PROJECT DESCRIPTION

This project includes replacement of the outdoor athletic field, track, specialty athletic sport areas, and bleachers. Existing restroom facilities will be upgraded and new single-occupancy accessible restroom facilities will be added to new north and south plazas. This project includes ten accessible parking spaces and an accessible path of travel from the bust stop to the new work.

CURRENT ACTIVITIES

- Bleacher footings have been poured and backfilled and rebar at the south entrance has begun.
- Electrical underground is installed and the light pole piers have been poured.
- The new turf has been installed and completion of the installation this week (infill remains).
- CMU restrooms have been constructed and construction of the roofs is ongoing.
