Trigg County Schools
202 Main St.
Cadiz, KY 42211

Dear Parent or Guardian:

The educators in the Trigg County School district are committed to providing a quality instructional program for your child. This letter is just one of the ways of keeping you informed of the educational commitment of our schools and our district.

Our district receives federal funds for Title I, Part A and Title II, Part A programs as a part of the Every Student Succeeds Act (ESSA). Under ESSA, you have the right to request information regarding the professional qualifications of your child's teacher(s). If you request this information, the district will provide you with the following:

1. Whether the teacher has met the state requirements for licensure and certification for the grade levels and subject matters in which the teacher provides instruction;
2. Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
3. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
4. Whether your child is provided services by Para educators, and if so, their qualifications.

If you would like to request this information, please contact James Mangels, Trigg County Schools Director of Personnel by phone at (270-522-6075) or by email at james.mangels@trigg.kyschools.us. Please include your child's name, the name of the school your child attends, the names of your child's teacher(s) and an address or email address where the information may be sent. Thank you for your interest and involvement in your child's education.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Boehman", written over a horizontal line.

Director of Curriculum and Instruction
