Handbook Addendum  
2023-2024

Please note the procedures contained herein is an abridged version of the complete student handbook may be found on the district and school website

## ABSENCES AND TARDIES - AND WHAT TO DO ABOUT THEM

Be sure you attend school every day and are on time for every class. Within 24 hours of a student's absence, the parent must contact the campus attendance office.

If the reason is unavoidable, an illness of the student or serious illness or death in the family, the student will have the opportunity to make up any classwork missed. You are responsible for checking with your teachers as soon as you return to school for the assignments. This is an excused absence.

If the reason for your absence is a trip with the family or for some other cause that might be justified, you and your parents must justify the absence in writing to the attendance clerk PRIOR to the absence. An absence of this type will allow a student to make up any classwork missed. All arrangements must be made in advance with the attendance clerk first, then the teachers. This type of absence should occur only on rare occasions. This is called an unavoidable but justifiable absence.

Another type of absence is the unexcused absence. Examples of unexcused absences are: visit the beauty or barber shop, visiting family who live out of town, working on a car, sleeping late, shopping, and studying for an exam, preparing for parties, hunting, fishing, or other appointments that should be made outside of school hours. Also, truancy will be an unexcused absence.

## NOTES AFTER AN ABSENCE

Medical Visits - After any form of a medical visit, i.e. doctor, dentist, counseling, a note from that office must be provided within two business days for the absence to be considered excused.

Multi-Day Illness - Upon return to school, a student absent for more than 5 (five) consecutive days because of a personal illness must bring a statement from the doctor or health clinic verifying the illness or condition that caused the student's extended absence from school. Should the student develop a questionable pattern of absences, the principal or attendance committee may require a statement from a doctor or health clinic verifying the illness or condition that caused the student's absence from school.

## ACCIDENTS

In the event of a serious accident, your parents will be notified immediately. For your security. It is VERY important that the office has updated telephone numbers on file at ALL times.

Every effort will be made to render emergency treatment until parents arrive. However, the school will not be responsible for subsequent treatment.

## Morning Drop-off

All students should be dropped off in the mornings in the front drive. Staff will be on duty and doors open at 7:15 a.m. Students should not be dropped off behind, or beside the school, or before the 7:15 a.m. bell.

## Afternoon Transportation and Dismissal

All pick-up students will be dismissed at 3:30 p.m. to the pick-up area in the front of the school. Students will not be allowed to go to the back or side of the school to be picked up. Using double lanes will allow students to be picked up in less than 30 minutes at the end of the school day.

Students riding KISD transportation must have a bus card on file with the transportation office. Bus cards will be provided at registration or from the school office. Students are only allowed to ride one afternoon bus. If your child is unable to ride their assigned afternoon bus, they will need to be picked up.

All transportation changes must be in written form. You may send a note, email ([mbellman@kisd.org](mailto:mbellman@kisd.org), [kaudas@kisd.org](mailto:kaudas@kisd.org), or [mhampton@kisd.org](mailto:mhampton@kisd.org) ) before 2:45 p.m. Transportation changes will not be taken over the phone.

## Walker Dismissal Policy

To ensure the continuous safety of each student on our campus, walkers must follow the procedures. Only students who live in neighborhoods adjacent to KMS will be allowed to walk home. All walkers must provide the address which your child will be walking to, and it must match the address that is on the proof of residence for your student's attendance at our school.

Fill out the KMS Walker Request Form using the link below with the correct information. We will let you know if your child is able to be a walker for the 2023-2024 school year by using the address that you provide for verification.

Homework becomes more valuable when there is a strong partnership between home and school. The role of the home is to provide support, encouragement, and a place to complete homework.
