#### PARENT PARTNERSHIP ACKNOWLEDGEMENT

Shelton recognizes the importance and the value of a mutually supportive relationship between the school and parents/guardians. The education of a child is best served when the school and parents share a commitment to collaboration, open lines of communication, and mutual respect, and when roles, and expectations are clearly defined.

Shelton strives to provide a learning-conducive environment which promotes a student's growth, both academically and socially. We believe the most likely path to success is through teamwork between students, administration, staff, and parents. Each part of the team plays a significant role and the success of the team is reliant on each part fulfilling that role.

Shelton reserves the prerogative to enroll students and families who fully embrace the mission, vision, policies, and procedures adopted by the school, including our commitment to respecting individual differences.

Shelton expects that parents who partner with us will:

- Recognize that the education of each child is the joint responsibility of the parent, student, faculty and school community.
- Demonstrate that both parents can work cooperatively with the school in the best interest of the child.
- o Communicate in a respectful manner, whether in person or by phone, voicemail, or email.
- Exhibit a good example for students in their conduct, language, and behavior while on campus or at school sponsored activities.
- Refrain from negative gossip or criticism that disparages the reputation of the school or its employees, including posts on social media sites.
- Seek to clarify a child's version of events with the school's view in order to avoid misunderstanding and to bring about a successful resolution.
- Avoid using Shelton administration or staff as a mediator or reporting authority for incidents that occur between students (and/or other parents) outside of school.
- Express questions or concerns through the appropriate channels of communication so they
  can be dealt with promptly, appropriately and effectively for all involved. Please follow the
  Problem Solving FlowChart.
- Avoid depending on the interpretation of other parents or non-official school sources.

Shelton values our relationships with parents. We share the goal of helping students succeed and we are grateful for the chance to work with you. Thank you for your continued partnership.

#### REPORTING CRIMINAL CONDUCT

#### SHELTON REPORTING

*Incidents Required to be Reported* 

Pursuant to Tex. Educ. Code § 37.015(a), with respect to certain incidents that occur at/in school, on school property, or at a school-sponsored or school-related activity (on or off school property), if there is a reasonable belief that a crime has occurred, Shelton is required to report this to law enforcement.

#### Once Report is Made by Shelton

Shelton will cooperate with law enforcement investigation. Such cooperation may include providing documents or information, in response to a validly issued subpoena and/or cooperating with a validly issued search warrant.

Shelton will not undertake a separate, parallel investigation of any particular incident/matter, once the matter is reported to law enforcement and will instead, defer all investigation and investigative efforts to law enforcement. However, if additional information is provided to Shelton, after the report has been made and it is information that Shelton either knows or has reason to believe that law enforcement has requested such information or has indicated that such information would be helpful for its investigation, this information will be promptly provided to law enforcement.

#### PARENT REPORTING

Any parent who is aware of criminal conduct that occurs outside of Shelton School -and not at a Shelton sponsored event or activity or on Shelton property, should make a report to law enforcement. While Shelton may have a need to know such has occurred (so that certain measures can be implemented at school) any parent/guardian who has witnessed, observed, heard about or has reason to believe such conduct has occurred, should not solely make a report to Shelton but should also make the necessary reports, prior to involving Shelton in the situation, and should provide Shelton with the necessary information regarding the reports that have been made.

#### **HEALTH POLICIES**

#### **IMMUNIZATIONS**

All students enrolled at Shelton are required by Texas law to be appropriately immunized for diseases. Students will not be admitted to class if all immunization information is not completed and on file in the school clinic or if the child is not up to date on their immunizations by the first day of school. Shelton no longer accepts Affidavits for Immunization Exemption for Reasons of Conscience. Medical exemptions are allowed if written by an allergist/immunologist or a hematology/oncology physician. See full policy on the Shelton Website under Medical.

#### **MEDICATION**

It is very important for the school to have information about ALL the prescription medicine your student takes---- at home and at school. Medication(s) may affect school performance and, many times, physical well-being.

  were to be on campus beyond normal school hours. Please bring it to the clinic in a correctly
  labeled bottle from the pharmacy and complete the Medication Form.
- NO HERBAL MEDICATIONS or non-prescription vitamins will be given at school or on field trips or any overnight trips.

• If the instructions on the medication bottle do not match how the student is taking the medicine, please have your child's doctor's office fax or email an order with the correct instructions to the clinic. The fax number is 972-408-4139.

#### **ILLNESS**

Please keep your student home if he/she is showing signs of illness, fever over 100.0, nasal congestion, runny nose, vomiting/diarrhea/abdominal pain, recent loss of taste or smell, cough, shortness of breath, extreme fatigue, muscle pain, etc.

Students must be fever free for 24 hours off of Tylenol/Advil/Motrin/Aleve before returning to school. You will receive a call from the school nurse if your child is ill and needs to be picked up. Please make sure that we have updated contact information.

#### **ASTHMA**

This <u>Asthma Action Plan Form</u> must be completed and on file in the clinic for all students who have asthma. The form can be found on the Shelton website under Parents→Medical →Asthma Action Plan, or by clicking the link above. Students may carry their inhalers with them.

   <u>Authorization Form.</u> The form can be found on the Shelton website under
   Parents→Medical →Epi-pen Self Carry Authorization form, or by clicking the link above.

#### **SEIZURES**

If your student has a history of seizures, you must have his/her doctor complete a <u>Seizure Action Plan</u>. You can find a copy on the Shelton website in the Medical section under Parent Info or click the blue link above. Please bring emergency medicine to the clinic if the plan calls for it.

#### BALLOON POLICY/LATEX

Shelton considers the safety of our students to be a primary concern and continually reviews school policies in the face of emerging medical issues. We are seeing more frequently students and faculty with an allergy to natural rubber latex. It can be a life threatening condition. Symptoms may include hives, swelling, welts, difficulty breathing, and possibly death, depending on the severity of the allergy and the amount of exposure.

Because of this, we are requesting that **NO LATEX OF ANY KIND BE BROUGHT INTO THE SCHOOL BUILDING. THIS INCLUDES LATEX BALLOONS – AIR FILLED AND/OR SAND FILLED STRESS BALL GADGETS.** A popping balloon can spray latex particles up to 12 feet, and the powder covering the balloon sheds latex particles into the air without being popped. Only Mylar balloons are permitted.

We have taken additional measures to make Shelton a latex safe environment, including using only latex free gloves and Band-Aids. Thank you for your cooperation in this matter.

#### **HEALTH EMERGENCIES**

When making decisions related to COVID or similar health emergency, Shelton will consider the recommendations of <u>UT Southwestern Medical Center</u>, the <u>American Academy of Pediatrics</u>, <u>Dallas County Health and Human Services</u>, the <u>National Association of School Nurses</u>, <u>Cook Children's Medical Center</u> doctors, and the <u>Centers for Disease Control</u>, as well as our medical advisors.

#### **COVID-RELATED POLICIES**

The policies described herein are subject to change as necessary.

- A negative COVID or other applicable test may be required for overnight trips.
- Students and employees may be required to stay home if they exhibit certain symptoms.
- Isolation and/or quarantine protocols may be implemented.
- Masks may be required.

We ask that parents continue to help by keeping students home if they are sick, and communicating with our nurses (Eve Herman at eherman@shelton.org or Lisa Nagid at Inagid@shelton.org) regarding any illness, exposure, vaccination, or positive COVID test.

#### PAYMENT POLICIES 2023 - 2024

#### **TUITION**

Shelton uses the FACTS Management System for collection of tuition payments. We offer multiple payment options including:

- 1) Full payment due in June
- 2) Two-payment plan with ½ due in June and ½ due in January
- 3) Ten-month payment plan with payments beginning in June (or upon initial enrollment if enrolled after June) and ending in March

You will receive notice from FACTS of payment due dates and amounts.

NOTE: Failure to comply with the selected payment plan could result in your student being prohibited from attending classes and/or being prohibited from enrollment at the start of school. Tuition accounts must be in good standing **on August 1st** for student to attend classes on the first day of school. Tuition accounts must also be in good standing on December 15<sup>th</sup> for student to attend classes in January.

If a need arises to change your FACTS payment plan, please contact the business office (x2235) at least 5 business days in advance of your scheduled payment.

#### **INCIDENTAL EXPENSES:**

These include, but are not limited to speech therapy, Aftercare and laptop charges.

When you select your tuition payment plan in FACTS, you will also select a payment method for these incidental expenses. You will receive notice of charges and payment due dates from FACTS.

NOTE: If your Aftercare or speech account becomes delinquent, Shelton reserves the right to suspend services until the account is in good standing.

Please note, Aftercare is not available on early release days or during parent conferences.

#### **VISITORS**

Shelton utilizes the *Raptor Technologies* visitor management system for **parents and all visitors** for the security of our students, staff, and campus. A simple swipe of a state issued photo ID (driver's license) provides a means to ensure that a registered sex offender may be identified and denied access to the school.

- All visitors (parents, visitors, tutors, subs, contractors, repair personnel, etc.) must be scanned into the system and obtain a photo ID/visitor badge while on campus.
- Parents and visitors must also sign in and out on the Visitor Log so that we know who is in the building in case of an emergency.
- Please remember to sign out and return the temporary visitor badge at the conclusion of the visit.

We appreciate your cooperation in this matter.

**SPECIAL NOTE:** The main entrance off McCallum is the only entrance to be used by visitors and parents. This excludes special events, athletic events, and carpool.

This applies both to entering and exiting the building, as it helps ensure the safety of our students.

Please do not ask staff or students to open other doors to allow entrance to the building at other locations.

#### PARENT VOLUNTEERS

There are many opportunities for parents to volunteer in the school. All parent volunteers are required to complete a background check which remains valid for three years. Once a clear background check is obtained, the parent will be issued a **Parent Volunteer badge**. Please retain this badge and wear it at all times while on campus. If you do not have your Parent Volunteer badge, you will be asked to scan your driver's license.

To obtain a Parent Volunteer badge, please complete the Volunteer Background Check Agreement found <u>HERE</u>.

# ILLEGAL SUBSTANCES DRUG AND ALCOHOL POLICY

#### Background:

With the goal of achieving a drug and alcohol free campus, the Shelton Board of Trustees approved the adoption of a program focused on both parent and student drug education in 2008.

The student enrollment contract reflects this intention. Shelton partnered with FCD (Freedom from Chemical Dependency), a non-profit consulting group, for drug and alcohol education of our students and community. This type of outside programming is provided for students, parents, and staff each year with the goal of raising awareness of the dangers surrounding drugs and alcohol that exist in all communities.

The Shelton plan also includes **Random Plus Drug Testing**, based on the premise that random drug testing gives students an excuse to say no, therefore reducing drug experimentation and use. The implementation of our program involving grades 8-12 began in August 2009.

As Shelton is committed to the goal of a drug and alcohol free school, we will continue to use Prevention Services, or any other applicable program, to supplement our plan.

This is a positive program of prevention and is intended to help any student having problems with drugs and/or alcohol. It involves both counseling and a second chance. Initiating a testing program does not imply our students are not trusted or respected, nor is it intended to identify students for expulsion. It is hoped that this program will prove to be a reason parents and students find Shelton a safe and wholesome choice as a school.

Confidentiality is basic and essential to the success of this program. No results will be published or made public in any way unless required by law. Should a student need counseling and assistance, the school will work with the parents and the student.

This Drug-and-Alcohol-Free Policy is intended to comply with all applicable laws. If any provision of this policy is or becomes illegal for any reason, the applicable law will be followed. Shelton reserves the right to modify its policies without prior notice. Any additions, deletions, or changes to this Drug-and-Alcohol-Free Policy shall become effective immediately upon adoption.

#### **DRUG TESTING**

Shelton will conduct random plus drug testing of students to determine compliance with the drug and alcohol free policy. Refusal to submit to testing is considered insubordination and is grounds for appropriate discipline, up to and including immediate expulsion.

#### **Testing Method**

- Although the testing method may be changed at any time at Shelton's sole discretion, urinalysis has been selected as the primary method for 2023-24.
- An accredited consortia third party administrator will perform the collection on the Shelton campus. The specimens will then be forwarded to a Substance Abuse and Mental Health Services Administration (SAMHSA) certified laboratory. The lab utilizes the most current state-of-the-art methodologies to ensure reliable and accurate test results.
- Hair testing is <u>not</u> currently done on campus, but may be used as an additional testing source as needed.
- If a student is referred for testing at an off campus site, hair samples may be collected. In this case, a sample of hair is cut at the scalp from the crown of the person's head from three to four very small areas. Persons with insufficient hair will have body hair collected, such as arm or leg hair.
- If collected at an off campus site, hair samples will be analyzed using the five-drug panel test which tests for five major drug classes.
  - \*Beginning the 2024-25 school year, Shelton plans to replace urinalysis with hair testing.

#### **Student Selection Method**

- Random testing will be done at various times during the year.
- Students in grades 8-12 will be assigned a unique identification number that is randomly generated. Only the Head of School, Division Heads, and Assistant Heads will have access to these ID numbers.
- Student ID numbers will be selected at random.
- Students confidentially referred by administration, faculty, or staff as possible high risk may be added to the randomly selected group.
- Some students may go through the entire year without being tested while others may be tested more than once.

#### **Collection Procedures**

1. Each student's randomized ID number will be entered on the chain of custody and to protect their identity.

- 2. Representatives from an accredited collection facility will collect urine samples.
- 3. Chain of custody procedures will be followed from the collection of the sample to the delivery of sample to the testing facility.

#### **Confidentiality and Dissemination of Results**

- 1. All collection samples and results are identified by a unique individually coded ID number.
- 2. All positive results are substantiated.
- 3. Any positive test results will be confidentially reported to parents and the Upper School Assistant Head, who may disclose the results on a need-to-know basis. A private meeting between the student, parents, Division Head or Assistant Head, the Division Counselor, or the Head of School will be arranged.
- 4. No test results of students will be disclosed to any person or agency beyond the persons identified above (#3) without legal compulsion.
- 5. Parents will be notified of testing only in the event of a positive result.

#### **Procedures for Positive Results**

School personnel do not anticipate initiating criminal charges or other legal action against a student based solely on a positive drug test. If evidence of sale or possession of drugs is discovered, however, note that Shelton is required by the Texas Education Code to report certain criminal activities that occur on school property or at school activities or functions. This includes, but is not limited to, the use, possession, and/or sale of controlled substances.

- 1. The student will be placed on a plan involving counseling and drug prevention education.
- 2. A drug education course will be required for the student and parents.
- 3. The student and parents must enroll in this course, follow the recommendations, and submit a certificate of completion to the Assistant Head.
- 4. All costs for this course will be the responsibility of the parent.
- 5. The student may be retested as part of future PLUS groups.
- 6. If the required plan for counseling and drug education is violated, the student may be asked to withdraw from the school.
- 7. It is highly recommended that parents continue regular drug testing.

#### **Procedures for a Second Positive Test Result**

• A student who receives a second positive test result may be asked to withdraw from the school.

#### Further Policies for Positive Results:

- 1. A student who has tested positive and follows Shelton's required plan for counseling and a drug education course, may continue all normal school activities unless directed otherwise by the administration or physician. Participation in extracurricular activities may be prohibited at the discretion of the coach/director/sponsor and the Division Administration.
- 2. A student who has been asked to withdraw from the school after a positive drug test may be permitted to reapply at the beginning of the following semester after following appropriate treatment, receiving a substance abuse evaluation, obtaining a counselor's recommendation, and maintaining a clear record. Under these circumstances, readmission will be based on the sole judgment of The Shelton School.
- 3. Refusal of the student or family to cooperate with searches or required drug testing will result in the student being asked to withdraw from Shelton.
- 4. Should a student attempt to avoid being tested or attempt to falsify the test, the parent will be notified and required to transport their student to a school designated drug-testing facility that day for testing at the parent's expense. The student may be subject to disciplinary action.
- 5. Any attempt to falsify the drug test will be grounds for disciplinary action. The coach, director, or sponsor of any extra-curricular activity will be notified and the student may be declared ineligible to participate in extracurricular activities for a period of time determined by the Division Administration and the coach/sponsor/director of the activity.

<sup>\*</sup>Please note that any reference to "drugs" in this document includes: inhalants, illegal substances, the abuse or non-authorized use of prescription or over-the-counter drugs, other substances, and any counterfeit controlled substances.

#### **GETTING HELP FOR SUBSTANCE USE PROBLEMS**

- A list of referrals for treatment will be given to the family; however, parents may choose to seek other agencies of their choice with approval of Shelton. A counselor or community agency will provide assessments and referrals for further treatment for any student who tests positive. The designated counselor or community agency will provide recommendations on the type of additional services that are required. The counselor or community agency will need permission from the parents to communicate with the Shelton School throughout the treatment process.
- If a student voluntarily seeks help for substance use/abuse from a faculty member or administrator, (prior to the day of any testing required by Shelton)
  - o The administration will assist the family in finding appropriate treatment, provided the substance use did not occur at school or at school sponsored activities.
  - o The student will be required to have a treatment plan deemed appropriate by the mental health provider or treatment facility and the school on file with the division's office and to be actively working on the treatment plan while enrolled at Shelton.
  - o The student may be required to take random drug tests at a Shelton approved test facility at the parent's expense. Refusal of the student to permit testing or refusal of the family to cooperate with testing will result in the student being asked to withdraw from Shelton.

Shelton supports students in making ethical, responsible, and healthy decisions, and is committed to providing a drug-free atmosphere on campus and at school-sponsored events. Substance use can be dangerous to a teenager's health and can lead to negative life changes.

Shelton does not support any activity where students use drugs or alcohol. Drugs and alcohol have no place in the physical, mental and emotional growth of our students.

Parents are reminded that providing alcohol, tobacco, or other drugs to students is illegal and can result in criminal penalties and civil lawsuits and could jeopardize their student's enrollment at the school.

#### **SUBSTANCES ON CAMPUS**

- 1. The school will periodically bring detection canines on campus to search rooms, vehicles, lockers, backpacks, purses, and any other belongings.
- 2. Possession, use, exchange, or sale of controlled substances or alcohol on school grounds at any time, during or outside of school hours, at athletic events, or at other school events is a crime and will be responded to accordingly. Such actions are grounds for immediate expulsion and may prohibit future re-enrollment.
- 3. The school will conduct random drug testing for students in grades 8 12 through the Shelton Random Plus Drug Testing program. (This program is described in detail on the following pages.) Should a student attempt to avoid or falsify the test the parent will be notified and required to transport their student to a school designated drug-testing facility that day for testing at the parent's expense. The student may be subject to disciplinary action.
- 4. Possession or use of any tobacco product, e-cigarettes, any vaping device, electronic smoking device, or facsimile on campus or at any school-sponsored program/activity is prohibited and will result in parent notification. Such action may also result in up to a three (3)-day off-campus suspension.
- 5. Consumption of alcohol or drugs prior to arrival at school or a school-sponsored event will result in disciplinary action to be determined by the administration. This includes the abuse or non-authorized use of prescription and over-the-counter drugs, other substances, including inhalants, and counterfeit controlled substances.
- 6. The school reserves the right to require students of concern to take drug tests (<u>at parents' expense</u>) at a Shelton approved testing facility. This includes testing for drugs, alcohol and other substances. Parents must transport the student from Shelton directly to the testing center and testing must occur the same day Shelton requires the test. Results of these tests must be sent to the school directly by the test facility.
- 7. Shelton reserves the right to require that any unknown or suspicious substance found be tested at a Shelton designated facility at the expense of the parent.
- 8. Refusal of the student or family to cooperate with searches or required drug testing will result in the student being asked to withdraw from Shelton.
- 9. Shelton reserves the right to use breathalyzers or other similar devices to test students at school-sponsored events.

### SUBSTANCE USE OFF-CAMPUS/NON SCHOOL EVENT

- 1. If it comes to the attention of the administration that a student is using, in possession of, selling, exchanging, delivering, or under the influence of tobacco (below legal age), alcohol, or other drugs off-campus and not at a school-sponsored event, the administration will notify the parents.
- 2. Drug testing may be required for the student to remain enrolled at Shelton.
- 3. Students arrested for drug or alcohol-related incidents may be required to take random drug/alcohol tests with results reported to the Assistant Head of the appropriate division and could be subject to disciplinary action.

#### SHELTON'S RIGHT TO SEARCH

- Shelton School reserves the right to conduct searches of items brought to campus or to a school activity/event including but not limited to:
  - electronic equipment
  - purses/bags/backpacks
  - any vehicle including any limousine or party bus that may have been used to transport students to a school sponsored event.
- Searches may be conducted without notice.
- Detection canines may be brought to campus to search rooms, vehicles, lockers, backpacks, bags, purses, and any other belongings.
- If any prohibited content, substances and/or items including but not limited to alcohol, controlled substances, over the counter medications, weapons of any nature (to include "toy" weapons), threatening statements or inappropriate materials are found during a search, parents will be notified and required to pick up the student. The student may be subject to disciplinary action.
- 2. If possession of prohibited substances and/or items occurs at an off-campus school sponsored event, the student will be denied entry. The student's parent(s) will be contacted and required to pick up their student. Any student who is found to have substances or items listed in #1 above in their possession will be asked to withdraw from Shelton School.
- 3. If such substances are found upon the search of a car, limousine, or party bus, ALL students arriving in said vehicle will be denied entrance whether they knew of the illegal substance(s) or not. The limousine or party bus will be asked to depart. Student's parent(s)/guardian(s) will be contacted and required to come and pick up their student from the event.

4. Any student who has been denied entry to an event must be picked up by a parent. Students will not be released to anyone other than a parent or designated guardian.

#### **ALCOHOL BREATH TESTING POLICY - UPPER SCHOOL EVENTS**

At all Shelton-sponsored events on and off campus, Shelton School retains the right to determine if a student is under the influence of alcohol or other substances through the use of a breath alcohol test, commonly referred to as a breathalyzer test.

All students and guests will be subject to a breath alcohol test administered by an employee of a drug testing company using qualified alcohol breath testing devices.

- 1. Students testing negative will be allowed to enter the event.
- 2. Students testing positive will be denied entry to the event. The student's parent(s) will be called and will be required to pick up their student from the event.
- 3. A student refusing to take the test will be denied entry to the event. The student's parent(s) will be called and required to pick up their student from the event.
- 4. Any student that has been denied entry to an event must be picked up by a parent or designated guardian. Students will not be released to anyone other than a parent or designated guardian.

Students may also be subject to a breath alcohol test prior to departure from the event. Students testing positive for alcohol use, or refusing to take the breath test, will be denied departure from the event. The student's parent(s) will be called and will be required to pick up their student from the event. Any student who is found to have substances in their possession, has consumed substances while at a school-sponsored event, or refuses the breathalyzer test prior to departure may be asked to withdraw from Shelton School.

#### REPORTING ABUSE AND NEGLECT

In accordance with state law; if the school has cause to believe that a child under 18 has been or may be abused or neglected (including physical injury, substantial threat of harm, mental or emotional injury, or any kind of sexual contact or conduct), or that a child is a victim of a sexual offense, or that an elderly or disabled person is in a state of abuse, neglect or exploitation, the law requires that the school make a report to the appropriate governmental agency, usually the Texas Department of Family and Protective Services. For information pertaining to what type of incidents, conduct, acts and/or omissions constitute Abuse and/or Neglect, Shelton refers you to the Texas Family Code, Chapter 261.

- If a report of abuse or neglect is required, the report will be made to the appropriate agency and this typically includes law enforcement and/or Child Protective Services.
- Once the report is made, Shelton will be required to cooperate with those agencies' investigations which may include providing additional information and/or documents.
- If an alleged act of abuse or neglect occurs outside of Shelton (not on the grounds, property, or at a school sponsored event or activity) and Shelton is advised of this, and Shelton forms a reasonable belief that such may have occurred, Shelton will be required to report this to the appropriate agency(ies).
- However, if you are aware of such an incident, you are not required to go through Shelton to make a report and instead, should make any and all necessary reports yourselves.

# STUDENT RECORDS RELEASE OF RECORDS

#### TRANSCRIPTS & REPORT CARDS

Student records will be sent to prospective schools provided the appropriate release forms are submitted to the division office as required by law. Allow at least two weeks to process records.

#### **RECOMMENDATION FORMS**

- Recommendation forms required by prospective schools should be submitted to the Division Office.
- The office will distribute to teachers and see that all forms are completed.
- Please do not give any forms directly to teachers.
- This will ensure that all forms are sent to the prospective school in a timely manner.
- Allow at least two weeks to process records.

#### **ACADEMIC & HEALTH RECORDS FOR LEGAL PROCEEDINGS**

Release of any student's records, to any third party (inclusive of a parent's attorney) will require a validly issued subpoena (issued in a manner that complies with all substantive and procedural requirements under Texas law) served to the proper custodian of records, and accompanied by signed authorizations for release of records/documents (education, HIPAA and/or both, where applicable) signed by each parent or guardian who maintains the right to allow for release of his/her student's records, documents and information.

- If the subpoena is not accompanied by the necessary signed authorizations, the ability for Shelton to comply with the subpoena in a timely fashion will be delayed and/or impeded completely while awaiting the authorizations.
- Any subpoena for records must be served timely, providing Shelton at least 14 business days to gather and provide the information/documents (assuming authorizations are provided with the subpoena).
- If a subpoena for records/documents is not either properly served, timely served and/or not served accompanied by the necessary signed authorizations, Shelton's legal counsel will attempt to contact counsel for the serving party to notify him/her of this and if necessary, may seek to have the Court determine that compliance with the subpoena is not required.

- Please note that a response to a subpoena for academic records or testing documents
  will typically only include grade reports, and evaluation reports. Requests for such
  documents as "all emails between Shelton and..." are not considered to be a request for
  a student's academic and/or testing documents, as these would typically fall outside of
  the documents that Shelton prepares/creates and maintains as the child's academic
  records.
- Should such a request be made, Shelton may not be able to comply with the request (in the time requested and/or at all, depending on how burdensome the request may be) and Shelton's attorneys may intercede, and seek all available relief from the court.

#### A request for Health Records includes

- any documentation made by a Shelton nurse or counselor,
- formal testing/evaluations conducted by Shelton and
- any documents Shelton has procured from other sources pertaining to the student's underlying psychological, and/or learning difference diagnoses, evaluations conducted by third parties, counseling/therapy services conducted or provided by third parties, and all documents pertaining to a student's medication use.

In no circumstance will the raw data and/or testing protocols from any test either administered by Shelton or provided to Shelton for its review/evaluation be produced/provided. To the extent necessary, Shelton's attorneys will seek court intervention to prevent the raw data and/or testing protocols from being disclosed/produced to any third party (other than corresponding professionals who are permitted to have access to the same).

#### **LEGAL PROCEEDINGS**

#### PROVIDING TESTIMONY AT LEGAL PROCEEDINGS

If parents request testimony from the school in a custody case, or other legal matter, the Board of Trustees' guidelines require that the Shelton executive staff member most relevant to the issues being discussed/decided, be participatory in the legal process and this includes the Executive Director, Associate Heads of School, or the Division Head.

- The School will charge a fee of \$1,600 for one of the above individuals to provide testimony in deposition or in court. Whenever possible, we prefer for instructional staff to remain in their offices and classrooms to serve students. In addition to the court appearance time fee, a per-hour fee will be charged for preparation time prior to a scheduled custody case or other legal matter.
- Release of any student's records for court proceedings or legal matters will require a
  validly issued subpoena, to be served in accordance with Texas law and all necessary
  authorizations permitting the release of information and/or documents will need to be
  provided.
- With respect to requesting any staff member to attend a hearing, trial or deposition and provide testimony, a validly issued subpoena (which has been issued in accord with the procedures required by Texas law) will need to be timely served (and served in compliance with Texas law).
- Subpoenas, even if validly issued and validly served but which are not served within 7
  business days of whatever proceeding is at issue, will likely result in legal action taken by
  Shelton's attorneys, requesting that the Court not enforce the subpoena. For all
  applicable legal requirements relative to issuance and/or service of a subpoena, to
  include time considerations for same, Shelton refers you to your own legal counsel.
- With respect to the substance of any Shelton staff member's testimony, please be
  advised that, consistent with Shelton's policy to not "take sides" as between
  parents/guardians, the staff member will not be providing opinion testimony (as to
  personal opinions regarding the parents/guardians and/or any other matters of that
  nature) and will not provide opinions as to which parent/guardian is "right" and the
  testimony will, therefore, be relegated to only factual matters.

#### **CUSTODY RELATED ISSUES**

- A Court order or decree (or other type of written custody agreement between parents/guardians) is required for each child whose parents are legally separated, going through a divorce proceeding, or are legally divorced.
- As Order/Decrees/Agreements are changed, it is the enrolling parent/guardian (to include both, if applicable) responsibility to timely provide Shelton with updated documentation, without a subsequent request or reminder being made/given by Shelton.
- In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and to other school-related information regarding their child.
- Shelton will not engage in "taking sides" between parents/guardians and will not
  participate in refereeing disputes, as to any matter, including but not limited to school
  related issues.
- All court orders will be handled with the highest confidentiality.
- Note: Shelton School will provide equal access to both parents who retain the right to
  access information. Further, with respect to parent-teacher conferences or similar
  meetings, Shelton prefers and will generally require to hold these types of meetings with
  both parents participating at the same time (as opposed to holding different/separate
  meetings).

#### **USE OF SHELTON'S NAME AND LOGO**

The use of Shelton's name or logo, without permission from Shelton administration, is strictly prohibited.

Further, any use of Shelton's name, logo, or other identifiers, which in any manner, cast Shelton (to include it's facilities, staff, and students) in a negative light or serves to disparage its reputation in any manner, is also strictly prohibited and will subject the offending party (adult or student) to an applicable and appropriate response by Shelton.

#### **SOLICITATION INVOLVING SHELTON STUDENTS**

Shelton personnel or any affiliated organizations — e.g. Parents' Association, Theater Guild, booster club — may not solicit the services of any enrolled student for business purposes. Such solicitation, in fact, represents a conflict of interest. It crosses the professional boundaries that exist between the student, the parent, and the school and interferes with the school's primary contract to render educational services to the student. For these reasons, the school will contract with professional businesses for products and services. We then have recourse should problems arise.

**Example:** A student shoots video footage at several basketball games, edits it and produces a highlights clip. He may not sell copies of the highlights clip to other students or parents.

# **REQUESTS TO SELL MERCHANDISE / PROVIDE SERVICES**

Shelton periodically gets requests from parents, student organizations, and employees to sell merchandise from their own businesses on school premises. Many times they generously even offer to donate a portion of their proceeds to Shelton. Because Shelton's bylaws strictly prohibit solicitation in general, we do not generally allow sales of this nature, because it poses a conflict of interest and could give preferential treatment to a single person or group.

Requests from student organizations will be reviewed on an individual basis by the Executive Director, Associate Head of School, Business Office, and Human Resources Office.

With any group, the school reserves the right to approve the appropriateness of the merchandise or services.

#### HARASSMENT AND BULLYING POLICY

In compliance with federal, state and local laws, Shelton School prohibits <u>harassment</u> or <u>bullying</u> of any type, of any student or employee, including but not limited to the basis of a person's race, color, sex, ethnicity, religion, national origin, age, disability, or sexual orientation. This policy applies to all students while on school property, at a school-sponsored or school-related activity, or school operated vehicle such as school trips and social events. Any student found to have violated the school's policy against harassment or bullying will be subject to prompt disciplinary action up to and including suspension or dismissal.

The purpose of this policy is to promote an educational environment in which harassment and bullying are known to be unacceptable. In addition, this policy outlines procedures to be followed if a student feels she/he is being harassed or bullied during his/her participation in study or other school related activities. Shelton is committed to protecting its students from harassment and bullying, and has an expectation that all parents, families, and students will work with Shelton to assist in providing this type of learning conducive environment.

This policy also includes the prohibition of any type of harassment that creates a hostile environment. Harassment that occurs off campus causing a disruption to the school environment will be investigated and is subject to disciplinary action.

A hostile environment may involve anything that is perceived to be

- Unwelcome
- Intentional and repeated
- Severe and pervasive
- Physically/emotionally intimidating
- Humiliating

#### HARASSING AND BULLYING BEHAVIORS

<u>Harassment or bullying</u>, in general terms, is conduct so severe, persistent, or pervasive that it affects the student's ability to participate or benefit from an educational program or activity; it creates an intimidating, threatening, hostile, or offensive environment. More extreme forms of harassment and bullying include physical threats or violence. Behavior that may appear trivial as a single incident can constitute harassment or bullying when repeated. Harassment and bullying may not always be intentional but are always unacceptable, whether intentional or not.

<u>Harassment</u> may include, but is not limited to, offensive or derogatory language, offensive jokes, name-calling, slurs, rumors, physical aggression or assault, offensive graffiti or printed material, negative stereotypes, theft or property damage.

<u>Bullying</u> is the exercise of power over another person through negative acts or behavior that undermines another person and is repeated over time. Bullying behaviors may include, but are not limited to, hazing, threats, tainting, teasing, confinement, demands for money, rumor-spreading or ostracism. Bullying can also occur through "cyber-bullying."

Bullying occurs when a person is exposed, repeatedly and over time, to negative actions on the part of one or more other persons. Bullying is aggressive behavior that involves unwanted, negative actions. Bullying involves a pattern of behavior repeated over time and an imbalance of power.

<u>Cyber-bullying</u> involves the use of technology to support deliberate, repeated and hostile behavior by an individual or group that is intended to harm others. It includes targeting a person(s) using technology for the purpose of tormenting, threatening, harassing, humiliating, or embarrassing the person(s). Cyber-bullying is prohibited under this policy.

#### False Claim:

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with investigation shall be subject to appropriate disciplinary action.

#### **Timely Reporting:**

A report of bullying shall be made to the division head as soon as possible. A delay in reporting may impair the school's administrator's ability to effectively address prohibited behaviors.

#### **Report of Suspected Bullying:**

Any student who believes that he/she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged behavior to a teacher or school administrator.

A <u>hostile environment</u> may involve anything that is perceived to be unwelcoming, severe or pervasive, physically intimidating, or humiliating.

A hostile environment may involve anything that is perceived to be

- Unwelcome
- Intentional and repeated
- Severe and pervasive
- Physically/emotionally intimidating
- Humiliating

#### SEXUAL HARASSMENT

This policy also includes prohibition of <u>sexual harassment</u>. Sexual harassment includes sexually provocative remarks or jokes, offensive comments about dress or appearance, the display or distribution of sexually explicit material, unwelcome sexual advances or physical contact, bribing or attempting to offer a bribe for or in exchange for a sexual favor, sexual act and/or any type of physical intimacy, demands for sexual favors or assault and other verbal or physical conduct of sexual nature with respect to which 1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or education, 2) submission to or rejection of such conduct is used as the basis for academic or employment decisions affecting such individual, or 3) such conduct has the purpose or effect of unreasonably interfering with an individual's academic performance or creating an intimidating, hostile or offensive educational or social environment.

#### **REPORTING PROCEDURES**

Reports of <u>bullying</u>, and/or <u>harassment</u>, including <u>sexual harassment</u>, must be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to report may impair the School's ability to effectively investigate and address the prohibited conduct.

Should any student feel that he/she is being <u>harassed</u> or <u>bullied</u> OR has witnessed the harassment or bullying of another student, the student or parent should immediately notify his/her teacher or Division Head. If a situation is deemed to be bullying or harassment, it will be reported to the Associate Head of School and Executive Director. The report should include the nature of the incident, dates, times and witnesses. The report may be made orally or in writing.

Any Shelton employee who suspects or receives notice that a student(s) is or may have experienced <u>harassment</u> or <u>bullying</u> must immediately notify the Division Head. Upon notification of a bullying incident, Shelton administration will notify the parent(s) or guardian(s) of the student(s) impacted or involved in the incident. If the results of an investigation indicate that <u>bullying</u> or <u>harassment</u> has occurred, the administration will take appropriate disciplinary action.

#### PARENT REPORTING

Any parent who is aware of bullying or harassing behavior or conduct that occurs outside of Shelton School and not at a Shelton sponsored event or on Shelton property should make a report to the appropriate person, agency, or entity. This includes the parents of all other students involved, and/or where necessary, law enforcement (if said bullying/harassive behavior is considered by the parent to be criminal conduct). While Shelton may have a need to know of said event (so that certain measures can be implemented at school if necessary), any parent/guardian who has witnessed, observed, heard about, or has reason to believe such conduct has occurred should not solely make a report to Shelton but should also make any necessary reports to other persons/agencies/entities prior to involving Shelton in the situation. The parent/guardian should then provide Shelton with the necessary information regarding the reports that have been made.

#### **COUNSELING SERVICES**

The appropriate Division Head or designee will notify the victim, the student who engaged in <u>harassment or bullying</u>, and any students who witnessed the harassment or bullying behavior of available counseling options.

#### RETALIATION

The Shelton School prohibits <u>retaliation</u> by a student or Shelton School employee against any person reporting an incident of harassment or bullying, serving as a witness or participating in an investigation.

#### CONFIDENTIALITY

To the greatest extent possible, Shelton School shall maintain the privacy of all parties involved.

# **SECURITY AND EMERGENCIES**

Shelton is equipped with a state of the art security camera system which covers doors, hallways, parking lots and other outside areas. Cameras are monitored by staff on a regular basis.

A control access system is installed on exterior doors which requires a card pass or key to enter the building. Only staff and security personnel have that access, but all others must be given access by the front desk or security personnel.

Additional software and speakers outside the building have been installed to give us multiple methods of notifying students and staff of an emergency situation.

Our fire alarm system provides immediate sound and visual warning throughout the facility should a fire occur.

Armed personnel provided by an outside security service as well as off duty police officers are on the campus during school hours and after hours activities. Security personnel are on campus during non school hours to protect the property and limit access as appropriate.

#### **EMERGENCIES**

In the event of an emergency, Shelton will post updates and instructions on our website, <a href="https://www.shelton.org">www.shelton.org</a>, as we are able. We will also notify families and staff through our web-based notification system.

#### LOCKDOWN

- Teachers and staff have been trained on actions to be taken in case a lockdown situation should occur either inside or outside the building.
- Lockdown drills are regularly scheduled to practice procedures with students.

#### **BOMB THREAT OR FIRE**

• Shelton conducts regular evacuation drills to practice procedures.

#### SEVERE WEATHER

If a tornado warning occurs in our area during school hours, all students and staff will

immediately move to our storm shelter as rehearsed during drills. Doors will be locked, and students and staff will remain sheltered until the warning is lifted.

Due to dangerous conditions during a tornado warning and as our doors will be locked, <u>we ask</u> that parents not come to campus until the warning is lifted. Parents should concern themselves with their own personal safety, just as we will concern ourselves with the safety of our students, staff and clients.

If severe weather occurs, Shelton will communicate with parents through its emergency parent alert text-message system, its email system, and its website.

If severe weather causes cancellation of any after-school-sponsored activities, games, practices, an update will appear on Shelton's website and a message will be sent to parents.

#### Other Emergencies

Shelton has procedures in place for emergencies, natural or manmade. Should we experience a crisis related to military or terrorist activity during the school day, we will respond as described below. Our response will be based on the best information available at the time, the nature of the activity, and the amount of time we have to respond.

*In emergency situations, the following safety protocols may be implemented:* 

- Allow student drivers to leave only with parental permission and if it is possible to do so without jeopardizing themselves or others.
- Dismiss students early. Any change of carpool time will be communicated via an emergency alert text message, email, and the school website.
- Dismiss students to their parents when conditions make it possible. This may include early dismissal times, and will be done in an orderly manner by division. The dismissal plan will be posted immediately on our website. Parents will also receive an emergency alert text message, a broadcast email or phone call via our web-based notification system, if conditions allow. Other communication chain measures will be employed, depending on the situation.
- Dismiss clients / trainees of the Evaluation Center, Speech and Language Therapy, or Teacher Training department if conditions are possible.
- Heighten security awareness on campus
- Increase campus security
- Restrict campus access
- Decide which, if any, extra-curricular activities will continue

Students are encouraged to participate in their neighborhood sport activities. Information on YMCA programs may be obtained by contacting your local neighborhood YMCA.

## **TEACHER GIFTS**

Books may be donated to the library in honor of a special teacher or staff member.

The Parents' Association established the Shelton's Staff Holiday Gift Fund (Holiday Happiness), a voluntary fund, to show appreciation to all teachers and staff with a cash gift at the holiday season. Holiday Happiness is intended to simplify gift giving. The spirit of this concept is that a cash gift will be in lieu of a holiday party and/or small, individual gifts. It is any parent's choice whether or not to participate.

## **LS PROGRESS REPORTS**

Student Progress Reports (report cards) are sent via email three times a year.

**Lower School** - In Early Childhood through 4th grade, parents receive brief commentary on curriculum covered and student's individual progress with strengths and goals noted. Teachers and parents will discuss progress reports during parent conferences.

#### **LS HOMEWORK**

## **Shelton Study Skills**

Shelton's goal for homework, 1st - 4th, is learning responsibility and practicing good study habits. Students will have homework each evening, Monday - Thursday.

## **1ST/2ND HOMEWORK**

#### 1st/2nd Oral Reading Practice

(10-15 minutes) are required Monday-Thursday. The Language Therapist will send home-designated readers for **oral reading practice**. The student is expected to handle this responsibility. A parent is asked to listen to and sign off. In addition to a reader, oral reading practice may entail sight word practice, RAN (rapid automatic naming) sheets, flashcards, or supplemental Language Therapy assignments.

#### 1st/2nd Math Homework

(5-10 minutes) Monday-Thursday. Practice in math enables students to solidify basic math facts/concepts. The math assignments sent home will be material the student has mastered. Our goal is for students to be successful at home and practice new concepts in the classroom. Math homework will begin after conferences in October.

#### 1st/2nd Reading Minutes

In addition to homework, we encourage our students to engage in additional reading minutes. The purpose of these reading minutes is to enhance an appreciation for books and reading. It should be a special time when mom/dad/baby-sitter is reading to the child, the child is reading/looking at a book quietly, or is reading along with an audio version. It is not meant to be a "reading practice" time.

## 1st/2nd Homework Procedures:

- 1. Provide a quiet place for your child to do his/her homework.
- 2. All assignments will have been recorded on an assignment sheet in the front of your child's binder.
- 3. If your child is having difficulty with their homework, please send a note, email the teacher, or initial/sign the assignment sheet, indicating to the teacher that your child could not do the specific assignment.
- Maximum time allotments for homework:

- 1st/2nd grade 20-30 minutes
- If your child is working longer than this time allotments, please let the teacher know immediately.

## **3RD/4TH HOMEWORK**

#### **3rd/4th Reading Minutes**

(10-20 minutes) are required Monday - Thursday. The purpose of Reading Minutes is to enhance an appreciation for books and reading. It should be a special time when mom/dad/baby-sitter is reading to the child, child is reading/looking at a book quietly or is reading along with an audio version. It is not meant to be a "reading practice" time, unless the child is comfortable reading aloud.

In addition, the reading teacher will send home-designated readers for **oral reading practice**. The student is expected to handle this responsibility. A parent is asked to listen to and sign off on **Oral Reading Practice**.

#### 3rd/4th Math Homework

(5-10 minutes) for 3rd/4th grade: Monday - Thursday practice in math enables students to solidify basic math facts/concepts.

#### 3rd/4th Special Projects:

Additionally during the school year, students may have a special project assigned to them. As with Shelton's homework policy it is designed for your child to independently and successfully complete it themselves. Teachers will provide guidance with the project when it is assigned.

#### 3rd/4th Homework Procedures:

- 1. Provide a quiet place for your child to do his/her homework.
- All assignments will have been recorded by your child in his/her assignment sheet or book in the front of his/her binder.
- 3. We will always strive to give homework to your child that he/she can complete by himself/herself. Homework is your child's responsibility, not yours. Occasionally, your child will forget the directions or have difficulty completing the assignment. If a simple direction from you is sufficient, that is fine. Your child may also call a friend in class for help with the directions, but not the answers to the assignment. If your child continues to have difficulty, each UE student has their teachers' phone numbers. In addition, please send a note, email the teacher, or initial/sign the homework page, indicating to the teacher that your child could not do the specific assignment.

- 4. Maximum time allotments for homework:
  - 3rd/4th grade 30 40 minutes
  - If your child is working longer than these time allotments, please let the advisor know immediately.

#### 3rd/4th grade Incomplete/Missed Homework Plan:

- First incomplete/missed homework assignment will result in an "OOPS" ("OOPS" is a warning sent through RenWeb). Students will be asked to make-up the work but will not receive a detention.
- Successive incomplete/missed homework assignments will result in a homework detention. An opportunity to complete homework will be provided during the school day for students who did not turn in, or have not completed homework.
- Exceptions may be made only when an email or phone call from the parent to the teacher has been made regarding the student's inability to complete the homework assignment.

## **LS STUDENT RECOGNITION**

Students are recognized on a daily basis when they are "caught" doing something special as in an act of kindness or doing a good deed without being prompted. In early childhood through 2nd grade, students may receive an Awesome Ribbon. In 3rd/4th-grade, students may receive an Applause (parents will be notified through FACTS) and will be entered into a weekly drawing to wear a shirt of their choice the following day.

Lower School strives to recognize every student for their unique skills and character traits. Every six weeks, a group of students will be celebrated, highlighting their individual contributions to our school.

#### **LAPTOP COMPUTERS**

See Shelton's ACCEPTABLE USE POLICY FOR TECHNOLOGY in its entirety.

#### **LS PARENT - SCHOOL COMMUNICATION**

Communication between the school and parents is an important aspect of the Shelton program. The following means of communication are used:

**EC-2nd**- a Go Folder is sent home each Friday with your child. It contains the week's work, reports from teachers and notices from the school. Review the contents of this folder each Friday as time sensitive communication is often enclosed. Sign and return it with your child on Monday.

**3rd/4th**- a Go Folder is sent home approximately every three weeks containing work the student has filed in his/her notebook for the previous three to four weeks along with an overview of concepts covered, work habits and behavior. Please go over it carefully with your child. If parents believe a more structured communication approach is needed for their child, they should contact their child's advisor for an alternate plan.

1. You may email any Shelton staff member. Email addresses are composed of the person's first name initial and their full last name @shelton.org. Example: <a href="mailto:lbarnett@shelton.org">lbarnett@shelton.org</a>.

Teachers only respond to email before or after school and during their planning period.

Contact the office if you need immediate attention.

- 2. **OPEN HOUSE** held in September (check school calendar for exact date)
- 3. **PROGRESS REPORTS** are issued three times a year- November, February, and May.
- 4. **CONFERENCES** are held three times a year in October, February and May (see school calendar). Please feel free to call your child's advisor if additional conferences are ever needed.

#### LS BIRTHDAY CELEBRATIONS

A Shelton goal is to make every child feel accepted. To reach this goal, we have these suggestions:

- 1. If you send invitations to school, please invite all students in the advisory. It is your preference to invite the entire grade.
- 2. Do not send birthday presents or party favors to school.
- 3. Birthday celebrations should be simple and kept to sharing cake, cookies or cupcakes with the class during lunch. Contact your child's advisor to schedule any events.
- 4. Do not provide lunch for the class due to various student dietary restrictions and allergies. You are welcome to provide lunch for your individual child.

We appreciate your cooperation regarding birthdays. It should be a fun, happy time for your child and their friends, but the feelings of the other students must be considered.

## LS SEASONAL CELEBRATIONS

Celebrations at school need to be simple and low key. Events that break the routine and structure are disruptive for many of our students. We work diligently to keep the schedule predictable and the guidelines for acceptable behavior are supported by the structure.

To break these routines invites difficulty for students; therefore we adhere to the following procedures:

#### EC-4th

- 1. All celebrations are kept simple. We avoid overly stimulating activities.
- 2. Celebrations are held at the school, not off campus.
- 3. Celebrations are held in the classroom. Classroom celebrations include a snack, a simple craft, a game and/or story.
- 4. Use minimal decorations (placemat decorated for the holiday).
- 5. No party favors.
- 6. Limit the cost to \$100.00 or less, per event.

#### **Guidelines for School Celebrations**

<u>Refreshments:</u> Non-caffeine drinks and juices are preferred. Avoid chocolate. Keep sugar products at a minimum. Peanuts and peanut butter products are not served to our students.

All parents are given the opportunity to sign up and assist with one of the celebrations. Once you have been assigned a celebration, you will work with the advisor to plan the event. All plans are finalized through the advisor.

Only the teachers and the two designated parent volunteers should be present during the celebration. Siblings may not participate in classroom celebrations and should not be brought into the classroom.

**October / Fall:** EC - 4 celebrations in the rooms. No costumes. You may decorate cookies or have simple activities.

**December:** EC - 4 celebrations in the rooms

Valentine's Day: EC- 4 celebration in the rooms and Brian Price Jump-a-thon.

## LS EVENT PLANNING GUIDELINES

Dear Parents,

Thank you so much for volunteering to help our class celebrate the season's festivities! We are looking forward to gathering together and having some fun. As a party volunteer, we have some important information to share:

- Party costs should not exceed \$100
- We are a latex free campus, so **no balloons** please
- A Shelton LS/UE School party consists of a snack, beverage, story, craft, and possibly games or music. Parties typically are about 40 minutes long.
- Please stick to one healthy, one sweet and one salty snack, in addition to a beverage that is low in sugar. Small bottles of water are also a good choice.
- Please make sure that any craft that students will be working on is age and developmentally appropriate. (For younger students, have your child test out the doability at home. Peel and stick stickers are a fan favorite. No glitter or paint, please.)
- Again, Less is More and Simple is Best when party planning for young children.

We are so appreciative of your time and the care that you have put into our classroom community. Enjoy, and **THANK YOU** again for all of your help!

## **LATEX POLICY**

- Shelton is a latex-free environment. NO LATEX OF ANY KIND IS PERMITTED IN THE SCHOOL BUILDING. THIS INCLUDES
  - ALL LATEX BALLOONS
  - AIR FILLED AND/OR SAND FILLED STRESS-BALL GADGETS

 We have taken additional measures to make Shelton a latex safe environment, including using only latex free gloves and Band-Aids.

Thank you for your cooperation in this matter. If you have questions, feel free to contact our school nurse.

## **LS FIELD TRIPS**

Lower School students will attend field trips throughout the year. Buses are used for field trip transportation. Field trips are chaperoned by Lower School teachers and staff members.

## STUDENT RECORDS

Please contact your Division Office if you would like a copy of your child's records.

See Shelton's policy on <u>STUDENT RECORDS</u> in its entirety.

## **LS SUPPLIES & ITEMS TO BRING**

- 1. Each student is completely outfitted with his/her necessary supplies at the beginning of the school year.
- 2. Students are encouraged to bring:
- Backpack- Backpacks may be used to carry school materials to and from home. They will not be allowed during the school day from class to class. No rolling suitcases or rolling backpacks unless they can fit inside the student's locker/cubby.
- Water bottle
- Snack- nutritious/healthy snacks
- Shelton sweatshirt or sweater
- 3. Each student will have a locker/cubby space for his/her materials. This space is designed to facilitate organization and ease of accessing materials. Student lockers will be free of ornamentation and décor.
- 4. Student books are covered in tuition. If a student loses a text, he/she will need to replace it. If a student is irresponsible with his/her books (inappropriate language, pictures, markings, etc.) he/she will not be allowed to bring the book to class. A new book will need to be purchased by the student.

#### LS ITEMS TO LEAVE AT HOME

- ELECTRONICS: Do not bring electronic equipment to school. (ex. iPads, iPhones, smart (Apple) watches (any device that can call or send/receive texts), etc.) We do not feel elementary school aged children need cell phones at school. If there ever is a need to send a cell phone with your child to school, it must be turned off and left in his/her backpack, stored in a locker, or left with an advisor all day. Use of cell phones without permission from school personnel will result in the phone being confiscated and parents notified. Administration reserves the right to inspect the contents of the phone if confiscated.
- EXPENSIVE ITEMS: Do not bring any expensive items to school. Students tend to become
  upset if damaged or misplaced. (ex. jewelry, trading cards, money, etc.)
- LIVE ANIMALS: Do not send any live animals unless it has been prearranged with your child's advisor.
- CANDY/SUGARY ITEMS: Do not bring candy or other items containing sugar to eat or drink.
- HARMFUL OBJECTS: Absolutely no harmful objects (real or pretend) may be brought to school, such as knives, guns, lighters, etc.
- TOYS: Do not bring toys of any kind to school, unless it has been prearranged with the advisor (ex. Show and Share). Small items or trinkets purchased at the Charger Corral should remain in the student's backpack for the duration of the day.

#### **VISITORS AND VOLUNTEERS**

If you would like to visit your child's classes, please call or email the LS-Division office. A schedule will be arranged for you.

Lunch visits must be pre arranged with the advisor.

See Shelton School policy <u>VISITORS AND VOLUNTEERS</u> in its entirety.

#### LS DISCIPLINE POLICIES AND PROCEDURES

In guiding the child's growth, it is the school's policy to emphasize the positive rather than the negative. Students are young, developing people who possess strengths, hopes and expectations. These young people depend on the adults in their lives to model values and conduct. Knowing their limits and school rules will help them in making good choices. Shelton School is committed to fairness in dealing with any discipline problem, so the teacher will spend time with the student helping to understand problem behaviors and how to resolve situations of conflict. All students serve as role models for the younger students at Shelton and represent Shelton in the Dallas community. Attending Shelton School is a privilege; a student may lose that privilege as a result of any action that damages the school's name or reputation in the community. Rules are necessary in any place in which groups of people must cooperate. To help each student develop mature and responsible behavior, the teaching staff communicates their expectations for our students.

#### **Schoolwide Rules**

- Follow directions the first time they are given
- Keep hands, feet, and objects to yourself
- Walk in the halls
- Show respect for adults and peers

#### **DISCIPLINE PROCEDURE:**

We are proud of Shelton and want to demonstrate that we are good citizens by our respectful behavior. Lower School advisors review and reiterate the rules and policies stated in the Shelton handbook.

In Lower School, when a student struggles with a discipline policy, we work together with the student to help resolve the situation. Each incident is approached with a developmentally

appropriate response based on the student's age, their action(s), and the circumstances. The Shelton Staff encourages the students to develop a plan of action with a teacher or administrator.

These steps are on a continuum.

1. REDIRECTION: The teacher will clarify expectations and redirect the student.

#### 2. RESET TIME

- In the classroom- EX: at student's desk or designated area in the classroom
- Outside the classroom- EX: a walk, counselor's office, admin's office
- The teacher or a Lower School administrator will make a phone call or send an email on an as needed basis to the parents.

#### 3. REFER TO ADMINISTRATION

- The student will review the Lower School handbook policies and procedures with an administrator.
- The student and administrator will develop a plan of action for resolution.
- A Lower School administrator will notify the parents.
- In 3rd and 4th grades, detentions are given for minor offenses. They are served before or after school and called Behavior Hall. During this time, students enact on their plan of resolution and discuss strategies for success moving forward. A FACTS behavior notification with the details of the offense will be emailed to parents and advisors.
- 4. IMMEDIATE REMOVAL (EC-4th Grade): Physical harm or threat of physical harm to self or others.
  - The student is removed from the classroom.
  - A Lower School administrator will notify the parents.
  - The student will be sent home.
  - The Lower School administration will work with the family to decide next steps.
- 5. SUSPENSION: May be given to students for serious violations at the discretion of administration. Lower School administration will determine if the suspension is served in school or out of school. These behaviors would include, but are not limited to the following:
  - Possession of any facsimile of a weapon; toy, reproduction or replica
  - Possession of sharp objects
  - Disrespect toward peers or staff members
  - Repeated offense a student is not correcting
  - Continued disruption of class Fighting/intimidation/physical aggression

## **HARASSMENT AND BULLYING**

See Shelton School HARASSMENT & BULLYING POLICY in its entirety.

## LS TECHNOLOGY POLICIES

- 1. Cell phones must be turned off and left in backpacks, stored in the locker or left with an advisor all day. Use of cell phones without permission from school personnel on campus or on field trips will result in the phone being confiscated. Parents will be notified and students may receive a detention. If a student chooses to bring a cell phone into the school building the administration reserves the right to inspect the contents of the phone.
- 2. Students are prohibited from audiotaping or videotaping any Shelton class, event, or school activity (on campus or off campus) without teacher approval. Consequences for such actions could result in suspension or expulsion and will be determined by the administration.
- 3. ## **MS HOMEWORK**

#### Students in the Middle School will have homework each evening.

- 1. Students will record all homework assignments in their assignment book, which will be kept in the front of their binder. The student assignment book is the official homework resource; Google Classroom is a backup to the assignment book.
- 2. **All** students will have access to their assignments through Google Classroom. Parents can access their student's Google Classroom through the student's Shelton email address.
- 3. All students should have a quiet time to complete homework.
- 4. Teachers strive to assign homework students can complete independently. Homework is the student's responsibility, not parents. It is our goal that each student becomes his/her own advocate by learning to complete assignments on his/her own and ask for help when needed.

#### Please follow these guidelines when helping your child with homework:

- Help your child choose an appropriate study area and encourage him/her to <u>complete</u> <u>homework independently</u>.
- If your child exhibits difficulty with directions, provide an example to clarify.
- If your child continues to have difficulty, have him/her <u>call a friend</u> to explain the directions, not give the answers.
- If this does not help, <u>have your child email or call his/her teacher to arrange for assistance</u>. Teachers will explain the assignment and/or help the student come up with a plan to complete the assignment. Students may arrange to meet with the teacher to complete the assignment. The student is responsible for meeting with the teacher before or after school, or during study hall.

#### **Incomplete/Missed Homework**

- 1. The first incomplete/missed homework assignment will result in an "OOPS" ("OOPS" is a warning sent through RenWeb). Students will be asked to make-up the work.
- 2. Additional incomplete/missed homework assignments, Teachers will provide the appropriate consequences for each student. The teacher will either give a zero, provide a time to work with the student, or initiate a plan.
- 3. A student with excessive zeroes (successive incomplete/missed homework assignments) will result in a homework detention and will complete homework during the school day and/or attend Saturday School to complete make-up work and develop a study /organization plan for completing homework on a timely basis.

4. Daily homework expectations: (including reading and math minutes)

5th grade 30 - 40 minutes
6th grade 30 minutes to 1 hour
7th grade 45 minutes to 1½ hours
8th grade 1 hour to 2 hours

The time a student spends on homework will depend on their use of the daily Study Hall time and their individual pace. Please contact your child's teacher and the advisor if your child does not have enough homework or is exceeding these time estimates.

5. Because we want students to be responsible and accountable for their school work, we encourage parents not to bring forgotten homework, projects, study sheets, or any class materials to students.

## **MS TESTS AND EXAMS**

- 1. Teachers in Middle School will give regular tests appropriate for each grade level. Grade level teachers coordinate to ensure students have no more than two tests each day. If a student has more than two tests assigned on one day, he/she should speak with the teacher to reschedule one of the assessments.
- 2. Final exams will be given for 6th, 7th, and 8th grade students each semester. Each exam will count as 20% of the semester grade.
- 3. An exam packet will be given for each class at the beginning of review week and students will be guided in the exam preparation process. This includes: how to study, what to study, time management, a daily study schedule, types of test questions, and test anxiety.
- 4. Any student who owes money for library books, late carpool fees, or other items will not be allowed to take exams until the items are returned or fees paid.

- 4. Binder contents also include basic school supplies (paper, pencils, pens, highlighters, and loose leaf paper) and organizational items, such as, a daily assignment book, sheet protector for their schedule and pocket folder for Homework assignments.

If a parent/guardian believes that dress code enforcement will result in harm to the student, a conference with the division administration can be scheduled to determine whether accommodations can be made in connection with race, color, religion, national and ethnic origin or gender.

# **Grading Periods**

1<sup>st</sup> Quarter August 17 – October 16
 2<sup>nd</sup> Quarter October 17 – December 21
 3<sup>rd</sup> Quarter January 9 – March 20
 4<sup>th</sup> Quarter March 21 – May 24

# **Grades/Report Cards**

Report cards are emailed to students and parents at the end of each quarter. Students and parents may check grades regularly by using the FACTS system. In addition, students and parents will receive weekly grade reports generated and emailed by the FACTS system.

Semester grades for core courses and foreign language courses are calculated using the following percentages:

40% Quarter Grade + 40% Quarter Grade + 20% Exam Grade = Semester Grade

Semester grades for courses <u>without a semester exam</u> are calculated using the following percentages:

50% Quarter Grade + 50% Quarter Grade = Semester Grade

All grades on report cards are numeric. The grading scale is as follows:

90 - 100 = A 80 - 89 = B 70 - 79 = C BELOW 70 = F

#### **Numerical Grade Averages**

 At the end of each semester, a cumulative numerical grade average will be calculated for each student.

- The cumulative grade average is determined by averaging all numeric grades earned in Upper School.
- Grades that are <u>not include</u>d in the cumulative average:
  - 1. Grades earned in Physical Education, Foundations of Fitness, and Athletics classes DO NOT count in the cumulative grade average.
  - 2. Grades for credit courses taken prior to the completion of 8<sup>th</sup> grade DO NOT count in the cumulative grade average.
- Grades for credit courses taken in the summer or online DO count in a student's cumulative grade average.
- Grades earned in Athletics, PE, and Foundation of Fitness will be reflected as Pass (P)/Fail (F) on the transcript.

# **Weighted Grades**

- If a student is in an honors course, the numeric grade will be weighted by an increase of five points.
- If a student is in a course with modified curriculum, the numeric grade will be weighted by a decrease of five points.
- A weighted grade is not reflected on a grade report, report card, or transcript as the student's average for a class.
- The weighted numeric grade is, however, calculated in the <u>cumulative</u> grade average, which does appear on the transcript.

Numeric Grade Shown on Report Card and Transcript:	Point value used when calculating the cumulative average if the course curriculum is <b>modified:</b>	Point value used when calculating the cumulative average if the course curriculum is honors or dual credit:
95	90	100
88	83	83
77	72	82

Note: For purposes of weighted grades, modified course designations indicate a significant alteration and/or modification to the curriculum. Accommodations such as spelling, untimed testing, readers, scribes, etc., are considered accommodations available to all students, not modifications to the curriculum.

# **Failing Grades**

- Students must repeat a course in which they receive a failing semester grade or "no credit" due to excessive absences. (for credit courses)
- Both grades, the original failing grade and the new grade, will appear on the transcript; however, only the original numerical grade will be calculated into the cumulative grade average.
- It is required that a failing grade in English, Social Studies, Math, Science or World Language class be made up the following summer at an approved institution.
- An official transcript from the approved institution must document the completed credit before the start of the following academic year.
- Should a student fail more than one class for the semester, a family conference will be required.
- The student's contract for the following year may include required conditions for continued enrollment.
- If the student does not show improvements, a contract may not be issued. The school may also recommend that a student withdraw from Shelton School.

#### Math and Foreign Language Final Pass

- Math and Foreign Language classes are different from other academic courses because of the cumulative aspect of the curriculum. Therefore, if a student fails the first semester of a math or foreign language class but passes the second semester with a grade that, when averaged with first semester grade equals a 70 or above, the student will receive full credit for the class.
- The first semester failing grade will appear on the official transcript. The second semester grade does not replace the first semester failing grade in the cumulative grade average; however, one full credit will be issued for the year.

#### Summer School, Online and other Courses for Credit

- Students will receive credit for all summer classes (including online classes) taken
  at Shelton Upper School or other institutions, and the grades earned will be
  calculated into the cumulative grade average.
- Any course taken for credit online or at another institution must receive approval by the Upper School Administration prior to enrollment in the course.
   Otherwise, credit may not be issued.
  - 1. Any credit course passed prior to the completion of 8<sup>th</sup> grade will be counted as high school credit but will not be calculated into the student's cumulative grade average.
  - 2. Students may earn up to two credits through online classes and must obtain prior approval.
  - 3. Shelton Upper School students must receive prior approval from the Upper School for college credit earned while in high school.

#### Class Rank and GPA

Shelton does not report class rank for our students, however, an internal class rank is kept for college admission purposes and can be shared upon request. Shelton will provide the cumulative numerical grade average, based on a 100-point scale. Shelton does not convert numeric grade averages to a 4.0 scale or to any other scale.

Shelton <u>does</u> report class rank for seniors who are in the top 10% of the class for college admission purposes.

#### **Valedictorian and Salutatorian**

The valedictorian is the senior with the highest cumulative grade average. The salutatorian is the senior with the second-highest cumulative grade average, based on the first seven semesters of high school. This means a student is responsible for turning in the assignments before leaving school for the activity. If the student is not on campus the day of the activity, the work will be due upon the student's return to campus.

After the 21 calendar days, the student becomes eligible if he/she has passing grades in all courses. The student remains ineligible for another 21 calendar days if failing any course. If the student is still failing after 42 calendar days, the student will remain ineligible until the next report card.
- 4. Students receiving an incomplete grade on the report card will be ineligible until the grade becomes complete and is a passing grade. If the incomplete grade becomes

- complete and is a failing grade, the student will remain ineligible for the remainder of the 21 calendar day period, and will follow the process as listed above.
- 5. Ineligibility for activities in the first 21 calendar days of the second semester is based on failing or incomplete grades for the first semester and/or failing or incomplete grades for the second nine weeks.

- 7. While ineligible, a student may attend practices, but may not participate in extracurricular competitions, performances, or activities (i.e. compete in an athletic event, perform or participate in a play, participate in school-day club meetings, or participate in other extracurricular activities as an organizer or officer). Students may visit the Library with a specific class, the librarian may visit classrooms to introduce specific electronic resources for a research project. They are taught skills of information technology—how to find, evaluate, and use information effectively and efficiently. We prepare the students with Research and Documentation skills for their college career. Issues of plagiarism, ethical use of resources, and time management in the Research process are stressed. Students may visit the library individually, before or after school, to consult with the librarian on research questions and assignments.

Shelton library media centers provide curriculum support and research guidance, along with books and information, for students, teachers, parents, staff, and administration. The libraries support a program that encourages inquiry learning, critical thinking, creative expression, individual investigation, and research. We strive to make our services, materials, and instruction appropriate for meeting the needs of students with learning differences and those who teach them. The students will acquire and use information-seeking skills to find, evaluate, and use information. To promote a love of reading and lifelong learning. Both libraries also serve the recreational needs of their users through quality fiction and nonfiction books, Playaways (portable audiobooks), e-books, newspapers, journals, and magazines that are reflective of our users' interests.
