Memorials

The Board will consider the acceptance of memorial scholarships in honor of persons who have special significance to the students, the district or the community. A room or item may be named for the person in whose honor the scholarship fund is created. A memorial plaque may be appropriately dedicated whenever a room or item is designated as a memorial in conjunction with a scholarship fund.

Offers of memorial scholarships will be submitted to the superintendent together with information concerning the purpose of the memorial and administration of the scholarship fund.

A building principal may receive items for his/her school as a memorial to a student or person having a special significance to the students of that school. Items received as memorials become the property of the district. Principals must have the superintendent's approval to accept any item that may require additional maintenance cost to the district. The superintendent may establish guidelines for the acceptance of such memorials.
