## **Special Education - Participation in Regular Education Programs**

The district ensures that students will be educated in the least restrictive environment. The district will ensure that to the maximum extent appropriate, students with disabilities, including students in public or private institutions or other care facilities, are educated with students who are not disabled.

Special classes, separate schooling or other removal of students with disabilities from the regular educational environment occurs only if the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. Students will be educated in the least restrictive environment.
