- Under *Enforcement Action History* the only actions that get assessed points are listed on Table 5.
- If a DWI charge gets dropped in court, the ALR Suspension could still be listed in the *Enforcement Action History* if the license still went through a suspension period due to an alcohol related offense.
- Always assess points using the begin dates, offense dates & accident dates.
- 10 points only get assessed for a conviction of Driving While License Invalid that shows up in the *Event History*. No points get assessed for the Dept. Suspension-DWLI in the *Enforcement Action History*.
- Call or email my office, not the driver license offices, for questions regarding points on a school bus drivers record.
