District Processes & Programs

District Processes & Programs Summary

Lone Oak ISD Teachers have great autonomy within the structure of the curriculum to meet student educational needs. The core administrative team consist of a superintendent, assistant superintendent, director of business operations, three campus principals, alternative education campus director and director of technology. Human Resources is handled by the superintendent's administrative assistant. The administrative team works diligently to provide teachers with the necessary resources to increase students academic success.

District Processes & Programs Strengths

The district has continually makes the effort to become more competitive in regards to teacher salaries. In an effort to retain teachers, the district offers returning teachers a \$1500 retention stipend. The district increased teaching stipends for Math, Science and Foreign Language to attract talent in these areas. The district created core subject lead teacher positions at the elementary level with associated stipends.

The district is increasing school security by investing in visitor check in system, cameras, fencing and door access.

The district is improving climate of the buildings through its work with "Ideal Impact".

The district is improving facilities with installation of new LED lighting throughout the district classrooms.

Problem Statements Identifying District Processes & Programs Needs

Problem Statement 1: The district needs to continue to offer more opportunities for personalized professional development.

Problem Statement 2: The district needs to continue to offer professional development targeted toward improving success of the academically fragile and economically disadvantaged student.

Problem Statement 3: The district needs to continue improvements in teacher pay/insurance contributions.

Problem Statement 4: The district must continue to improve efforts to recruit quality teachers to the district.

Problem Statement 5: The district must reduce the turnover rate of its teaching staff.

Perceptions

Perceptions Summary

Lone Oak ISD is committed to a feeling of "family" and this intangible quality is encouraged and exemplified on every campus. We actively work toward that goal in three areas: Student/Teacher; Families/School; Staff/Staff. The culture of Lone Oak ISD is carefully studied and monitored, and new employees are carefully vetted to make sure they have the same commitment to our family philosophy as the existing employees. Many programs, services, and common courtesies are extended to make sure that walking into a campus feels as if one is "home".

Perceptions Strengths

The Lone Oak ISD administrators, counselors, faculty and staff work with our families and community to remove educational barriers. All students including homeless students and foster students are carefully monitored by all, and many opportunities are available for additional tutoring and services to assist in keeping these at-risk students in the classroom, ready to learn! Family activities are planned on each campus, with several district-wide offerings as well. Lone Oak ISD schedules many events for family and community involvement - including the Fall Festival, Student Showcase, Senior Citizen Lunches and breakfast, Muffins with Mom, and Donuts with Dad and similar events.

The district has formed a facilities steering committee to help the district plan for current facilities needs and future growth.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: The district needs to continue to improve parental support at the middle/high school levels.

Problem Statement 2: The district needs to continue improving opportunities for character development across all campuses.

Problem Statement 3: The district needs to continue growing its STEM and CTE opportunities for students.

Problem Statement 4: The district needs to continue to improve safety and security across the district.
