HWRHS Athletic Department Earns CAL Hyland Award (6/5/20)

The Cape Ann League presented Hamilton-Wenham Regional High School's Athletic Department with the Baker Division's 2019-20 Hyland Award at yesterday's meeting go Athletic Directors. The award is given for overall excellence in Academics, Athletics and Sportsmanship and takes into account athletic participation rates among a school's student population. This is the second year in a row the Generals have earned the award.

Congratulations to all student-athletes, coaches and supporters of the athletic programs at HWRHS.
