BACK TO SCHOOL IN THE FORT MILL SCHOOL DISTRICT

FORT MILL, SC — The Fort Mill School District will welcome more than 18,000 students to our buildings on Monday, August 21. If your news organization would like to record video or broadcast live at a school location on Monday morning, we ask that you plan to visit Riverview Elementary School (RVES).

We will have space available in the car rider drop-off line located at the front of the school for live shots or video recording, along with interview opportunities with Chief Communications Officer Joe Burke, Principal Darleen Romenick and/or 2022 District Teacher of the Year Mandy DeMeio.

RVES is the only school or district facility with permission to host media on the first day.

RVES is located at 1300 Spratt St, Fort Mill, SC 29715.

If you plan to send a news crew please RSVP as soon as possible to Joe Burke at burkej@fortmillschools.org.
