

## WHERE CAN I PARK MY CAR?

Because OIS is situated in a relatively dense part of Bekkestua, there are limited parking options immediately adjacent to the school. Fortunately, we are near many public transportation options, so we encourage the use of public transport. However, we also understand that there are occasions when driving to school is necessary.

### Parking Options near Oslo International School

- **On-Site School Parking:** Though limited, spaces are available beside the main school building behind the sports hall. Our one-way traffic system is accessible from Gamle Ringeriksvei and exits around the main school building's front. *GPS Coordinates: 59.9201797,10.5835022 Address: Gamle Ringeriksvei 53*
- **Coop Mega & Rema 1000:** Utilise the pay-and-display underground lots at these nearby grocery stores. *GPS Coordinates: 59.918656, 10.584072. Address: Gamle Ringeriksvei 43*
- **Nadderud Kunstgress:** Free parking nearer to the Upper Secondary building in the extended car park. *GPS Coordinates: 59.9200063,10.5789438 Address: Gamle Ringeriksvei 59*
- **Nadderudhallen:** Find more spaces here, across the playing field from the allocated school parking. *GPS Coordinates: 59.921444,10.5854476 Address: Haukeveien 12*

Please note that the off-campus locations listed above are not under the management of OIS and may be susceptible to change.

Parking locations valid as of 15 August 2023

## PARKING, NO-PARKING AND DROP OFF ZONES

Zones 1, 2, 3 and 4 (shown in yellow on the map) indicate where you can park your car. Zones 6 and 7 (shown in red on the map) are designated as no-parking areas by the municipality. This is particularly crucial for OIS during bus pick-up and drop-off times on school days. Please refrain from stopping or parking in these areas during these times: **08:00 - 09:00** and **14:30 - 15:30**.

**Important Notice for Parents Dropping Students Off in the Morning:** If you would like to drop off your child without parking, you are encouraged to enter Gamle Ringeriksvei near Zone 2, follow the one-way road around the building, and drop off at Zone 5 (shown in green on the map). While we must be patient with one another as we drop off children, this is the easiest, safest way to do so.

### Additional Considerations:

Consider public transportation when possible

Plan to arrive with sufficient time for parking

Always respect no-parking zones, especially during peak school hours
