

SHADY SIDE ACADEMY PARENT COMMUNICATIONS GUIDE

GENERAL

- **Parent communication at SSA is primarily sent via email.**
- It is critical that SSA has up-to-date parent email addresses in our Veracross database, which feeds all other SSA systems (website, email, S-Book directory, School Messenger, Canvas, VC Pay etc.)
- Household profile information can be updated anytime through the Veracross Parent Portal.

NEWSLETTER & EMAIL

- **Bulldog Bulletin Parents' Newsletter** – Our primary parent communications tool. Emailed every Wednesday when school is in session. Alternates between school-specific reminders issues and all-academy good news issues. Issues are [archived online here](#) and you can [suggest a newsletter item online here](#).
- **School & Academy Emails** – School and academy offices send periodic emails to parents about things like events, summer & after-school programs, health & safety, report cards, etc.
- **Teacher/Coach Emails** – PK-5 parents receive a weekly Friday email update from their child's homeroom teacher and occasional emails from homeroom parents. Middle and Senior School parents receive periodic updates from their child's advisor, and when sports are in season, a weekly email from a coach. Teachers will email parents directly about individual students when needed.

WEBSITE & PORTAL

- **Parents Section of the Website** – A centralized hub of helpful information and resources for current parents. Visit www.shadysideacademy.org/parents or click "Parents" at the top right of any page.

- Parents receive School Messenger alerts by default to contact info in Veracross, with no sign-up required. For more information, visit the [Parents > Weather & Emergency Notifications](#) web page.
