

Health and Safety Plan Summary: Avella Area School District

Initial Effective Date: June 23, 2021

Date of Last Review: November 16, 2022

Date of Last Revision: August 7, 2023

How will the LEA, to the greatest extent practicable, support prevention and mitigation policies in line with the most up-to-date guidance from the CDC for the reopening and operation of school facilities in order to continuously and safely open and operate schools for in-person learning?

Avella will monitor the latest recommendations from PDE, PADOH, and CDC and update their Health and Safety Plan as needed. Board policies will be reviewed and adjusted as needed to assure compliance with the health and safety plan. The plan will be presented to the governing Board for approval when changes are necessary. Facilities and practices will be adapted to the extent possible to ensure that appropriate prevention and mitigation processes are followed. In addition to practicing standard preventative measures such as handwashing, cleaning practices, and the use of PPE when required.

1. How will the LEA ensure continuity of services, including but not limited to services to address the students' academic needs, and students' and staff members' social, emotional, mental health, and other needs, which may include student health and food services?

Educational models will be adapted to the needs of the students as appropriate, including virtual if needed. Social, emotional, mental health and other needs will be monitored and provided by school health providers, social workers and other mental behavior specialists when needed. Food service will be provided using various models as appropriate to the situation.

2. Use the table below to explain how the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policy on each of the following safety recommendations established by the CDC.

ARP ESSER Requirement	Strategies, Policies, and Procedures
<ul style="list-style-type: none">• Universal and correct wearing of <u>masks</u>;	<ul style="list-style-type: none">• Avella Area School District will develop mitigation plans in line with the most recent PDE, PADOH, and CDC guidance with plans being updated every six months as needed.

ARP ESSER Requirement	Strategies, Policies, and Procedures
	<ul style="list-style-type: none"> • Face coverings are optional for all staff and students. • All implementation strategies will adhere to the student's IEP or 504 Plan.
<ul style="list-style-type: none"> • <u>Modifying facilities to allow for physical distancing</u> (e.g., use of cohorts/podding); 	<ul style="list-style-type: none"> • Students and staff will maintain physical distancing to the maximum extent feasible.
<ul style="list-style-type: none"> • <u>Handwashing and respiratory etiquette;</u> 	<ul style="list-style-type: none"> • Teach and reinforce good hygiene measures such as handwashing, covering coughs, and face coverings when required. • Provide hand soap, hand sanitizer with at least 70% alcohol, cleaning wipes/disinfectant spray, tissues, and paper towels in all classrooms and frequently trafficked areas. • Post signage in classrooms, hallways, and entrances to communicate how to stop the spread, COVID-19 symptoms, preventative measures (including staying home when sick), good hygiene, proper respiratory etiquette and school/district specific protocols. • Perform hand hygiene after having contact with respiratory secretions and contaminated objects or materials.
<ul style="list-style-type: none"> • <u>Cleaning and maintaining healthy facilities, including improving ventilation;</u> 	<ul style="list-style-type: none"> • Daily cleaning of schools with soap and water, disinfectants and sanitizers to decrease how much of the virus is on surfaces and objects, which reduces the risk of exposure. Provide additional cleaning to frequently touched surfaces and objects including door handles, sink handles and drinking fountains. • At least daily and throughout the day disinfecting schools and transportation vehicles using EPA-approved disinfectants against COVID-19 to reduce the risk.

ARP ESSER Requirement	Strategies, Policies, and Procedures
	<ul style="list-style-type: none"> • Follow standard protocols to clean surfaces that are not high touch. • Ensure ventilation systems operate properly and increase circulation of outdoor air as much as possible, for example by opening windows and doors. Do not open windows and doors if doing so poses a safety or health risk (e.g., risk of falling, triggering asthma symptoms) to children using the facility.
<ul style="list-style-type: none"> • <u>Contact tracing</u> in combination with <u>isolation</u> and <u>quarantine</u>, in collaboration with the State and local health departments; 	<ul style="list-style-type: none"> • Avella will follow PADOH and CDC recommendations pertaining to isolation and quarantine. <p>Positive COVID-19 Test</p> <p>Staff and School Age Students</p> <ul style="list-style-type: none"> • Isolate for 5 days from the onset of symptoms or from the date the test was administered, if asymptomatic. • Isolation may end after Day 5 if symptoms are improving or free from symptoms. • Recommend to wear face coverings around others through Day 10. <p>Exposure to COVID-19</p> <p>Staff and School Age Students</p> <ul style="list-style-type: none"> • May participate in a voluntary quarantine. • Should test on Day 5 from the last date of exposure to the positive case. <p>Fully Vaccinated</p> <ul style="list-style-type: none"> • If fully vaccinated, do not need to quarantine. • Continue to wear face coverings around others for 10 days from the

ARP ESSER Requirement	Strategies, Policies, and Procedures
	<p>last date of exposure to the positive case.</p> <ul style="list-style-type: none"> • Identify an isolation room to separate anyone who exhibits COVID-like symptoms. • School nurses should use Standard and Transmission- Based Precautions when caring for sick people.
<ul style="list-style-type: none"> • <u>Diagnostic</u> and screening testing; 	<ul style="list-style-type: none"> • Check for signs and symptoms of students and staff daily upon arrival. • Consider a process to address privacy concerns of monitoring practices and the potential stigma associated with monitoring and confirmed exposure or cases. • Develop a system for home/self-screening and reporting procedures. • Encourage staff to stay home if they are sick and encourage parents to keep sick children home.
<ul style="list-style-type: none"> • Efforts to provide <u>vaccinations to school communities</u>; 	<ul style="list-style-type: none"> • Work with community health centers and hospitals to either provide on-site vaccinations or provide brochures and other information as to when and where staff and students can receive vaccinations at their sites.
<ul style="list-style-type: none"> • Appropriate accommodations for students with disabilities with respect to health and safety policies; and 	<ul style="list-style-type: none"> • Ensure that any policy regarding face coverings or any other parts of the health and safety plans should be sensitive to the needs of students and staff with medical issues. Appropriate accommodations in compliance with federal and state laws should be made for students with disabilities with respect to health and safety policies and procedures.
<ul style="list-style-type: none"> • Coordination with state and local health officials. 	<ul style="list-style-type: none"> • Avella will work together with the Joint Task Force, PADOH, community health agencies and County Emergency Management Agencies to coordinate resources in
