Lecture Classes

Lecture classes will be in person with videos and guest speakers. Classes are not credit bearing and will meet once a week at school. If you miss your class time, a makeup must be completed asap. Book work will be assigned and must be handed in by assigned date to count. Late assignments will lose points for each day late. After a week late, it will result in a zero for that assignment. Students must maintain an average of 65 or better to pass the course. All work must be completed regardless of grade. Attendance is mandatory so arriving late or leaving early is not permitted and will affect your attendance grade.

Driving Classes

Students will drive and observe once a week for 90 minutes each class. Vehicles will be leaving school grounds promptly and therefore lateness will not be permitted. The use of electronic devices is prohibited throughout the driving session. Tips/videos for teaching and practicing skills will be available on my webpage at www.kpdriversed.com.

Applications and Registration

All applications must be submitted to District Office room 104, Attention to L. Florio by September 8, 2023, to be considered for the program. Students are enrolled on a first come, first served basis. If mailing your application, please remember to leave extra time so school receives it before the deadline.
