

FROM THE DESK OF

— *Norm DeTullio* —

Dear Class of 1999...

If you are receiving this, then you were one of my students in Senior English/Writing and Comp class in Room 206 in 1999.

If you recall, I tasked you with writing a letter to your future self, which you did. My intention was to mail that letter to you in four years as you became college graduates. Unfortunately, four years came and went! However, they've recently been uncovered at St. Joes and I am happy to share them with you now. Please accept my sincere apologies.

Fondest Regards,
Mr. DeTullio
