

SOBRATO HIGH SCHOOL

DROP-OFF & PICK-UP

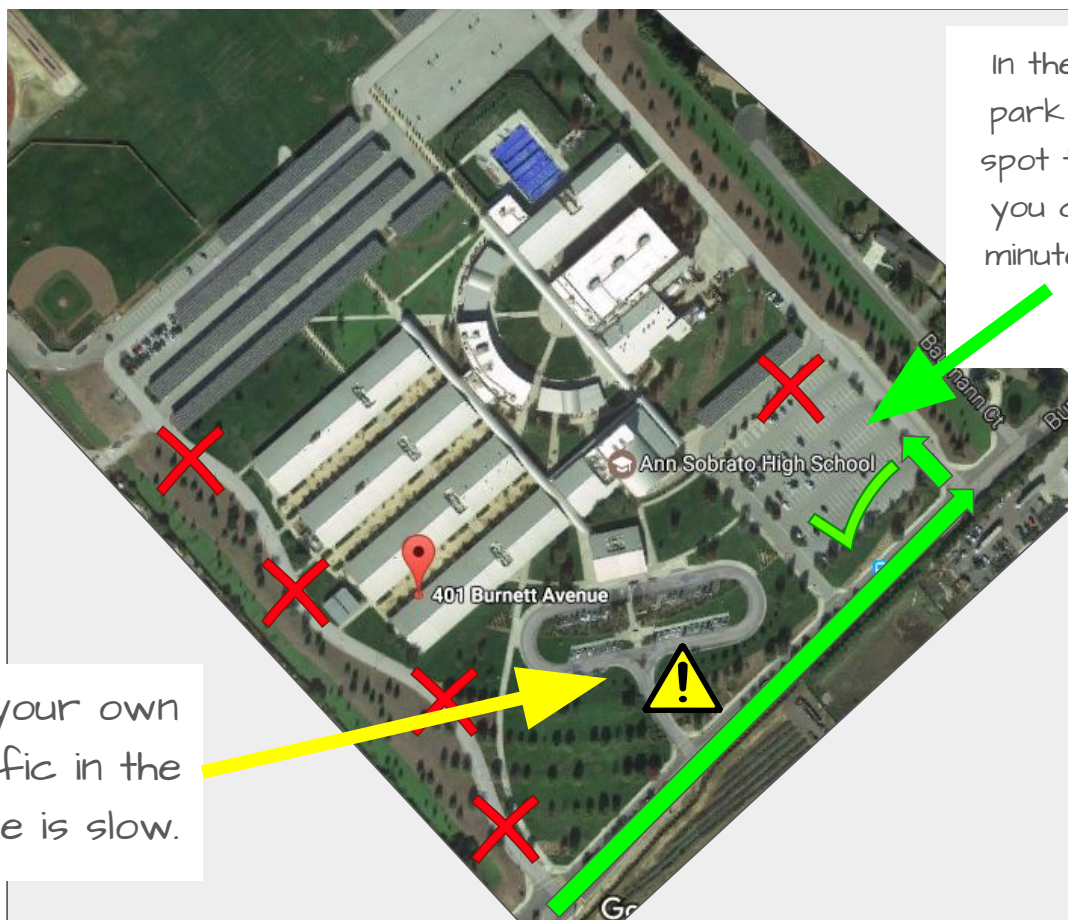

There are almost 1600 people arriving each morning! Please plan to arrive at least 15 minutes early to navigate traffic.

On behalf of the Morgan Hill Police Department, please be reminded that vehicles should not line up to pick up students in the no-parking zones on Burnett Avenue or in any red zones. Tickets can be issued if zoning is not followed. In the staff parking lot, cars should only be parked in parking spaces and should not be block parked cars or park along the sides.

Also, please do not drive into our neighboring communities to wait for your child.

As safety is an issue, please see the map below. Please drop off and pick up your child in only the designated areas. Pro-tip: traffic is less congested and stressful if you arrive by 8:10am and wait until 3:45pm to pick up.

- Student Driveway (Red X) – This area is only open to student drivers and staff. Permit required.
- Office Circle (Yellow caution) – This area has limited space and results in congestion.
- Main Parking Lot (Green check) – Please use this lot for drop-off and pick-up. It contains plenty of empty spaces, helps to minimize congestion on Burnett Ave, and allows school buses to meet their route's scheduled times.

In the afternoon,
park in a parking
spot to pick up. If
you can, come 10
minutes after the
bell.

Enter at your own
risk! Traffic in the
small circle is slow.
