

Hello Families,

First, Welcome to the 2023-2024 school year! Centennial Academy's Gifted And Talented Education, GATE, Contact is Najula Jackson. The best way to reach me is by the email listed at the end of this letter.

Centennial Academy has created a Gifted Service Plan where all students who have been identified as gifted in accordance with the GDOE's multiple criteria process are pulled out once a week for a full day to receive their gifted services. This model is referred to as the resource model. The gifted program is designed to meet the very specific needs of these students and extend competencies in the areas of cognitive skills, learning skills, research and reference skills, communication skills, and metacognitive skills beyond the experience of the regular classroom.
