PROJECT DESCRIPTION

This project includes replacement of the outdoor athletic field, track, specialty athletic sport areas, and bleachers. Existing restroom facilities will be upgraded and new single-occupancy accessible restroom facilities will be added to new north and south plazas. This project includes ten accessible parking spaces and an accessible path of travel from the bust stop to the new work.

CURRENT ACTIVITIES

- NTP was issued and Contractor mobilized on site on 07/20.
- Demolition has started on the site flatwork and stadium bleachers.
- Lumber from the stadium bleachers is being donated to a local nonprofit, Planting Justice, to be reused as planter beds in their nursery's and exterior siding for their sheds.
- The next few weeks will involve demolition of the interior of the restroom, stadium bleachers (abatement demo), site flatwork and site utilities.
- Rough grading is expected to start towards the end of the month (August).
