***ABOUT MEASURE Y:**

Measure Y is a local bond measure that funds the repair, renovation, and upgrading of Oakland Unified School District facilities.

PROJECT DESCRIPTION

Perkins-Eastman Architects completed the Project Definition phase in June 2022, this was developed by the architect through a series of community engagements with stakeholders including parents, students, staff, community partners, site leadership, and the Project Advisory Committee (PAC).

CURRENT ACTIVITIES

- After monthly PAC meetings, multiple student and teacher engagements and two public meetings, a draft concept has been presented to facilities leadership, McClymonds site administration, staff and the PAC.
- Perkins Eastman is now working on the final bridging documents which will be the basis of an RFQ/RFP that will be sent out Fall 2022 to select the design-build entity that will complete the final design and construct of the project.
- Geotechnical testing has mobilized for sampling this summer, final report needed as a part of the aforementioned RFP-Q.
