Dear Sixth Grader,

It is our pleasure to welcome you to sixth grade at Clinton Middle School. We hope that you have a wonderful summer and that you are ready for the many challenges that await you.

To assist you with buying “back to school” supplies, we have put together the following suggested list. Please bring these with you on the first day of school and keep an adequate supply available for daily use.

To help with student organization, we **highly suggest** that students **color coordinate** subject notebooks and folders. To better help with color coding, these supplies are blocked by subject on the back of this letter.

We are pleased to announce that we will be providing all students with the calculators they will need for their math classes this year. Students will be assigned a scientific calculator for their Math classes. Students will be able to bring their calculators home to complete work. At the end of the school year, students will be returning their calculators to their math teacher.

Physical Education

To continue to develop proper hygiene, all students must change their clothes before participating in physical education.

Required: PE uniform which is maroon T-shirt and black mesh shorts. The PE uniform may be purchased through the CCS website.

Sweatshirts and Sweatpants(for cold days)
2 pairs of socks (for wet days)
Sneakers without a large platform (old pair for wet days)
Deodorant - no spray deodorants, perfume, or cologne.
Optional: Towel & Shampoo

Please encourage your child to bring their PE clothes home for cleaning. We recommend every 3 weeks.

During the first week of school, each student will receive an assignment book AGENDA to be used throughout the year.

Enjoy the summer.

Sincerely,
The Sixth Grade Teachers
