**The Step-Up Preschool program is designed for children aged 3 and 4. Our students, known as our "Step-Up Scotties," develop essential pre-academic, communication, and social-emotional skills in a fun and engaging classroom environment. Our goal is to prepare our young learners for Transitional Kindergarten/Kindergarten, and beyond.**

- Classes are led by experienced and credentialed Early Childhood Education Specialists
- Every classroom in our program is a safe and nurturing space, filled with language-rich activities
- Our instructional team consists of highly qualified paraeducators and dedicated District support staff
- Lessons are carefully designed to align with the California Preschool Learning Foundations
- We maintain a low student to teacher ratio, allowing individualized support and a positive learning environment
- We embrace inclusivity and encourage collaboration among our students
