4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the up coming school year.

1. We will give all Free/Reduced students an ASB card at the beginning of the year, since they are free to them. They will not have to come and ask for one.
2. Better advertising - of what clubs/sports are available. Send out a list to every student with links on how to join.
3. Club Fair during school for kids to see what is available and it will be an opportunity to talk to the advisors and coaches and a chance to sign up.
4. Better advertising for under represented sports, especially non-cut sports that have very little equipment associated with them. Track, Cross Country, etc
5. More posters to show when clubs are meeting and how to join.
6. Advertise on the TV's throughout the school.
7. Improve use of District wide communication tool, ParentSquare, for information regarding extra-curricular participation for Free/Reduced students.
