Induction Class of 2018

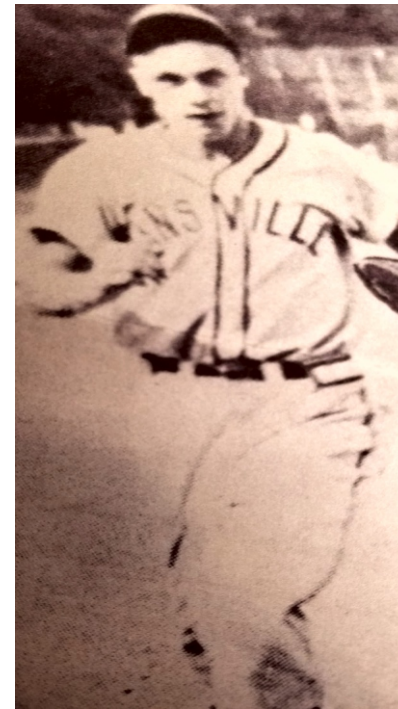

Athletes and Coaches of 1963—1964

The athletes and coaches of 1963-1964 contributed to one of the most memorable years of athletic accomplishments in the history of Dansville Athletics. The combined record of all athletic teams was 117 wins and 17 losses (a winning percentage of .873). During this year, 4 titles were won: the varsity football team won the Livingston County Championship; the varsity basketball team won the County Title; the varsity wrestling team was undefeated and won the Conference Title and, in the spring, the track team won the County Meet. An article in the local paper at the time summarized this memorable year: "...athletes with top-flight athletic ability were available and the coaches were well educated in the art of directing and teaching the athletes in the finer arts of various physical contests".
