

CPA family admission to all home / regular season athletic events is now included in tuition. CPA Athletics is happy to offer your family a sports pass for the 2023-24 athletic season! These passes are available through the GoFan app for all current CPA students and their parents.

CPA Parents: To access your GoFan code, log in to MyCPA, click your name located on the menu at the top right of your portal, and select "Profile". Once you have accessed your Contact Card, scroll down to the General Information tab, and your GoFan Code will be listed here.

- To access the passes, open the GoFan app and search "Christ Presbyterian Academy"
- The parent pass is labeled "CPA Parent Season Pass"
- Each family is assigned two parent passes under the same GoFan code. Parents may register for their passes individually or via one parent selecting two passes (and then transferring to the other parent via the app). There are no transfers back.
- Complete the checkout process to claim your pass(es) for the 2023-24 home athletic events during the regular season.
- To access your pass at each event, open the GoFan app, click "Tickets" at the bottom of the screen to pull up your family's passes.
- Individual parent and student passes only reside on one device. A parent may register for spouse passes and/or children's passes and then "transfer" passes to each family member's device. There are no transfers back. Students with smartphones can register for their own student passes by following the same steps above for the "CPA Student Season Pass".
- Parents of PS, LS, MS Students: If your child is attending an event with another family or your spouse who does not have your child's passes on his or her device, we recommend sending screenshots of your child's student pass to show at the gate for admission. This is mainly for LS and MS students who do not have smartphones to house their own pass.

US Students: Your GoFan Code is your lunch code. It can be found under your Contact Card in MyCPA as well, under "Lunch ID" in the General Information tab. You will be asked to pull up your pass upon entry to all athletic events.

Passes are for immediate family members only, and are valid for all home games during the regular season. They will not work at other schools or for TSSAA postseason events. If you have any additional questions, please contact CPA Athletics Coordinator Harrison Whiteside (harrison.whiteside@cpalions.org).
