The arbitrator, in the arbitrator's decision, shall not suggest amending, modifying, nullifying, ignoring, or adding to the provisions of this Agreement. The arbitrator's authority will be strictly limited to the issue or issues presented to the arbitrator in writing by the Board and the Association, and the arbitrator's decision must be based solely upon the arbitrator's interpretation of the meaning or application of the express relevant language of the Agreement.

ARTICLE XIII - COMPENSATION

A. Intent and Purpose

It is the intent and purpose of the compensation policy to attract and retain the highest quality teacher who can make continuing contributions to the educational growth and development of all the teacher's students attending the school district.

B. General Policies

1. Any teacher employed by the Board on or after July 1, 2023, shall be placed on the appropriate salary schedule denoted "Teacher Salary Schedule" found in the Exhibits of this Agreement.
2. Annual experience increments on the salary schedule are not automatic but are dependent upon an annual evaluation for all teachers as reported to the Human Resources department by the Principal and shall be in conformity with statutory provisions.
 - a. In the absence of an annual evaluation the teacher will be entitled to the annual increment.
 - b. One (1) step on the salary schedule will be credited for each effective year of teaching in the Glenbrook High School District 225 including the current year, but no more than one (1) step on the salary schedule may be granted in any one (1) year.
 - c. Teachers not receiving the annual increment under the conditions set forth above will be provided with an explanation in writing by the Superintendent or designee. Such teachers shall be afforded the opportunity to respond in writing within ten (10) school days of the issuance of the written explanation, before a final decision is made. A copy of the Superintendent's explanation and the teacher's written response shall become part of the teacher's permanent personnel file.
3. Experience outside of Glenbrook High School District 225 may be counted at Board discretion.

C. Salary Schedule Advancement/Compensation for Part-Time Teachers

1. Part-time teachers or teachers on a Special Leave of Absence will advance on the salary schedules when the sum of their partial instructional assignments equals or exceeds a 1.0 FTE.
2. For Glenbrook and Institute Days scheduled by the Board, the Board shall increase teacher salaries by an amount equal to 1.0 FTE per diem for each such day scheduled.

D. Academic Attainment

1. A teacher who has earned the right to move to a higher salary level by additional professional training (academic attainment) shall be placed at the higher salary level at the beginning of the next contract year.
2. Coursework submitted for Academic Attainment must be within the teacher's current professional assignment, general area of instruction, or otherwise be of value to the district.
3. Requests for all courses to be approved for advancement on the salary schedule shall be made by the teacher to the most senior Human Resources administrator at least ten (10) business days in advance of the start of the course. Application will be made using the appropriate form provided

by the Human Resources department. Courses not approved in advance by the most senior Human Resources administrator shall not be considered for approval at a later date.

4. Denials of academic attainment requests shall be accompanied by a written rationale from the administrator issuing the decision. In the event of an appeal, written rationales will be provided to the Academic Attainment Committee.
5. The Academic Attainment Committee will provide an appeal option for teachers whose requests for academic attainment course approval have been denied. The Committee will be comprised of:
 - a. The most senior Human Resources administrator;
 - b. The Associate Principals for Curriculum and Instruction; and
 - c. GEA representatives appointed by the GEA President or designee from Glenbrook North and Glenbrook South.
 - i. If a Glenbrook Off Campus teacher requests an appeal, an Academic Attainment Committee member from Glenbrook Off Campus will be seated.
6. Written notification that the teacher has earned sufficient credits to move to a higher salary level must be filed by the teacher with the Human Resources department no later than September 15. An official transcript must be on file in the Human Resources department no later than October 15.

E. Salary Schedules

1. The Teacher Salary Schedules and Differential Responsibilities Salary Schedules in effect for the life of this Agreement are contained in Exhibits A through E. The salary schedules are derived by increasing each step of the Teacher Salary Schedules and the Differential Responsibilities Salary Schedules based on a negotiated percentage increase for each year.
2. If, in the judgment of the Board of Education, legislation is enacted which affects teacher pensions or other wages, hours or terms and conditions of employment, or if fundamental changes occur in the method of financing public school education in the State of Illinois, which adversely affects the financial condition of the school district, the Board shall have the option of having Article XIII and Article IX, Section T of this Agreement expire as of June 30, 2025, and renegotiate Article XIII and Article IX, Section T with the Association for the remaining school years of this Agreement.
3. If the Board desires to renegotiate Article XIII and Article IX, Section T, the Board shall notify the Association of its intentions no later than February 1, 2025. Such a negotiation shall be limited to Article XIII and Article IX, Section T of this Agreement.

F. Differential Responsibilities Schedule

1. The Differential Responsibilities Schedule (DRS) is an instrument designed to compensate those teachers who assume responsibilities for directing student activities above and beyond the normal expectations of a professional teacher would occur after the school day except for those activities which have as a matter of past practice occurred during the school day and for which

compensation has been paid.

2. The parties agree that the stipend for the extra assignment should be equitable to all teachers. Therefore, the Board agrees to pay all teachers who perform extra assignments as approved by the Board, the same stipend for the same work. The only differential will come about based on experience in the position and performance as determined in a written evaluation by a supervisor. Of course, differential stipends will be paid for the various extra assignments in accordance with categories as listed in Exhibit F.
3. The Board assumes the responsibility for approving all activities. Board action is required before any new activity is added to the list. Activities may be added or deleted from time to time. Proposals for additions or deletions will normally arise through administrative channels and be referred to the Board for their action. All assignments of individuals to extra responsibilities are subject to annual review by the Principals. Continued assignment of an individual in a given activity is the Principal's decision.
4. The scope, variety, and extent of extracurricular activities is a policy decision and therefore, shall be determined by the Board. There is no continuing commitment that the program of responsibilities as outlined and specified shall remain in effect.
5. The list of activities attached hereto does not necessarily mean that an appointment of a staff member is automatic. This is to say that any activity which cannot be supported by adequate student response will not be sponsored for that year.
6. A sports season is defined as the period beginning with the first permissible day for practice through and including the last scheduled contest including tournament participation.
7. Every teacher who assumes an extra responsibility assignment shall, as soon as the activity is organized, submit to the appropriate administrator, the following information:
 - a. The names of all participants, and
 - b. The beginning and ending dates of the activity including rehearsals, all practices, and preparation dates and times.
8. The above regulation applies to all boys' and girls' intramural programs, athletics, music, dramatics, debate activities, swim and dance shows, and cheerleading.
9. The preparation and distribution of basic contracts for the ensuing school year shall not be contingent upon the completion of all assignments of teachers to extracurricular responsibilities. All assignments of extra responsibilities shall, when agreed upon by the teacher and the administrative staff, be formalized by a separate and supplemental contract. If the basic contract and the assignment for extra responsibility can be accomplished at one time, both contracts shall be issued simultaneously.
10. All payments for extra responsibilities less legally required deductions shall be made as soon as possible upon the conclusion of the assigned responsibility.

- a. In the case of athletics, assigned responsibilities shall include all pre and post season meetings, banquets, and equipment returns and equipment inventory.
 - b. Request for payment shall be initiated by the appropriate administrator for authorization to pay. No request for payment shall be honored without the successive recommendations and endorsements indicated above.
 - c. Whenever possible, payment for differential responsibilities will be made throughout the length of the season/activity.
11. The administration shall attempt to fill the positions listed on the DRS on a voluntary basis. The Association shall encourage its members to volunteer for these positions. However, if a qualified volunteer is not available, the administration may assign teachers to the positions listed provided that:
 - a. No teacher shall be involuntarily assigned to more than one assignment per year;
 - b. No teacher may be involuntarily assigned to the same extra-curricular assignment more than twice every three (3) years;
 - c. A teacher shall not be placed in an involuntary assignment during any semester in which the teacher is filling one other assignment on the Schedule on a voluntary basis; and
 - d. Assignments shall be related to the teacher's training or experience.
12. The notice period prior to filling vacancies on the DRS contained in Exhibit F shall be five (5) days.
13. Activities listed on Exhibit F may only be split or shared if approved by all of the following:
 - a. The employee(s);
 - b. The Head Coach/Sponsor (if applicable); and
 - c. The Athletic/Activities Administrator; and
 - d. The GEA President or designee.
14. In the event a stipend listed on Exhibit F is no longer to be utilized for its designated purpose, and is going to be used for another DRS purpose, a meeting will occur with the GEA President or designee to discuss the situation.

G. Longevity Pay

Teachers already receiving a \$500 longevity payment during the 2022-23 school year, and who are currently receiving a retirement incentive during the 2022-23 school year will continue to receive this payment until their retirement. Thereafter, no other longevity payment will be paid.

H. Compensation for a Teacher Assigned to More Than a 1.0 FTE

A full-time teacher with a 1.0 FTE is assigned to teach five (5) classes. In the situation that a teacher is assigned to teach more than five (5) classes, the teacher will receive additional compensation as outlined in this section.

A teacher assigned to more than a 1.0 FTE shall be additionally compensated at a rate of 7.5% per semester of the teacher's teaching salary. In practice, the following scenarios would apply:

	FTE Representation	Salary Calculation
Year-Long, 1 Block Course	0.2	15%
One Semester, 1 Block Course	0.1	7.5%
Year-Long ½ Block Course	0.05	7.5%
One Semester, ½ Block Course	0.025	3.75%

For the purposes of determining salary enhancements in accordance with Board Policy 5:110, compensation for a sixth class shall be considered part of a teacher's contractual salary (e.g., base pay).

I. Compensation for Exceeding Class Size or Caseload Maximums

Teachers assigned a class size or caseload above the maximums will be paid the relevant stipend or may elect to receive additional personal leave as follows:

1. Stipend

- a. A teacher will be compensated \$600 per class, per semester that exceeds that maximum class size or caseload for a minimum of ten (10) school days. Teachers will be responsible to submit a request for an overload stipend through the process identified by the Business Services department. Requests for the fall semester must be submitted by January 31; requests for the spring semester must be submitted by June 1.
- b. The stipend will be paid to the teacher through the regular payroll process.

2. Personal Leave

- a. In lieu of the stipend identified in (1) above, a teacher may elect to receive one (1) additional day of personal leave. This election must be made by the teacher within five (5) days of notification of their eligibility for an overload stipend.
- b. A teacher who has submitted a notice of intent to retire and has a class size overload will only be allowed to receive the additional personal leave noted above.
- c. The use of personal leave will be governed by the requirements for the use of such leave found in Article XI, Section C.

J. Compensation for Internal Substituting

1. The compensation for a teacher who is asked by an administrator to substitute for an absent colleague as described in Article IV, Section E, shall be based on the hourly rate of pay of a teacher salaried at the MA-O Column, Step H, of the Teacher Salary Schedule for the applicable year, rounded to the nearest dollar amount.
2. For illustrative purposes, for the 2024-25 school year, this amount would be:

$$\begin{aligned} \$78,881 \div 183 \text{ Days} &= \$431.04 \text{ Per Diem} \\ &\div 7.75 \text{ Hours (465-minute school day)} \\ &= \$55.62, \text{ rounded to } \$56.00 \text{ per Hour } \underline{\text{or}} \text{ } \$84.00 \text{ per 90-minute Block} \end{aligned}$$

3. Part time teachers can access available substitute opportunities when not otherwise working for the District. The compensation for such part time teachers shall be based on the hourly rate of pay of a teacher salaried at the BA-O Column, Step A, of the Teacher Salary Schedule for the applicable year, rounded to the nearest dollar amount.
4. For illustrative purposes, for the 2024-25 school year, this amount would be:

$$\begin{aligned} \$71,403 \div 183 \text{ Days} &= \$390.18 \text{ Per Diem} \\ &\div 7.75 \text{ Hours (465-minute school day)} \\ &= \$50.35, \text{ rounded to } \$50.00 \text{ per Hour } \underline{\text{or}} \text{ } \$75.00 \text{ per 90-minute Block} \end{aligned}$$

K. Compensation for Summer School Employment

1. The compensation for a teacher employed in the summer school session shall be an hourly rate equivalent to $\frac{1}{3}$ of the per diem pay of a teacher salaried at the BA-15 Column, Step A, of the Teacher Salary Schedule for the school year preceding the summer school session, rounded to the nearest dollar amount.
2. For illustrative purposes, for the summer school session that will be held between June and July 2025, this amount would be:

$$\begin{aligned} \$71,403 \div 183 \text{ Days} &= \$390.18 \text{ Per Diem} \\ &\div 6 \\ &= \$65.03, \text{ rounded to } \$65.00 \text{ per Hour} \end{aligned}$$

L. Salary Payments

1. Beginning with the 2023-24 school year, a teacher will be paid the teacher's total salary over twenty-four (24) equal bi-monthly payments starting in September.
2. Teachers employed prior to July 1, 2023, may elect to receive their teacher's total salary over nineteen (19) equal bi-monthly payments, with the remaining five (5) payments being disbursed during the last teaching week of the school year. This one-time election must be made prior to August 30, 2023 through the process defined by the Business Services department.
3. The bi-monthly pay dates for each school year shall be on the 15th and last teaching day of the month during the school year. In the event the normal payday falls on a weekend or a holiday, the salary payment will be made on the last teaching day prior to the weekend or holiday.

M. Employee Benefits

Teachers shall be provided with the benefits as outlined within this section.

1. Individual Medical Insurance Coverage

- b. Overall coverage under the disability insurance program shall be maintained at not less than the coverage in effect as of September 1, 2007, or as mutually agreed to by the Board and the Association.

7. Section 125 Flexible Benefit Plan

- a. The Board shall adopt a flexible benefit plan under the provisions of Section 125 of the Internal Revenue Code. The plan shall include premium conversion, medical reimbursement and dependent/child care provisions.
- b. To the extent provided by law, the plan may be used for the purchases of health and dental insurance, optional term life insurance offered by the District and other benefits mutually agreed to by the Board and Association.

8. Tax-Sheltered Annuities

- a. The Board shall maintain a tax-sheltered annuity program.

9. Professional Dues

- a. The Board shall reimburse each teacher up to \$100 annually for dues to professional organizations not including the GEA, IEA, NEA, or other similar teaching organizations.
- b. The dues shall be paid after July 1 and evidence of payment shall be submitted to the Human Resources department by May 1 of the fringe benefit year. Any unused portion of the annual professional dues allowance shall be forfeited by the teacher.

10. Registration of Teaching Licenses

- a. The Board shall pay the cost of teacher license renewal for a 5-year renewal period related to the current professional assignment or for the area in which the teacher was hired to teach.
- b. The Board's obligation to pay for any such license renewal will be only for timely renewal/registration (i.e. no late fees or penalties).

11. Additional Fringe Benefits for Teachers Hired Prior to July 1, 2000

- a. The Board shall provide a non-TRS creditable \$1,000 allowance for each teacher who was a member of the faculty prior to July 1, 2000, and who does not select family health insurance coverage for a given plan year for the duration of the contract.
- b. In addition, the Board shall provide a TRS creditable \$2,350 allowance for each teacher who was a member of the faculty prior to July 1, 2000, and who does not select family health insurance coverage for a given plan year for the duration of the contract.
- c. The allowances shall be paid only in those years during which the teacher does not select family medical insurance. The allowance may be used toward the purchase of individual dental insurance, family dental insurance, additional Section 125 flexible plan benefits, optional term life insurance or other benefits mutually agreed to by the Board and the Association. Any unused portion of the allowance shall be paid to the teacher as salary.
- d. Final fringe benefit selections shall be made by the anniversary date of the plan. Changes after that date shall be made in accordance with the Health Insurance Portability and

Accountability Act, (HIPAA).

12. Additional Benefit for TRS Tier 2 Participants

- a. The Board shall provide a matching contribution to the TRS Supplemental Savings Plan, a 457(b) savings account, for each teacher enrolled in the TRS Tier 2 pension plan for the duration of the contract. The benefit shall be provided as outlined below:
 - i. The Board's contribution shall serve as a matching contribution up to \$400 each year.
 - ii. To receive this contribution the teacher must also contribute an equivalent amount to the TRS Supplemental Savings Plan.
 - iii. This matching contribution and required minimum contribution amounts will be prorated for teachers with an FTE less than 1.0.
 - iv. The matching contribution shall be administered by the Business Services department and be remitted to the TRS Supplemental Savings Plan administrator no later than June 30th of each fiscal year.

N. Insurance Risk-Sharing

1. Effective for implementation on January 1, 2021, the Board and the GEA agree to implement a process for health insurance plan cost containment/reduction.
2. In the event the Board experiences an annual increase in premium equivalent rates (as recommended by the District plan consultant) in excess of five percent (5%) over the prior year's premium equivalent rates, the District Cost Containment Committee will be charged with recommending changes to plan design which will result in a reduction in the amount of the increase over the 5% threshold. Any such recommended changes will take effect on January 1 following the announced final premium equivalent rates.
3. Premium equivalent increases at or under 5% will be shared by the Board and the employees as required by Article XIII, Section M.
4. In the event that premium equivalent rates are reduced over the prior year's rates, the Cost Containment Committee will be charged with recommending ways to share the reduction in premiums with employees insured under the affected insurance plan. Such recommendations might include benefit enhancements, wellness benefits, declaring a partial "premium holiday", building District insurance reserves, etc.
5. In the event the Cost Containment Committee is unwilling or unable to eliminate the increases in premium equivalent rates over 5%, the Board of Education may determine the plan design changes or premium increases necessary to eliminate the increases over 5%.
 - a. As an example of the implementation of this provision, assume the prior year's premium equivalent rate totaled \$1,000. The new premium equivalent rate announced in September is \$1,100 (an increase of 10%).

- b. Under this scenario, the first 5% (i.e. \$50) would be shared by the Board and the employee pursuant to Article XIII, Section M, Subsections 1 and 2 (i.e. 95% Bd./5% employee or 88% Bd./12 % employee). The remaining \$50 would be the targeted amount Cost Containment must eliminate or the Board would make the necessary decision(s) before open enrollment and a January 1 implementation.
6. It is anticipated that this process would occur as follows:
- a. The new premium equivalent rates will be announced annually in September.
 - b. Cost Containment will formulate its recommendations no later than the end of October.
 - c. Open enrollment would occur in November, with the resulting rates known to employees prior to electing coverage.
 - d. The resulting premium equivalent rates would be implemented in January.

ARTICLE XIV - NEGOTIATIONS PROCEDURES

A. Procedures

1. Each party to negotiations shall select its negotiating representatives provided that the Board shall not select a teacher, as herein defined, as its representative.
2. Negotiations shall begin no later than February 1, unless both parties agree to an alternate date. Meetings shall be held as necessary at times and places agreed to by both parties.
3. During negotiations agreed-upon materials shall be prepared for the Board and the Association and initialed prior to the adjournment of the meeting at which such agreement was reached.
4. When the Association and Board reach tentative agreement on all matters being negotiated, the items will be reduced to writing and shall be submitted to the membership of the Association for ratification and to the Board for official approval.

B. Impasse Procedures

1. Definition. An impasse occurs after both parties have considered the proposals and counter-proposals of the other party in good faith and when, despite such diligent efforts, no agreement can be reached on the subject being negotiated. During the course of negotiations, the respective committees shall make every good faith effort to reach agreement on all issues before invoking the following procedure.
2. When an impasse has been declared, the Federal Mediation and Conciliation Service shall be requested by the parties to appoint a mediator from its regular staff. A written request by one (1) party shall be considered a joint request.
3. If the mediator's efforts to bring about an agreement are unsuccessful, the parties shall meet to discuss and re-evaluate their respective positions. The parties may jointly decide to enlist the assistance of another third party.
4. The mediator shall have no authority to make recommendations to either party or the public.
5. The costs of any third party mutually agreed upon shall be shared equally by the parties.

ARTICLE XV - TERM OF AGREEMENT

This official Agreement shall become effective July 1, 2023, and remain in effect until June 30, 2028.

Should any article, section, or clause of this Agreement be declared illegal by a court of competent jurisdiction, said article, section, or clause, as the case may be, shall be automatically deleted from this Agreement to the extent that it violated the law.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed the day and year first above written.

EXHIBIT H
GUIDELINES FOR ACADEMIC ATTAINMENT COURSEWORK
MEMORANDUM OF UNDERSTANDING

1. Rationale

Coursework submitted for academic attainment must be within the teacher's current professional assignment, general area of instruction, or otherwise be of value to the district.

All applications must include a written rationale that explains how the course(s) or degree program is within the teacher's current professional assignment, general area of instruction, or otherwise of value to the district.

2. Requirements

Submission for academic attainment must be within the teacher's current professional assignment, general area of instruction, or otherwise be of value to the district and can be made in three ways:

- a. A graduate degree program; or
- b. A non-degree licensure/endorsement program or a focused grouping of classes; or
- c. A single course.

3. Standards

Courses submitted for academic attainment must meet the following minimum standards:

- a. A course must meet the standards as outlined in Article XIII, Section D. In addition the credits must be earned at an approved College or University as described below.
- b. College and University course credit will be composed of graduate courses, but credit for undergraduate work may be granted based on the rationale provided by the teacher.
- c. College and University Coursework: The coursework may be completed on campus or distance learning. The credits hereunder must be earned at institutions which are accredited by at least one of the bodies noted below:
 - i. Higher Learning Commission (HLC);
 - ii. National Council of Accreditation of Teacher Education;
 - iii. North Central Association of Schools and College;
 - iv. Middle States, Association of Colleges and School;
 - v. New England Association of Colleges and School;
 - vi. Northwest Association of School and College;
 - vii. Southern Association of Colleges and School;

- viii. WASC Senior College and University Commission; or
 - ix. Western Association of Schools and Colleges, Accrediting Commission for Community and Junior Colleges.
- d. Note: A course that meets the above requirements is subject to pre-approval.
- e. The teacher must earn a minimum grade of “B” if the course is to be applied toward Academic Attainment.
- i. Upon appeal, a grade of “C” may be accepted for credit by the Academic Attainment Committee.
 - ii. A pass/fail grade can only be credited toward a teacher’s advancement on the salary schedule if part of an approved degree program.
- f. Courses taken for Academic Attainment must meet the Carnegie unit requirement of 15/16 hours of instruction for each academic credit earned.
- g. Online course or degree programs must:
- i. Meet the standards of academic attainment that are applied to traditional course offerings;
 - ii. Be recognized on the approved university’s official transcript; and
 - iii. Be interactive through email, audio/video conferencing, and/or face-to-face interaction with the instructor and class members.
- h. Audio or video courses cannot be accepted for Academic Attainment.
- i. Graduate or undergraduate courses focused on supportive topics. Credits that relate to teaching, learning, and instruction are not considered supportive topics. Supportive topics are those that relate to a teacher’s personal growth. For example, a class for teachers on helping students manage their own stress and anxiety would not be considered supportive while a class on teachers managing their own stress and anxiety would be a supportive topic. Supportive topics are limited to six hours per lane change. Typically these classes are not part of a degree program.

In the event, a course is submitted and denied because it can be taught "in house" (e.g., a course titled "Using Google Forms" is denied because it can be taught internally by a trainer), the teacher can appeal to the Academic Attainment Committee to present any unique needs that might make a certain course necessary for a particular teacher.

Every year, a discussion will be held with GEA representatives, Educational Services, Human Resources, and Associate Principals to continue conversations pertaining to approved coursework under supportive topics.

- j. Credits that may be offered in conjunction with an approved professional leave may not be applied to advancement on the salary schedule unless the teacher bears the full cost of the professional development activity. Any professional leave activity approved by and paid for by the district is not eligible for Academic Attainment credit. Any credit offered through a professional leave activity which occurs during the regular school day, even if paid for separately by the teacher, is not eligible for Academic Attainment.

4. Reimbursement

Pre-approved credits will be reimbursed in the following manner:

- a. Maximum of 12 Credit Hours per year (September 1 through August 31).
- b. Maximum of \$250 per Credit Hour.
- c. Maximum of \$3,000 per school year (September 1 through August 31).
- d. All requests for tuition reimbursement must be submitted to the Human Resources department no later than September 15 for the prior year. For example, all reimbursement requests for courses taken between September 1, 2023 and August 31, 2024, must be submitted by September 15, 2024.
- e. Reimbursement applies only to licensed staff members employed after July 1, 2001.

5. Academic Attainment Committee

- a. The committee will be comprised of:
 - i. The most senior Human Resources administrator;
 - ii. The Associate Principals for Curriculum and Instruction; and
 - iii. A GEA representative from Glenbrook North and South appointed by the GEA President.
 - 1. If a Glenbrook Off Campus teacher requests an appeal, an Academic Attainment Committee member for Off Campus will be seated.
- b. In the event that a request for academic attainment is denied, a written rationale shall be provided to the teacher. The Academic Attainment Committee will provide an appeal option for teachers whose requests for Academic Attainment course approval have been denied. In the event of an appeal, the aforementioned rationale will be provided to the Academic Attainment Committee.
