

## CLASS SCHEDULES

Parent Portal opens this Friday at 4pm for students and parents to view student schedules for all FMSD students.

Please note that schedule changes will ONLY be made to schedules for the following reasons:

1. There is a class missing.
2. Student has GT classes on their schedule and should not have them OR student does not have GT classes on their schedule and should.
3. Student has an IEP or 504 plan that requires a different placement.
4. If a 6th grade student would like to be added to our band class.

\*Please note: Our administrative staff has worked extremely hard over the summer to balance classes across all aspects related to scheduling. Related Arts typically is our biggest change request. With our large school size, we are unable to adjust Related Arts classes at this time. In addition, if you child does not know anyone in his or her classes, then they have a great opportunity to make new friends.
