

Oakland Unified School District
Acceptable Use of Technology Agreement and Consent Form

We are pleased to offer our students access to the District computers, network, and technology for educational purposes. Parents and students are advised that some material accessible via the Internet may contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. The District cannot guarantee that filtering software will in all instances successfully block access to all inappropriate materials.

To gain access to the Internet, any online digital locker or network storage accounts, email, and any other district electronic technologies, all students and/or parents/guardians must sign and return this form to the school.

Access to District technology is a privilege, not a right. The District's electronic network is part of the curriculum and is not a public forum for general use. Please carefully read the Acceptable Use of Technology policy and regulations in the Parent Guide. Violations may result in disciplinary action. Violations can include:

- **Sending or displaying offensive pictures or graphics.**
- **Using obscene language.**
- **Harassing, insulting, threatening or abusing other network users.**
- **Violating copyright laws.**
- **Using another user's account and password.**
- **Damaging computers, personal or network files.**
- **Trespassing in another user's private files.**
- **Attempting to circumvent network security.**
- **Using the OUSD-Net for commercial purposes or individual financial gain.**

Unless otherwise instructed by school personnel, students shall not disclose, use, or disseminate personal identification information about themselves or others when using email, chat rooms, or other forms of direct electronic communication. Students are also cautioned not to disclose such information by other means to individuals contacted through the Internet without the permission of their parents/guardians. Personal information includes the student's name, address, telephone number, Social Security number, or other individually identifiable information

By signing this agreement, I/we are signifying that I/we have read OUSD Acceptable Use Policy and agree to abide by its terms. I/we understand that the computer network/computers are to be used solely for educational purposes and that there is no expectation of privacy with respect to the use of the same.

Student Consent

I understand that my computer use, the use of other technologies while at school or connected to the District, and any electronic communication and storage systems (including email and student folders, digital lockers, and class/student websites) are not private and that the District has the right to monitor my activity.

I have read the District Student Use of Technology Board policy and Administrative regulation and agree to abide by this Acceptable Use of Technology Agreement. I understand that violation of the policy or regulations may result in disciplinary action, including loss of technology privileges, suspension or expulsion, or legal action.
