

FREE LAWYER CONSULTATIONS

DADS EVOKING CHANGE

DADSEVOKINGCHANGE.ORG

Do you or a father you know need HELP navigating the child support or child custody systems?

We are connecting fathers to family law attorneys for free legal consultations. We will educate fathers and provide resources to increase knowledge of the family court processes. Join us for our drop in hours to receive help filling out common court forms, and information on how to navigate the various situations fathers face in the child custody and child support processes.

Get FREE info from a Family Law attorney on how to navigate your situation.
