We are...Northwest! Go Mounties!

July 27, 2021

Northwest Community Schools is excited to announce our partnership with Early Impressions, LLC. for preschool and childcare services effective August 23, 2021.

With this new partnership, the high-quality, student-focused preschool and childcare programming will continue for all little Mounties. Northwest Early Impressions Preschool and Childcare will continue to embrace our NW Mission, Vision and Core Values that creates the positive culture in our Mountie Nation and create a seamless transition for preschool students entering into Northwest Early Elementary.

We are still early in the transition process and additional updates will be available on our website (www.nwschools.org). In the meantime, parents can continue to enroll through the NW Preschool and Childcare program for programming. Any other questions regarding Northwest Early Impressions, please email am.earlyimpressions@gmail.com.

Please join us in welcoming Early Impressions to the Mountie Nation Family.

Have a great day!

Geoff Bontrager, Ed.S.

Superintendent
