What's Is Battle of the Books?

- A reading incentive program and competition -using their knowledge of the books.
- For 2nd - 6th graders at Valley View. It's free & during school -except for reading.
- Students read from their grade list of books, they can also read with someone, or listen to audio books—Anyone can enjoy BofB!
- They can join a team to compete, but they don't have to to participate. Competition is based on knowledge of the books. If they are on a team, they will commit to reading at least three Battle Books, but everyone can read as many as they choose.
- They do not need to be on a team to participate-they can just read & earn coins.
- Team practices will be held Thursdays during morning recess, starting in January.
- Students can earn 'virtual coins to spend at the Library Store in March, if they choose. To earn coins they need to: read a Battle Book-from their grade list, fill out a Book Blurb & pass a small quiz. They then turn the Blurb & Quiz into Mrs. Thorpe.
- They can also earn - knowledge, awards, fame & glory (and even become a better reader!)
- School Competition the week of March 4-8 during prep classes, 2nd – 6th grades.
- District Competition on March 22, 2024 for winning teams in 3rd – 6th grades.
