Good evening Leopard Families,

This is superintendent Michele Shaffer.

Can you believe it's back-to-school time already? We are excited to kick off another school year, and also celebrate the 75th year of becoming the Louisville Leopards. We know it's going to be an incredible new adventure.

I just wanted to remind you that our PreK-8 Meet the Teacher nights begin this week. We design these evenings to help make the first day of school less stressful. This week, our high school students are also able to come into the office to pick up their schedules and purchase parking passes. More information about these events, along with all back-to-school information, can be found at the Back-to-School Hub on our website.

However, if you are missing any specific information pertaining to your child, please call your child's school office or our transportation department during normal school hours. They will be able to answer your questions.

As you drive by our high school and middle school, you'll see our band and fall-sports athletes working hard to kick off their season. We encourage everyone in the community to come out and support our student-athletes and extracurricular activities. Schedules, ticket information, and athletic-pass information can be found on our athletic website at leopardathletics.org.

We are excited to kick off another school year and can't wait to see everyone at our back-to-school events! Enjoy the last week of summer!

Go Leopards,

Michele Shaffer
