
MINUTES OF THE MILLVILLE SCHOOL DISTRICT BOARD MEETING

MONDAY, MARCH 13, 2023

The Millville Area School Board held their regular meeting on Monday, March 13, 2023 in the Millville Jr./Sr. High School Library beginning 7:04 pm.

ROLL CALL

The following Board members answered roll call: William Berger, Brynn Clark, Susan Farr (via phone call), Michael Farrell, Greg Hemsarh, Gena Maize, Heather Mausteller, Susan Myers, and Jessica Whitmoyer.

Also present were Joseph Rasmus, Whitney Holloway, Dee Davis, Edward Sanders, Bonnie Gregory (via ZOOM), Noah Adams, Matthew McWilliams, and Chelsea Rosenberger.

GUEST RECOGNITION AND COMMENTS

No guests signed in on the register or wished to speak.

SUPERINTENDENT'S REPORT

Curriculum and Instruction Updates

- Mr. Rasmus began his report with an overview for the board of the professional development undertaken on March 10, 2023. He shared that Joey Melvin from the Center for Safe Schools came to speak with all staff about the history of school attacks and best practices for schools based on this history when dealing with threat assessments. In order to also provide professional staff with a refresher/initial training on the ALICE safety protocols, the board had previously approved the acquisition of the Navigate360 platform, which was also utilized in this Act 80 Day.

Overview of Policy Updates

- Mr. Rasmus updated the board about the recent Policy Committee meeting held on Thursday, March 9, 2023. From that meeting, the Policy Committee had reviewed several policies for the board's consideration. Among the updated policies was Policy 707 Use of School Facilities that was reconsidered with local concerns and language. To assist in the update of this process, Mr. Rasmus shared that the district had acquired the program Master Library to facilitate building access, and it would also allow the district to have a usage calendar publicly accessible on the district website.
- Another policy that was updated per the Policy Committee's recommendations for consideration on the agenda was Policy 121 Field Trips. Some updates made were the definition of the types of trips taken as well as the clarification of the district's amount of contribution for budgetary concerns.
- A third policy that was updated was Policy 115 Career and Technical Education. For this policy, Mr. Rasmus explained the Committee updated language regarding non-district student admission into Millville Area School District CTE programs.
- In addition to the aforementioned policies, three other policies were updated as per requirements by the school's PCCD grant and findings from the audit. Those policies are Policy 805 Emergency Preparedness and Response; Policy 805.2 School Security Personnel; and Policy 236.1 Threat Assessment.

Comprehensive Planning

- Mr. Rasmus shared some updates on the Comprehensive Plan Steering Committee, having their first meeting on March 2, 2023. He encouraged members of the community to come and be part of the strategic plan meetings, with the next meeting being April 13, 2023. At the next meeting, the Committee will be working to identify and write the school district's mission and vision statement. Mr. Rasmus asked interested members of the Committee to reach out to Ms. Rosenberger for more information.

Millville Wrestlers

- Mr. Rasmus wanted to congratulate Millville wrestlers Andrew Wolfe and Evan Brokenshire for their achievements as part of the Benton-Millville-Northwest wrestling team, advancing all the way to the State level for wrestling. Mrs. Bonnie Gregory added to this by sharing that Andrew Wolfe was 17th in the state, a great personal accomplishment in the sport.

Change in Electronic Communication – Public Access to Meetings

- Mr. Rasmus shared that the board met in an Executive Session on March 4, 2023 with the district solicitor for a board retreat training session. From that meeting, the board decided to forego the ZOOM meeting option for public view, starting with the next meeting on Monday, March 27, 2023. Mr. Rasmus encouraged the public to attend board meetings in person in the future.

Technology Report – Review of MFA

- Mr. Rasmus turned over the discussion to Mr. Noah Adams, Interim Director of Technology, to review Multi-factor Authentication. Mr. Adams explained to the board and public that previously, the board had asked him to look into some options for Multi-factor Authentication. From his research, Mr. Adams shared a review of both Cisco DUO and Google Multi-Factor Authentication (MFA). He opened by explaining that both options satisfy the current requirements by the district's insurance company, adding that the insurance company would prefer to have the MFA on all external applications but would be absolutely needed on any application housing student data.
- From there, Mr. Adams explained the pros and cons of using Google Authenticator. Some of the pros were that it is free for use, it works with all of the district's current online applications, and it satisfies current insurance requirements. However, Mr. Adams shared that the cons of using Google are that it is not compatible with local authentication; there would not be a centralized management system for authentication of devices and therefore, the district would not have the ability to reset or remove any users from access; authentication settings can be transferred to a new phone, but only if the old device is accessible and working; it may not be sufficient moving forward with additional requirements of a new insurance carrier; and it has not had regular software updates.
- Then, Mr. Adams reviewed the pros and cons of utilizing Cisco DUO. Some of the pros were that it is actively developed to support new applications and patch security issues; it offers VPN-less remote access (currently being utilized by administration and secretaries with multiple district computers); it has a centralized management console for user management and de-authoring lost devices; it covers more than what is currently required by insurance; and can "geofence" connections to not require MFA on-campus. Mr. Adams shared that the major con of choosing Cisco Duo would be the price at \$13.60 a user per year. However, he did add that this pricing is cheaper than commercial pricing.
- In review, Mr. Adams explained that even if the district chose to move forward with Google, there would still need to be some aspect of Cisco DUO acquired for administrative users for VPN remote access. He concluded by showing the board a visual of the central management system for Cisco DUO.
 - Mrs. Clark thanked Noah for his presentation and asked what the district would do if the employee does not want to allow use of this application on their phone. Mr. Adams

answered that tokens would have to be made available, but they are expensive at \$28 a piece.

- Mrs. Clark then asked if the technology department would have the ability to lock or wipe a computer remotely if it is locked or stolen. Mr. Adams answered that yes, the district currently has the ability to do that for district devices, but not for personal devices. He added that the remote console proposed does not give the district the ability to change anything on the phone except for remove the Multi-Factor Authentication.
- Mrs. Clark also asked if staff members have their email on their phones, would DUO cover the concerns by the insurance company in that aspect. Mr. Adams answered that it would cover multiple devices, including their phones.
- Mrs. Clark then asked how the district would cover the cost of the tokens, especially if one is offered and lost by the employee. She questioned if the employee would have to reimburse the district from that point on. Mr. Rasmus answered that the district would need to garner advice from the solicitor, as the use of tokens could become costly. Mr. Adams added that the suggestion of reimbursement after the loss by the employee of the first token was how other districts were handling this issue.
- Mr. Rasmus then asked of Mr. Adams where the money to cover this cost would come from, in the technology budget or otherwise. Mr. Adams confirmed that it would come from technology.
- Mrs. Mausteller then asked clarification on the terms of the agreement being for the calendar year or the fiscal year. Mr. Adams explained that the terms were for a fiscal year but that the board would be approving the acquisition as pro-rated to cover the purchase until the change of the fiscal year in July.

BUSINESS MANAGER'S REPORT

- Mrs. Holloway had previously submitted her report for the board's consideration and no further questions were asked.

BOARD MINUTES

March 13, 2023 Board Meeting Minutes

A motion by Greg Hemsarh and seconded by William Berger that the Millville Area School Board consider and approve the March 13, 2023 Board Meeting Minutes.

The motion carried by voice vote. 9 Yea; 0 Nay; 0 Absent

EXPENDITURES

A motion by Heather Mausteller and seconded by Greg Hemsarh that the Millville Area School Board consider and approve general expenditures in the amount of \$200,972.39, athletic expenditures in the amount of \$75.00 and cafeteria expenditures in the amount \$16,755.69.

The motion carried by roll call vote. 9 Yes; 0 No; 0 Absent

OLD BUSINESS

Untable the Motion to Approve the 2023-2024 District Calendar

A motion by Brynn Clark and seconded by William Berger that the Millville Area School Board consider and approve untabling the motion to approve the 2023-2024 Millville Area School District Calendar.

The motion carried by roll call vote. 9 Yes; 0 No; 0 Absent

2023-2024 MASD School Calendar

A motion by William Berger and seconded by Brynn Clark that the Millville Area School Board consider and approve the 2023-2024 Millville Area School District Calendar.

- Mr. Rasmus opened the discussion on this item by explaining some background and steps taken since the last meeting when the calendar was proposed. At the previous meeting, some concerns were about having professional staff come in during the summer months for professional development to lessen the amount of Act 80 days on the calendar. Mr. Rasmus shared the results of a survey taken of the professional staff wherein 18 teachers indicated they would not be able to come in during the summer for professional development and 15 indicated they would come in during the summer. When asked about the month they would be available, the teachers had varied answers, with no consensus. Either way, Mr. Rasmus explained that if all teachers would come in for the professional development, the cost to the district would be \$184,000 in salaries alone.
- Going further, Mr. Rasmus shared some concerns gleaned from community members. Some were concerned about the amount of student days versus Act 80 days in the calendar. Others proposed making fair week a week of Act 80 days. To this idea, Mr. Rasmus shared that the absenteeism is a problem for that week for both staff and students. This idea would be helpful for students in terms of attendance but not for staff participation. In addition, Mr. Rasmus said that there are two PBIS reward days that could be changed to instructional days for students if that is a concern.
- Mrs. Clark then asked about how teachers make up mandated trainings when they are out of the district for the day. Mr. Rasmus answered that this question would have to be taken to the solicitor because there is no language about this currently in the Collective Bargaining Agreement. This is definitely a concern because at the most recent Act 80 day where the district provided mandatory training, 8 teachers were out. In clarification, Mrs. Clark asked if the teachers would have to make that training up in the future. Mr. Rasmus answered that they would have to consider it and potentially get them coverage to complete the training. Mrs. Myers then added that this concern would need to be considered in negotiations for the next teacher contract. Mrs. Davis then added that she and Mrs. Longacre were at a recent training where she learned of some cases wherein school districts had presented training to teachers and some teachers missed it. In those cases, the districts were not held responsible for teachers missing the necessary training to handle the situations appropriately, instead the teachers themselves were held responsible. Mr. Rasmus added to this discussion that the district has been putting all Act 80 day training into the Comply system, and therefore, we can run a report of who attended and who did not for each day.
- Mr. Hemsarth then asked about trainings being required per board policy if the district could reconsider some of these policies that are outdated and would no longer require some of these mandated trainings. Mrs. Davis answered that when reviewing some policies with Ms. Rosenberger to be updated, the changes being made were minor verbiage changes and not removing any required trainings. In most cases, the updates are actually adding more required trainings.
- Mr. Hemsarth then asked Mr. Rasmus to explain to the public some of the current standards and updates to required trainings. Mr. Rasmus explained that there has been some feedback from the community as to why Millville seems to have more Act 80 days in the calendar than other schools. When reconsidering the days, he learned that Millville is a Phase 1 school district. The state breaks up the schools into 3 groups and names the phases 1, 2 and 3. Recently, changes have been brought in public school code that require more training and are embedded into the Comprehensive Planning project. Being that Millville is a Phase 1 school, we have 3 years to roll out these new standards such as Structured Literacy. Mr. Rasmus further explained that the Pennsylvania Department of Education is concerned about the learning gaps for students from the pandemic. Millville's Comprehensive plan is due in October 2023, and the district falls in the new Comprehensive plan standards. Some neighboring schools, like Central, have already been

employing some of this professional development, such as Structured Literacy. This new requirement does not only affect teachers who regularly teach ELA, but also anyone with an ELA certification. In comparison, Mr. Rasmus explained that Central started doing the LETRS program previously, so it would not be new to them when their "phase" is up for review. Currently the amount of days needed to do the LETRS training is 8 school days. The CSIU is working to potentially condense the amount of days, but there are a variety of other trainings needed as well that the teachers have asked for in a climate survey done by the district.

- In closing, Mr. Rasmus added that there has been some discussion on front-loading some of the Act 80 days at the beginning of the school year to cut back on student disruption during the year. In clarification, Mrs. Clark asked if some of the required trainings could be done at the beginning of the school year back to back. Mr. Rasmus added that if the board would like to consider this, he would ask that the students do not return until after the proposed larger group of Act 80 days.
- Mrs. Clark then asked if the board could consider giving one day back to the students and switch one of the Act 80 days to a student day. Mrs. Myers then added a suggestion that the board approve the calendar for now and reconsider some days later in the year if not needed. Mrs. Clark then added a suggestion of moving a group of Act 80 days to August. Mr. Rasmus answered that he would need to consult the solicitor about this and the professional staff contract for clarity.

After the aforementioned discussion, a motion by Gena Maize and seconded by Brynn Clark was made to postpone the motion to consider and approve the 2023-2024 Millville Area School District Calendar.

- The motion to postpone carried by voice vote. 9 Yes; 0 No; 0 Absent

NEW BUSINESS

Revised 2022-2023 District Calendar

A motion by Greg Hemsarh and seconded by Brynn Clark that the Millville Area School Board consider and approve the following revision to the 2022-23 District Calendar: April 5, 2023 will now become a student day for all students instead of the formerly designated High School Act 80 day. April 6, 2023, which was formerly denoted as a snow makeup day, will now become a High School Act 80 day for faculty, staff, and students as a result of school cancellation on March 7, 2023.

The motion carried by roll call vote. 9 Yes; 0 No; 0 Absent

First Reading MASD Board Policy 115 Career and Technical Education (CTE)

A motion by Greg Hemsarh and seconded by Jessica Whitmoyer that the Millville Area School Board consider and approve the first reading of revised MASD Board Policy 115: Career and Technical Education (CTE).

The motion carried by roll call vote. 9 Yes; 0 No; 0 Absent

First Reading MASD Board Policy 707: Use of School Facilities

A motion by William Berger and seconded by Jessica Whitmoyer that the Millville Area School Board consider and approve the first reading of revised MASD board policy 707 Use of School Facilities.

- Mrs. Farr asked for clarity on the groupings listed in the policy and where groups like Boy Scouts would fall in those groupings. Mr. Rasmus answered that the groupings are found on the Administrative Regulation related to Policy 707 and that was still being considered since it would not have to be approved by the board.
- Mrs. Mausteller then asked about the part of the policy mentioning that requests for usage would need to be submitted 14 days prior to the first usage date, asking that this timeline would be upheld and not allow for last minute requests moving forward. Mr. Rasmus clarified that this topic was discussed by the Policy Committee and the 14 days would allow for the time to have the paperwork processed. In the future, when the district is using Master Library, there will be

presets in the system not allowing requesters to submit requests less than the 14 day stipulation. Mr. Rasmus clarified that the district will work with requesters to the greatest extent possible.

Mr. Hemsarth added that there were some caveats on the discussion during months where there is only one board meeting. There may have to be some leniency at those times.

The motion carried by roll call vote. 9 Yes; 0 No; 0 Absent

First Reading MASD Board Policy 121: Field Trips

A motion by Greg Hemsarth and seconded by Jessica Whitmoyer that the Millville Area School Board consider and approve the first reading of revised MASD Board Policy: 121 Field Trips.

The motion carried by roll call vote. 9 Yes; 0 No; 0 Absent

First and Final Reading of MASD Board Policy 805 - Emergency Preparedness and Response.

A motion by William Berger and seconded by Brynn Clark that the Millville Area School Board consider and approve suspending MASD board policy 009 Formulation of Policies in order to approve the first and final reading of proposed MASD Board Policy 805 - Emergency Preparedness and Response.

The motion carried by roll call vote. 9 Yes; 0 No; 0 Absent

Combined Motion:

A motion by Heather Mausteller and seconded by Jessica Whitmoyer that the Millville Area School Board consider and approve the combined recommended action as follows:

- First and Final Reading of MASD Board Policy 805.2 - School Security Personnel
A motion is needed to consider and approve suspending MASD board policy 009 Formulation of Policies in order to approve the first and final reading of proposed MASD Board Policy 805.2 - School Security Personnel.
- First and Final Reading of MASD Board Policy Policy 236.1 - Threat Assessment
A motion is needed to consider and approve suspending MASD board policy 009 Formulation of Policies in order to approve the first and final reading of proposed MASD Board Policy 236.1 - Threat Assessment.

Mrs. Farr raised the concern that board policy 805.2 used specific language to reference Hemlock Township. She believed it should be more general so that the policy would not need to be updated in the case that the relationship with the law enforcement agency changed. In response, Mr. Rasmus recommended that the Board consider approving the policy with the amendment made to the wording in the policy from "Hemlock Township" to "Local Law Enforcement." Both of the board members making the motion were amenable to the change.

After the brief discussion, the combined motions carried by roll call vote. 9 Yes; 0 No; 0 Absent

AHERA (Asbestos) Compliance Program Proposal

A motion by Heather Mausteller and seconded by Brynn Clark that the Millville Area School Board consider and approve the proposal from JMSI Environmental Corp to provide a 3 Year AHERA (asbestos) compliance program to Millville Area School District, including a Reinspection and Management Plan and a required two hour asbestos awareness training program for all custodial and maintenance personnel in each of the next 3 years of the contract (22-23 school year, 23-24 school year, and 24-25 school year) at a total cost of \$1,500.

- Mrs. Myers asked if the district, to our knowledge, had Asbestos currently. Mr. Matthew McWilliams answered that he was not aware of any, but the district could be held liable if an auditor did not find this documentation in our records.
- Mr. Berger then asked if the district would have to continue paying for all three years if no Asbestos was found. Mr. McWilliams was not sure of the answer but would look into it.

After the brief discussion, the motion carried by roll call vote. 9 Yes; 0 No; 0 Absent

Right-to-Know Chemical Compliance Program Proposal

A motion by William Berger and seconded by Jessica Whitmoyer that the Millville Area School Board consider and approve the proposal from JMSI Environmental Corp to provide a 3 Year Right to Know compliance program in accordance with PA Law 1984-159 Worker and Community Right-to-Know Act to Millville Area School District, for inventorying, inspecting, and reporting of all hazardous chemicals over three years (22-23 school year, 23-24 school year, and 24-25 school year) as well as a training session for all employees exposed to chemical materials as part of their daily duties at a total cost of \$2,680.

The motion carried by roll call vote. 7 Yes; 2 No (W. Berger and S. Myers); 0 Absent

- After the motion carried, Mr. Berger commented that the wording on the attached proposal stated that the cost associated was an annual fee rather than a total for three years as written in the approved motion. Because of this discrepancy, a motion to rescind was put forth.

Rescind Approval for Right-to-Know Chemical Compliance Program Proposal

A motion by Greg Hemsarh and seconded by Jessica Whitmoyer that the Millville Area School Board rescind approval for the proposal from JMSI Environmental Corp to provide a 3 Year Right to Know compliance program in accordance with PA Law 1984-159 Worker and Community Right-to-Know Act to Millville Area School District, for inventorying, inspecting, and reporting of all hazardous chemicals over three years (22-23 school year, 23-24 school year, and 24-25 school year) as well as a training session for all employees exposed to chemical materials as part of their daily duties at a total cost of \$2,680.

The motion to rescind the previous action carried by voice vote. 9 Yea; 0 Nay; 0 Absent

Mark Ludwig Soccer Academy Facility Usage

A motion by William Berger and seconded by Gena Maize that the Millville Area School Board consider and approve allowing soccer field use for the Mark Ludwig Soccer Academy to hold soccer camp from July 3-8, 2023, using the front and back soccer fields from 8:30 a.m. - 12:30 p.m. and 5:00 - 8:00 p.m., at the scheduled usage fee consistent with Administrative Regulation 707 AR-3 District Facilities Fee Schedule. Ludwig will provide a portable toilet facility.

- Mrs. Mausteller asked what classification this group would fall under as well if the fee charged would be per day of use or a one-time fee for the entirety of the usage. Mr. Rasmus answered that the specific groupings under Administrative Regulation 707 AR-3 were still being considered and updated.
- Mrs. Mausteller asked if the district would have to pay to have the fields lined and if the fee would include all personnel fees because the cost could be greater than the charge listed. Mr. Rasmus answered that the Administrative Regulation would be more specific to answer these questions but that it does already mention that additional personnel fees may apply.

After the discussion, the motion carried by roll call vote. 9 Yes; 0 No; 0 Absent

Repurchase Time Deposit #xx617

A motion by Susan Farr and seconded by William Berger that the Millville Area School Board consider and approve Millville Area School District's repurchase of time deposit #xx617 at the rate of 4.00% for 6 months, with First Columbia Bank and Trust, up from previous rate of 1.00%.

The motion carried by roll call vote. 9 Yes; 0 No; 0 Absent

Millville Little League Facility Use

A motion by Brynn Clark and seconded by Gena Maize that the Millville Area School Board consider and approve permission for Millville Little League to use the Elementary School Cafeteria for practices during preseason when weather precludes them from outdoor practice from March 6-31, 2023 and April

3-7, 2023 from 5:00 - 8:00 pm on Mondays, Wednesdays, and Thursdays, from 5:00 - 7:00 pm on Tuesdays, and from 5:00 - 6:00 pm on Fridays.

- Mrs. Whitmoyer asked that if when Little League needs to use the Baseball field and soccer field in the near future, would they need to submit for the whole season. Mr. Rasmus answered that this topic was discussed and asked Millville Athletics to submit usage requests for the season.
- To this, Mrs. Whitmoyer asked what Little League representatives should do when dates have to be changed due to cancellations or rescheduling. She asked if those changes would need to happen 14 days in advance. Mr. Rasmus responded that it would be helpful if done in advance but if the usage is approved, there would just need to be a conversation with administration about the change.
- Then, Mr. Hemsarh asked that if the usage request was for outside field facilities, would there need to be a custodian or district employee on duty. Mr. Rasmus answered that there would need to be someone, even for outside use.

After the discussion, the motion carried by roll call vote. 9 Yes; 0 No; 0 Absent

The Women's Center MOU

A motion by Brynn Clark and seconded by William Berger that the Millville Area School Board approve the Memorandum of Understanding with The Women's Center, Inc. of Columbia/Montour for collaboration on the initiatives as outlined in the agreement.

The motion carried by roll call vote. 9 Yes; 0 No; 0 Absent

Secondary Curricular Excursions

A motion by Brynn Clark and seconded by Gena Maize that the Millville Area School Board consider and approve a trip to the Rube Goldberg Competition on Saturday, April 1, 2023 and a trip to the Spring Career Development Event Contests on April 12, 2023 at the Montour Preserve.

The motion carried by roll call vote. 9 Yes; 0 No; 0 Absent

Multi-Factor Authentication Software

A motion by Heather Mausteller and seconded by Brynn Clark that the Millville Area School Board consider and approve the acquisition and implementation of Cisco DUO software to be utilized for multi-factor authentication for the remainder of the 2022-2023 school year at a price of \$13.60/user/year and then ongoing in subsequent school years.

The motion carried by roll call vote. 7 Yes; 2 No (B. Clark and G. Hemsarh); 0 Absent

Elementary Field Trips

A motion by Greg Hemsarh and seconded by Gena Maize that the Millville Area School Board consider and approve the following Elementary Field Trips: Kindergarten to Reptiland on May 5, 2023; 1st Grade to Folks Butterfly Farm, date to be determined upon approval; 2nd Grade to Pioneer Coal Mine and Tunnel and the Red Deer Farm, date to be determined upon approval; 3rd Grade to Lewisburg Recreational Park in May 2023; 4th Grade to Camp Victory on May 23, 2023 with a rain date of May 24, 2023, and 6th Grade to Knoebels Amusement Resort on May 18, 2023 with a rain date of May 19, 2023.

- Mr. Rasmus opened a discussion by giving clarification on the costs for transportation, which were not included in the paperwork submitted for the consideration of the Board. Mrs. Holloway worked to go through last year's records and current cost to present estimates for the Elementary trips being presented. Mrs. Holloway added that there were some discrepancies in the numbers when compared with last year's numbers.
- Mrs. Whitmoyer asked if these calculations included the Millville Elementary PTO contributions. Mrs. Holloway answered that it did not include the PTO contributions, adding that another variable to this is the amount of registration per attendee. Mr. Hemsarh added that the Policy

Committee made changes to this policy for these concerns and was okay moving forward with this approval in the time being.

The motion carried by roll call vote. 9 Yes; 0 No; 0 Absent

PERSONNEL

Elementary Attendance Secretary/Paraprofessional

A motion by Susan Myers and seconded by Gena Maize that the Millville Area School Board approve Majesta Sellers, as the Elementary Attendance Secretary/Paraprofessional at the hourly rate of \$14.50, clearances on file. The motion carried by roll call vote. 9 Yes; 0 No; 0 Absent

CSIU Guest Teacher Substitute

A motion by Brynn Clark and seconded by Greg Hemsarh that the Millville Area School Board consider and approve MOLLY ASHFORD, as a CSIU Guest Teacher Substitute. Clearances on file. The motion carried by roll call vote. 8 Yes; 0 No; 1 Absent

Resignation - Cooney

A motion by Brynn Clark and seconded by Heather Mausteller that the Millville Area School Board consider and approve acceptance of the resignation notice, with regret, from MAGGIE COONEY, as Special Education Teacher, effective March 9, 2023, with the last day of March 31, 2023. The motion carried by roll call vote. 8 Yes; 0 No; 1 Absent

Jr. High Boys Soccer Volunteer Assistants

A motion by Susan Myers and seconded by Jessica Whitmoyer that the Millville Area School Board approve CONNER MUSSER and TOMMY KRAINTZ as Jr. High Boys Soccer Volunteer Assistants, clearances on file. The motion carried by roll call vote. 8 Yes; 0 No; 1 Absent

Baseball Volunteer Assistant Coach

A motion by Susan Myers and seconded by Brynn Clark that the Millville Area School Board approve HUNTER WEAVER as a Baseball Volunteer Assistant Coach, pending receipt of all clearances. The motion carried by roll call vote. 8 Yes; 0 No; 1 Absent

FMLA

A motion by Greg Hemsarh and seconded by Brynn Clark that the Millville Area School Board consider and approve intermittent FMLA for employee #162 beginning March 14, 2023 for approximately 2 weeks returning on or about March 28, 2023. The motion carried by roll call vote. 8 Yes; 0 No; 1 Absent

Bloomsburg University Nursing Student Practicum Placement

A motion by Susan Myers and seconded by Greg Hemsarh that the Millville Area School Board consider and approve Bloomsburg University Nursing Student Practicum Placement of BRIANNA VANLUVANEE with co-op School Nurse MEGAN SCERBO, beginning March 22, 2023. The motion carried by roll call vote. 8 Yes; 0 No; 1 Absent

ADJOURNMENT:

A motion by Heather Mausteller and seconded by Greg Hemsarh to adjourn the meeting. The meeting adjourned at 9:08 p.m.

Chelsea Rosenberger
Assistant Board Secretary
