Dear Parents,

Edmonds School District's Preschool Program strives to provide high-quality preschool while keeping costs to our families as low as possible. Following a review of comparator districts, the decision was made to raise the monthly tuition to \$400 due to the rising costs of meals, supplies, equipment, wages, and utilities.

Effective 09/01/23, this increase keeps our program competitive with other programs in our area while still allowing us to provide excellent early learning education.

We apologize if this has caused you any inconvenience. We recognize that the tuition increase may be a challenge for you and your family, and that you may seek alternative early learning programs. We are informing you as early as possible so that you can make other arrangements if needed.

If you have any questions or concerns, please email us at edmondspreschool@edmonds.wednet.edu.

Thank you,

Early Learning Program
