GRADES
6-8

GAME OF LIFE

Students will plan out their financial future by choosing a career, educational path, and lifestyle expenses. They will see how educational expenses and education debt will impact long-term financial situation.

► *Schoolinks*

6

WHERE EVERYONE BELONGS

Throughout the year, **6th grade** students engage in activities with WEB leaders.

8

4-YEAR PLANNING

8th grade students will map out a 4-year plan for course selection in high school.

8

INTEREST MEETINGS

8th graders will learn about different clubs, sports, and activities they can participate in during high school.

8

CAREER GOAL

8th graders will set a career as their goal. If students' goals stay the same from year to year, they will need to visit the goals module and confirm their goal is still correct to complete this task.
