****Please read and discuss Delta's terms of parking lot use with your student.**

I agree to the following terms of parking:

When entering and exiting the parking lot, I will be mindful of pedestrians and other vehicles.

I will use the appropriate lane to exit, not jumping the line by using the right lane, if turning left.

I will park in student assigned spaces only and not block bus lanes or drop off/pick up lanes at any time.

Each permit issued is guaranteed 1 parking space. I will register any vehicle that I drive with the office and place the hanging permit in the windshield of whichever car I drive to school.

I understand that any vehicle not displaying a current parking permit may be towed without further notice.

I will follow school policies regarding appropriate conduct while parked on campus.

Delta High School and its respective school districts are not responsible for any vandalism or theft of any vehicle. It is the driver's responsibility to secure any valuables. Lock car doors when not inside vehicle.
