

Dear Parents and Guardians,

We at Epicurean Group are delighted to be a part of your expanding community. As we gear up for an exciting academic journey, we wanted to share some delightful updates about the food operations and the enhanced dining experience we have in store for your students.

Cardinal Newman High School will be moving to a brand new cafe with a state-of-the-art kitchen, designed to elevate the culinary experience. Our team has carefully crafted new food stations that are sure to excite and satisfy even the most discerning palates.

Imagine your student stepping up to the Espresso Bar, where our skilled baristas will artfully prepare a range of specialty coffee beverages. From rich and velvety lattes to refreshing iced coffees, each sip will be a moment of caffeinated bliss.

In addition, we are thrilled to introduce the Salad Bar, a vibrant oasis of freshness. Students will have the opportunity to create their own salads using a bounty of fresh, locally sourced ingredients. From crisp greens to an array of colorful toppings and dressings, they can customize their salads to suit their unique tastes and dietary preferences.

We understand the importance of providing diverse and nutritious options for your students. Rest assured, while we introduce these new food stations, we will continue to offer all the beloved menu items that your students have come to enjoy. The commitment to providing fresh, honest, and locally sourced meals remains at the heart of our culinary philosophy.
