

AJH Mission:

We provide a safe place for every student to learn and prepare for high school and beyond through opportunities for academic discovery and enrichment.

AJH Vision:

All students feel valued and are motivated to succeed in a supportive and student-focused academic environment.

AJH Core Beliefs:

We believe in collaborating on strategies that will help students achieve.

We believe in working together to build knowledge and shared capacity to make informed decisions.

We believe in recognizing and knowing our students and community in order to best serve them.

We believe that students face significant life choices and need support in making wise and healthy life decisions.

AJH Core Beliefs:

We believe that all students have the capacity to be lifelong learners.

We believe that all students are individuals.

We believe
every person has value and potential.

AJH Mission, Vision and Core Beliefs

1. The word that holds the most power
2. The phrase that is lingering in your mind
3. The core belief that you connect with the most
