CSDA Happenings

Grade 4: The Fourth grade math unit in measurement will culminate with a paper airplane building and launch contest. We will measure flight with standard and metric lengths. Students are wrapping up their Shark Tank presentations.

Grade 5: Next week is our last week as fifth graders! We will have some fun with Field Day and Passions Day. Have a great summer!

Grade 6: 6th graders have reached the final week of elementary school! They will be wrapping up the year with many special events and presentations to celebrate their growth and learning. Remember, no school for 6th graders on Friday.

CSDA Special: For the last two weeks of the school year, CSDA fourth and fifth grade artists are drawing and painting summer pictures such as sand castles, lighthouses, and beaches. Sixth graders are drawing graffiti art.

Have a wonderful weekend,
Mrs. Bouley

RMMS Happenings

Pre-K: Preschoolers will celebrate their last two days of school next week by finishing up their ocean studies and having a family picnic on Monday.

Grade K: Kindergarteners are thrilled to go to The Friendly Farm on a field trip! This accompanies their "Animal Secrets" unit in science.

Grade 1: First graders will celebrate the last week of school with several themed days. Monday is Pajama Day, Tuesday is Bubble Day, Wednesday is Sports Day, and Thursday is Beach Day. Let the fun begin!

Grade 2: Second graders will be wrapping up their year with some fun activities! They will reflect upon the things that they learned and enjoyed about second grade.

Grade 3: Third graders are excited for our end of the year concert and activities we have prepared for the last week of school! They are sad to say goodbye to RMMS but so excited for CSDA!

RMMS Special: This week students had the opportunity to revisit some of their favorite activities and materials during this "free choice" week. Lego builds, as always, being the overall favorite.

Have a wonderful weekend.
Mr. Molinari

COVID GUIDELINES:

Q: What are the latest guidelines for students with a COVID-19 positive household member?

A: **Get tested immediately if the student shows symptoms. Isolate immediately if you have a positive test. Retest on Day 6 if no symptoms and wear a mask. Follow these guidelines:** <https://www.cdc.gov/coronavirus/2019-ncov/your-health/if-you-were-exposed.html>

Contact the school nurse for a masking plan for the student.

Q: What symptoms should I look for?

A: People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness including:

Muscle or body aches, Fatigue, Headache, Sore throat, Fever or chills, Congestion or runny nose, Cough, Shortness of breath or difficulty breathing, New loss of taste or smell, Nausea or vomiting, Diarrhea

Q: How long is isolation for a person who tests positive for COVID?

A: **Contact the school nurse to share the date of onset of symptoms and the positive test date.**

Day Zero is calculated with this information. **Isolate for 5 full days. Wear a mask through day 10.** The CDC now has an online calculator to establish an isolation and masking plan. See the link for instructions: <https://www.cdc.gov/coronavirus/2019-ncov/your-health/isolation.html>

RMMS Food Pantry Project

June is the last month that the RMMS Food Pantry Project will be collecting items for the 2022 - 2023 school year.

Our goal is to help the **Brookline Food Pantry** stock their shelves for the busy summer months.

To encourage some fun and “friendly competition” across RMMS, the class at each grade-level (K-3) that collects the most items **between May 30th - June 13th** will enjoy a bonus recess with Mr. Molinari and Mrs. Winters during the last week of school.

Thank you to our generous Brookline families for the continued support of our food pantry project!!

Please Note:

Smaller packaging is needed for all items as many items go to 1 and 2 person households.
