WELCOME TO THE METROPOLITAN SCHOOL DISTRICT OF PIKE TOWNSHIP

We wish to take this opportunity to welcome you as a new employee of the Metropolitan School District of Pike Township. Also, we wish to extend our best wishes for a successful career with our school system. We are proud of our reputation in the area as a leader in education. In order for all of us to succeed as a school system, it is necessary that we maintain our high standards of education and service to the community to insure continued success.

We feel that our school system offers an employee numerous rewards for hard work, dedication and innovative thinking. Your success in this school system can be both challenging and rewarding. We utilize a Human Dignity Policy that stresses courteous and efficient service to everyone involved in the school system. If you will remember to treat everyone you meet - students, teachers and fellow workers alike - in the same manner you would like to be treated, you will be filling one of the basic requirements of a successful employee, and you will find your work personally, as well as financially, rewarding.

Human Dignity

The Metropolitan School District of Pike Township has a diverse, multicultural school community; a fact the Board of Education considers an asset and a source of pride and enrichment. This diversity, however, underscores the importance of sensitivity to the backgrounds, feelings, and concerns of students and community members and of meeting the moral imperative of an equal opportunity society free of prejudice and discrimination.

The Metropolitan School District of Pike Township believes it is part of our mission to provide a positive, orderly and harmonious environment in which respect for the dignity and worth of every member of the school community is recognized and promoted. The Board of Education believes that all employees, parents/guardians and students are entitled to be treated and are obligated to treat others with courtesy, fairness and decency. Only through the commitment and ongoing attention of each of us to a safe, caring and supportive atmosphere can we expect to achieve our objective of enabling all of our students to achieve their maximum potential as students, citizens and productive members of society.

Accordingly, in this school district, statements or behavior by any member of the school community which insult, degrade, harass, discriminate or stereotype any other person on the basis of race, color, sex (including transgender status, sexual orientation and gender identity), disability or genetic information, physical condition, age, socioeconomic background, ancestry, ethnic or national origin, military status or religion, are unacceptable.

Safe Schools

The Metropolitan School District of Pike Township believes that the safety and security of students and staff is a major priority. Safe schools require a collaborative effort of the Board of Education, administrators, teachers, students, parents and the community. A variety of prevention and intervention strategies, programs and activities must be in place to ensure students' and staff welfare.

Physical aggression, hostile behavior, intimidating acts of harassment, extortion, violent behavior, possession of weapons, or gang activity will not be tolerated. Anyone who demonstrates such behavior will be held accountable for his/her actions in accordance with the Student Discipline Code, Employee Discipline Code, up to and including discharge, and Indiana and Federal regulations.

Mitigation Plan: Respiratory Illness

Seasonal viruses and respiratory illnesses like the cold, flu, RSV, and COVID-19 continue to impact our school community. This document was developed with the most recent information available from the Center for Disease Control, Indiana State Health Department, and Marion County Public Health Department. No single action or set of actions will completely eliminate the risk of the transmission of viruses or respiratory illnesses, but the implementation of several coordinated interventions can greatly reduce that risk. This plan may be adjusted as needed.

Masks

-Masks are optional, regardless of vaccination status.

Health and Safety

1. Each school will have a designated contact person for reporting COVID-19 cases to the MCPHD.
2. All staff must be fever free for 24 hours before returning to school.
3. Each school facility will have a school health contact person.

“AT WILL” EMPLOYMENT STATUS

I UNDERSTAND MY EMPLOYMENT IS AT-WILL, i.e., MY EMPLOYMENT MAY BE TERMINATED AT ANYTIME FOR ANY REASON, WITH OR WITHOUT CAUSE AND WITH OR WITHOUT NOTICE AT THE OPTION OF EITHER THE SCHOOL SYSTEM OR MYSELF. ANY VARIATION, LIMITATION OR MODIFICATION OF THE RIGHT TO TERMINATE MY EMPLOYMENT AT ANYTIME FOR ANY REASON, WITH OR WITHOUT CAUSE OR WITH OR WITHOUT NOTICE, MUST BE SET FORTH IN AN EXPRESS WRITTEN AGREEMENT AND SIGNED BY BOTH THE SCHOOL SYSTEM SUPERINTENDENT AND ME. THIS HANDBOOK DOES NOT VARY, LIMIT OR MODIFY “AT-WILL” EMPLOYMENT STATUS. THIS HANDBOOK MAY NOT BE USED AS A BASIS FOR A CLAIM AGAINST THE SCHOOL SYSTEM OR ITS AGENTS, OFFICERS OR EMPLOYEES IN THE EVENT MY EMPLOYMENT IS TERMINATED. In the event there is any confusion as to the provisions of this handbook, the employee agrees that he/she will seek clarification of these policies and procedures from his/her supervisor or the Human Resources Department.

EMPLOYMENT POLICIES

AND

EMPLOYEE RELATIONS PHILOSOPHY

Many factors are considered when new employees are selected by the MSD of Pike Township. One of the primary considerations is the ability of persons to get along with their associates and their ability to project a good image to our customers, i.e. the students, parents and taxpayers of our community. Other considerations, such as the applicant's prior employment record, skill, experience, intelligence, honesty and dependability, are taken into account. You have been asked to fill out an application form. When this form was completed, it furnished the MSD of Pike Township with certain information regarding your personal and business qualifications, which have helped us to select you for employment. Your work references were carefully checked by the MSD of Pike Township and, we believe, you will be a valuable addition to our organization.

We consider our work environment at the MSD of Pike Township to be one of the finest work environments in the Central Indiana region. The work environment includes both the working conditions and the personal relationships between the MSD of Pike Township and the employee acting together as a team. We want you to feel free to talk to us, and we will feel free to talk to you. During the tenure of your employment, we always want to keep it this way. It is very important that every employee be treated as an individual and an important participant in the operation of our school system. We strongly believe that individual consideration in employee/school system relations provides the best climate for each employee's maximum development, for the teamwork between the employee and the school system, and for the attainment of common goals of both the employee and the school system.

It is our policy to provide you with the best possible working conditions and job security, to pay wages and compensation that compare favorably with other school districts, provide good benefits, fair treatment and consider and treat each employee with a personal and individual respect, which is rightfully deserved. By utilizing this philosophy, we feel the MSD of Pike Township and our employees can grow together and our relationship will be a mutually beneficial one.

EQUAL OPPORTUNITY POLICY

It is the policy of the M.S.D. of Pike Township to provide equal employment and advancement opportunities without regard to an employee's race, color, sex, religion, national origin, age or disability, sexual orientation or genetics. In addition to federal law requirements, MSD of Pike Township complies with applicable Indiana and local laws governing nondiscrimination in employment in every location. This policy applies to all terms and conditions of employment including recruiting, placement, promotion, termination, layoff, transfer, leaves of absence, compensation, and training. The School Board does not discriminate on the basis of religion, race, color, national origin, sex, disability, age, sexual orientation, gender identity, and United States Military Service in its programs and activities, including employment opportunities.

The Superintendent shall appoint a compliance officer whose responsibility it will be to ensure that Federal and State regulations are complied with and that any inquiries or complaints are dealt with promptly in accordance with law. S/He shall also ensure that proper notice of nondiscrimination for Title II, Title VI, and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendment Act of 1972, Section 504 of the Rehabilitation Act of 1973, and the Age Act is provided to staff members and the general public. Any sections of the Corporation's collectively bargained, negotiated agreements dealing with hiring, promotion, and tenure need to contain a statement of nondiscrimination similar to that in the Board's statement above. In addition, any gender specific terms should be eliminated from such contracts.

IMMIGRATION ACT REQUIREMENTS

Immigration Law Requirements: Under the provisions of the Immigration Law, the Metropolitan School District of Pike Township must attest that we have examined documents provided by the applicant hired that establishes both

the applicant's identity and eligibility for employment. Prior to the commencement of work, we will, therefore, require that you produce for inspection a U.S. Passport, citizenship papers, a resident alien card or a combination of either a Social Security card or a U.S. Birth Certificate and a valid driver's license. We will make photocopies of the documentation you produce, have you complete an I-9 form, and keep the documentation in our files for a minimum of three years. We will also use Homeland Security and Social Security Administration E-Verify program. E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of the Employment Verification Form (Form I-9). For covered government contractors, E-Verify is used to verify the employment eligibility of all newly hired employees and all existing employees assigned to Federal contracts or to verify the entire workforce if the contractor so chooses.

TRIAL EMPLOYMENT PERIOD

Introductory Period:

1. All new classified staff will be placed on introductory status for ninety (90) days. At sixty (60) days there will be a verbal evaluation between the employee and supervisor. After ninety (90) days there will be a written evaluation relevant to his/her performance. A satisfactory evaluation will result in placing the employee on non-introductory status. An unsatisfactory evaluation will result in dismissal, unless an extension of the introductory period is recommended. In most instances bus drivers will serve their introductory period as substitute bus drivers. During this trial period, the school system will give careful consideration to your work and attitude, your ability, and your future value to the school system. You also have the opportunity during this time to consider whether or not this is the kind of organization you wish to work for and whether the type of job you have is right for you. During this period, employment may be terminated by you, without notice, in which event there will be no adverse employment references. Likewise, if we feel your employment relationship is not going to work for our mutual benefit, your employment may be terminated by the school system, without notice, and for any cause the school system deems to be sufficient. Your progress during this period will be reviewed with you to make sure our employment relationship is a smooth one. This trial period is important for both you and the School System because we hope your employment with us will be satisfactory to you for a long period of time.
2. The ninety (90) day introductory period provides you a chance to demonstrate your ability, skill, interest and to determine for yourself whether you feel satisfied in the position to which you have been assigned.
3. Introductory status means that fringe benefits, **including paid holidays**, will not be in effect for full time employees for the ninety (90) day introductory period.
4. **THE EMPLOYEE UNDERSTANDS THAT COMPLETION OF THIS TRIAL EMPLOYMENT PERIOD WILL NOT BE CONSTRUED TO CREATE ANY CONTRACT OF EMPLOYMENT: ALL EMPLOYMENT WITH THE SCHOOL SYSTEM IS "EMPLOYMENT-AT-WILL" AND MAY BE TERMINATED AT ANY TIME FOR ANY REASON, WITH OR WITHOUT CAUSE AND WITH OR WITHOUT NOTICE AT THE OPTION OF EITHER THE SCHOOL SYSTEM OR THE EMPLOYEE. THE EMPLOYEE AGREES THAT HE/SHE HAS NOT ENTERED INTO THE AT-WILL EMPLOYMENT RELATIONSHIP IN RELIANCE ON ANY PROVISION OF THIS HANDBOOK AND THAT THIS HANDBOOK MAY NOT BE USED AS A BASIS FOR A CLAIM AGAINST THE SCHOOL SYSTEM OR ITS AGENTS, OFFICERS OR EMPLOYEES IN THE EVENT EMPLOYMENT IS TERMINATED.**

EMPLOYEE ORIENTATION

New employees undergo an employee orientation procedure. This procedure will be conducted by a designated representative of the school system and your immediate supervisor. However, we realize many questions may later arise concerning policies and procedures. Be sure that any questions you have are answered to your satisfaction, first, by your immediate supervisor, and then, if necessary, by our Human Resources Department.

PERSONAL RECORDS

It is absolutely essential that you notify the payroll department of any change of your address, telephone number,

marital status, changes of dependents, change of name, change of beneficiary, or any other personal information which is a part of your employment record. These changes could affect your eligibility under fringe benefit programs carried on by the School System. Please make sure the School System is notified of any such changes, as the School System cannot be responsible for any detriment to an employee who has not notified us of such change within 30 days.

EMPLOYMENT PROCEDURES

Classified personnel shall be selected from a list of qualified applicants available. The Superintendent of Schools, or his delegated representative, shall select qualified persons for part or full time vacancies in the table of organization for classified personnel employed by the school district.

ASSIGNMENT OF PERSONNEL

The School Board believes that the careful placement of support staff within the Corporation is vital to the utilization of qualified and competent support staff for the successful functioning of the Corporation. Responsibility for the assignment and transfer of support staff members shall be vested in the Superintendent.

PROMOTIONS AND TRANSFERS

Consistent with good business practices and the needs of the School System, we will look first to fill promotions and transfers from within the School System. Upon learning of any job vacancy, any employee who wishes to apply for that position should submit his or her request in a short written form to the principal or the Human Resources Department. The employee's skills, ability, attendance, productivity and general work record will be considered, as well as the employee's length of service. The employer can choose others with less or no seniority.

WAGE AND SALARY POLICY

Our School System maintains what it considers to be an extremely competitive pay schedule, as well as a competitive and modern fringe benefit program. Various job classifications receive different rates of pay, and employees of various positions are compensated in different fashions. You will be told your rate of pay and method of compensation when you are first employed. The School Board reviews our pay rates and pay policies to insure that our employees are paid fairly and that our pay rates are competitive in the area. You will be evaluated on a yearly basis. If a pay increase is approved for classified staff, those who received an evaluation rating of "effective" or "highly effective" will receive a pay increase. Individuals with a rating of "needs improvement" or "ineffective" will not be eligible for a pay increase.

PAY PERIODS

Classified staff will be paid bi-weekly, unless otherwise dictated by the school calendar. There are a maximum of 26 pays in a calendar year. If a payday falls on a holiday, check the district's master calendar for the pay schedule. If you believe there is an error in your paycheck, **contact your supervisor** who should report it to payroll, if necessary. Effective January 1, 2011 all employee paychecks will be by direct deposit, please contact the payroll department if you need assistance.

SNOW DAYS / DELAYED DAYS

All office, custodial and maintenance classified employees must report to work at the regular time on snow days and delayed days. Reasonable caution should be taken for travel to work. Safety should not be at risk. Those who believe it too dangerous to venture out must call their supervisor. Such personnel may elect to use a personal or vacation day with approval from building principal or a director.

Inappropriate use of sick days is fraud. If school is closed, teacher assistants, and bus monitors will not report to work and will not be paid. If school is delayed, teacher assistants and other hourly employees will be paid for hours actually worked.

To respect the safety of our employees during weather related and emergency school closing days, the superintendent will make the decision regarding employee work schedules. When the superintendent determines that conditions are such that reporting to work creates a safety risk, all MSD of Pike Township buildings and offices will be closed and only employees designated by the superintendent as essential to maintain and/or attain safe district operations shall report to work. Year-round administrative and hourly employees will then have the option to make up the missed time in a flexible work schedule approved by their supervisor or choose to use a personal or vacation day to cover the missed time.

PAYROLL DEDUCTIONS

You should keep in mind that your take-home pay does not represent the entire amount of your earnings. Various payroll deductions are made each payday in order to fulfill federal and state government requirements pertaining to taxes and Social Security. Other deductions may be made for fringe benefits such as medical, dental or vision insurance and our Section 125 Plan.

TIME RECORDS

We are required by federal and state law to maintain an accurate record of all hours worked for each employee during a particular work week. The actual start and ending of your work week in your pay period may vary from position to position. Your immediate supervisor will inform you of the pay schedule. In order for us to comply with the law, it is mandatory that each employee accurately complete a time record appropriate to his or her department. **This time record must be in the employee's own handwriting** or by time clock, and must be certified bi-weekly by the employee as a true and accurate record of all hours worked. **It is a violation of School System policy for anyone other than you to mark time records.** All-time records must be signed by your immediate supervisor. It is a condition of employment that these records should then be submitted to Payroll, as required, in order for you to receive your pay. Any change in employee start and stop time needs to be approved through your supervisor.

OVERTIME

Time records cannot be started earlier than five minutes before your regularly scheduled starting time, and not more than five minutes after your regularly scheduled quitting time, unless authorized by your supervisor. Any overtime must first be approved by the Director of Classified Human Resources & School Support Services prior to performing the work. If you are required to work overtime, then indicate on your time record and on the overtime request form when you start work and when you stop work. Overtime is only permitted for employees whose actual work week has or will exceed 40 hours. Sick days, vacation days and/or any other leave during such a week do not count toward the 40-hour total.

WORKING CONDITIONS

The School System will attempt to maintain the best possible working conditions we can. In this regard, we wish to keep a clean, safe facility; in short, a facility you will enjoy. If any condition exists which, in your opinion, is unsafe, unsightly, or under par, please notify your supervisor immediately. If the condition continues to exist, please contact the Principal or the Human Resources Department.

You should follow all safety and school regulations which will protect you and others from inconvenience or serious injury. Employees are responsible for following all safety rules and for using approved safety equipment furnished by the School System.

Your suggestions for safety, as well as suggestions for the improvement of any other phase of our operations, are encouraged at all times. It is the School System's intention that everyone follows good safety practices, including OSHA and other regulations. Failure to comply with safe working practices may result in suspensions and/or termination.

All work related injuries and accidents must be reported promptly to the Human Resources Department. Our insurance policies require the immediate notification to our insurance company.

HARASSMENT POLICY

It is the policy of the School Board to maintain an education and work environment which is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School Corporation operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against harassment based on transgender, sex, race, color, national origin, religion, disability, genetic information, age, sexual orientation, gender identity and United States Military Veterans or any other unlawful basis, and encourages those within the School Corporation community as well as third parties who feel aggrieved to seek assistance to rectify the problems. The Board will investigate all allegations of harassment and in those cases where unlawful harassment is substantiated; the Board will take immediate steps to end the harassment. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

For purposes of this policy, "School Corporation community" means students, administrators, teachers, staff, and all other school personnel, including Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

For purposes of this policy, "third parties" include, but are not limited to, guests and/or visitors on School Corporation property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School Corporation community at school-related events/activities (whether on or off School Corporation property).

- Other Violations See Board Policy 4362 – Anti-Harassment

EMPLOYEE COMMUNICATIONS

We want you to be happy and satisfied with your job. For this purpose, we emphasize two-way communication between the School System and our employees. We realize that from time to time it is only normal that situations may arise wherein an employee has a question or complaint about some aspect of his or her employment with the School System. Because questions can only be answered and complaints can only be rectified when there is communication between the School System and its employees, the School System has established an open door policy with respect to the availability of supervisors, principals and Human Resources Department. This is extremely important in order for us to maintain good channels of communications between the School System and you.

Although we feel no formal procedure is necessary to maintain good relations with employees, we urge that whenever you have a question or complaint, you make use of this communication policy. Communication is a two-way street, and the School System cannot help you with a problem unless you bring it to our attention. It is likely that most questions or problems can be resolved by discussing them with your supervisor. Thus, your supervisor is always free to discuss a problem with you.

It is best if discussion is initiated promptly after a question arises so that it may be dealt with without unnecessary

delay.

If you and your immediate supervisor cannot resolve the question or problem, you should then present your views to the principal. The Human Resources Department is always available if the question is not resolved. We want you to feel free to present your views and, to this end, we pledge that no employee will be adversely treated for presenting his view of a problem to the School System. All matters of this sort will be settled promptly in accordance with School System policy. We hope this procedure will allow us to head off the minor problems in your employment relationship before they become major problems.

ELECTRONIC MAIL COMMUNICATIONS

Electronic mail (E-mail) is deemed the property of the School System and should be used for School System purposes only. Employees have no personal privacy rights in any matter created, received, or sent on the E-mail system. As School System property, E-mail communications or information should only be disclosed to other authorized employees. Nothing should be entered into the E-mail system without a good reason, and the School System reserves the right to monitor the E-mail system to assure that it is being used for school purposes only.

PERSONAL APPEARANCE

We cannot emphasize enough the importance of personal appearance and cleanliness in our business. Your appearance is important to you and to the School System. It affects the opinions of those with whom you work and affects the opinions of our customers, the students, parents and taxpayers of our community. Moderation and good taste in dress and grooming are desired.

STAFF DRESS

It is expected that all Pike employees demonstrate a level of professionalism in their appearance that is commensurate with the importance of our work with students. With this in mind, the following guidelines have been established for all Pike employees to demonstrate our commitment to setting good examples for students to follow as well as respect.

- A. Clothing that is clean and free from holes and tears.
- B. Clothing that is free of any ornamentation that is disruptive, offensive, or inappropriate for a school setting.
- C. Footwear will ensure reasonable safety for job activity.
- D. Clothing will be of sufficient length and looseness for necessary body coverage while standing and in positions of movement so as not to be revealing of cleavage, midriff or abdomen, lower back or buttocks, or upper leg.
- E. Jean pants are not considered regular school attire but may be worn on designated days and as warranted by the day's activity.

Violation of these guidelines in any given school year will be addressed as follows:

1 st violation:	Verbal warning
2 nd violation:	Verbal reprimand
3 rd violation:	Written reprimand
4 th violation:	Disciplinary action taken at the District level

EMAIL

Electronic mail (E-mail) is deemed the property of the School System and should be used for School System purposes only. Employees have no personal privacy rights in any matter created, received, or sent on the E-mail system. As School System property, E-mail communications or information therefrom should only be disclosed to

other authorized employees. Nothing should be entered into the E-mail system without a good reason, and the School System reserves the right to monitor the E-mail system to assure that it is being used for school purposes only. All Classified employees will be assigned an email address for district communication.

COMMUNICATION WITH STUDENTS, PARENTS AND TAXPAYERS

The School System's record of success has been greatly influenced by our employees' appreciation of their responsibility to our customers, i.e. students, parents and taxpayers. Our continued success will depend to a large degree on how we will continue to satisfy them. The student, parent or taxpayer will not always be right, but don't argue with them. If you cannot satisfy him/her with a considerate and courteous discussion, refer the person to your supervisor. **Discourtesy to students, parents and taxpayers will be considered a violation of School System policy and will subject you to discipline up to and including discharge.**

THE SCHOOL SYSTEM'S EMPLOYMENT BENEFIT POLICIES

The School System maintains what it considers to be an extremely competitive and modern employment benefit program consistent with other benefit programs in our area. The following sections of this handbook outline these various programs. If you have any questions concerning these policies or programs, please contact the Benefits Specialist (387-2204) for clarification.

FULL TIME CLASSIFIED EMPLOYEE BENEFIT INFORMATION

- M. FMLA:
Our School System complies with the Family and Medical Leave Act (FMLA). Pursuant to FMLA, an employee is entitled to take up to twelve (12) weeks of unpaid FMLA leave in any twelve (12) month period to eligible classified staff members for the following reasons:
 - A-1. the birth of a child and/or the care of a newborn child within one (1) year of the child's birth;
 - B-1. the placement of a child with the staff member by way of adoption or foster care and/or to care for the child within one (1) year of the child's arrival;
 - C-1. the staff member is needed to care for a spouse, son, daughter, or parent if such individual has a serious health condition; or
 - D-1. the staff member's own serious health condition prevents him/her from performing the functions of his/her position.

Leave Entitlement

Service member FMLA provides eligible employees unpaid leave for one, or for a combination, of the following reasons:

- A-2. A "qualifying exigency" arising out of a covered family member's (spouse, son, daughter, or parent) covered active duty or call to covered active duty in the United States Armed Forces including the National Guard and Reserves. Qualifying exigencies, as defined by Federal regulations, include: 1) short-notice deployment; 2) military events and related activities; childcare and school activities; 4) financial and legal arrangements; 5) counseling; 6) rest and recuperation; 7) post-deployment activities; and 8) additional activities not encompassed in the other categories, but agreed to by the employer and employee. Covered active duty means deployment with the Armed Forces to a foreign country.
- B-2. To care for a covered family member, including next of kin as provided in the statute, who has incurred an injury or illness or aggravation of a pre-existing illness or injury while in the line of duty while on covered active duty in the United States Armed Forces, including the National Guard and Reserves, provided that such injury or illness may render the family member medically unfit to perform duties of the member's office, grade, rank, or rating. Covered active duty means

deployment with the Armed Forces to a foreign country. This leave is also available to care for veterans of the United States Armed Forces, including the National Guard and Reserves, provided the veteran was a service member at any time within the five (5) years prior to the start of the treatment, recuperation or therapy.

Duration of Service Member FMLA

- A. When leave is due to a "Qualifying Exigency": An eligible employee may take up to twelve (12) work weeks of leave during any twelve (12) month period. Such leave shall be counted with regular FMLA leave time in calculating the twelve (12) weeks of allowable leave.
- B. When leave is to care for an injured or ill service member: An eligible employee may take up to twenty-six (26) work weeks of leave during a single twelve (12) month period to care for the service member who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness. This is a onetime benefit per service member. Leave to care for an injured or ill service member, when combined with other FMLA-qualifying leave, may not exceed twenty-six (26) weeks in a single twelve (12) month period.
- C. Service Member FMLA runs concurrent with other leave entitlements provided under Federal, State and local law.

General Provisions

Staff members are "eligible" if they have worked for the Board for at least twelve (12) months **and** for at least 1,250 hours over the twelve (12) months prior to the leave request. Months and hours that reservists or National Guard members would have worked if they had not been called up for military service count towards the staff member's eligibility for FMLA leave/Service Member Family Leave. Employment service time may be aggregated when the break in employment service is less than seven (7) years, is for fulfillment of military obligations, or if the employee is subject to recall under a written agreement (NOTE: this includes a collective bargaining agreement).

Twelve (12) month period is defined as a rolling twelve (12) month period measured backward from the date the staff member uses FMLA leave (i.e. the "leave year" is specific to each individual staff member).

For Service Member Family Leave, the use of the twenty-six (26) weeks will be measured forward from the first date on which the employee takes leave.

Serious health condition is defined as an illness, injury, impairment, or physical or mental condition that involves:

- A. Inpatient care, including any period of incapacity or any subsequent treatment in connection with such inpatient care; or
- B. Continuing treatment by a health care provider, including:
 - 1. A period of incapacity of more than three (3) consecutive calendar days and any subsequent treatment or period of incapacity relating to the same condition that also involves either in-person treatment two (2) or more times by a health care provider within thirty (30) days of the first date of incapacity, absent extenuating circumstances beyond the employee's control, or in-person treatment by a health care provider on at least one (1) occasion which results in a regimen of continuing treatment under the supervision of a health care provider;

The first visit to the healthcare provider must occur within seven (7) days of the first date of incapacity.

- 2. Any incapacity due to pregnancy or for prenatal care;

3. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition;
4. A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective;
5. Any period of absence to receive multiple treatments by a health care provider either for restorative surgery after an accident or other injury or for a condition that would likely result in a period of incapacity of more than three (3) consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), or kidney disease (dialysis).

Employees are required to provide a certification and periodic recertification supporting the need for leave. (submitting through www.fmlasource.com)

- C. Conditions for which cosmetic treatment are administered are not “serious health conditions” unless inpatient hospital care is required or complications develop. Ordinarily, unless complications arise, the common cold, the flu, ear aches, upset stomachs, minor ulcers, headaches other than migraines, routine dental or orthodontia problems, periodontal disease, etc., are conditions that do not meet this definition and do not qualify for FMLA leave.

- **For further details see Board Policy #4430.01 – Family & Medical Leaves of Absence (“FMLA”)**

N. Leaves of Absence:

There are times when leave of absence situations are not covered by the FMLA. In these situations, if an employee is not eligible for FMLA leave based upon length of employment, a leave of absence may be granted at the School System's discretion pursuant to this paragraph. To be eligible for a leave of absence, an employee must have worked longer than his or her ninety (90) day probationary period. If such an employee must be absent for an extended period of time (to exceed 5 working days) for any medical or non-medical reason, the employee must request a leave of absence, in writing, to the Director of Classified Human Resources & School Support Services.

Employees on maternity leave who do not meet the requirements for Family Medical Leave and who have used up all accrued sick and personal leave may continue their health coverage by paying the active employee rate for their elected coverage for up to six (6) weeks for a normal delivery and eight (8) weeks for a cesarean section.

Leaves of absence will only be granted for good cause. Due to the size of the School System, we cannot guarantee re-employment at the close of a leave of absence for leaves not covered by FMLA. Leaves may be granted for a period not to exceed sixty (60) days, and may be renewable for good cause by agreement between the School System and the employee. During the leave of absence, the employee's seniority and vacation entitlements shall not accrue. The employee must check with the Benefits Specialist's office to determine on what terms and conditions his or her medical insurance will continue (if applicable) during the leave of absence. The School System may request doctor's statements, when appropriate, as a condition of continued leave of absence. No employee may use a leave of absence to "try out" other employment. All leaves of absence are subject to verification and approval by the School System.

O. Paternity Leave:

When a child is born to the wife of an employee, after the birth of the child, a maximum of five illness days may be used for such leave.

P. Military Leave:

Employees inducted voluntarily or involuntarily into active military service will be given treatment in accordance with applicable federal law. In the case of reservists attending annual training, you will be granted a temporary leave of absence with no effect on your vacation leave, sick leave, or other normal benefits. Your supervisor

should be given evidence of the dates of your military leave as far in advance as possible. Upon your return, you should furnish your supervisor with evidence that you satisfactorily completed the training period.

In the case of active duty for reservists other than annual training, the length of the period of military leave determines the School System's rights and obligations and yours. You should provide notification to your supervisor as far in advance as possible of such leave, and submit the documentation you receive at the completion of the military service to your supervisor. You should consult with your unit legal clerk regarding any other requirements. You will be given treatment in accordance with applicable Federal Law.

 - a. Have served the last ten (10) complete consecutive years in the Metropolitan School District of Pike Township.

The July 1 notification deadline will be waived for any employee retiring during the school year, in order to implement the benefit immediately. If you have any questions regarding this benefit, please contact Human Resources at 387-2564.

R. Jury Duty:

The School System has adopted the following policy with regard to jury duty:

An employee may serve on jury duty upon presenting a copy of the court order to his/her immediate supervisor. The employee will be paid his/her full salary less the actual amount per day paid by the court for such appearance. Those costs listed as meals, parking, or mileage, shall be retained by the employee. It is the employee responsibility to secure from the court and deliver to payroll verification of the court duty. Failure to provide proper verification will result in a loss of a day's pay for each unaccounted day. Deductions will be made on the next payroll period. We do believe in community service.

S. Other Employment Benefits:

1. Social Security: As defined in the Social Security Act, you may be eligible at certain times for pension or disability benefits. By law, we are required to contribute a percentage of your earnings to the federal Social Security program. The percentage, as well as the pay the percentage applies to, is changed by the federal government from time to time. Your contribution is deducted from your earnings in addition to the amount of withholding tax we must deduct from your earnings.
2. Worker's Compensation: Worker's Compensation is required by state law and paid for entirely by the School System, and protects you in the event of an on-the-job injury or sickness relating to your employment. **Any accident on the job, no matter**

how small, must be reported immediately to your supervisor. Failure to report an accident within 24 hours will result in a written reprimand. Multiple failures to follow this process could result in future disciplinary action, up to and including termination. If the worker's comp injury or illness also qualifies as a serious health condition under FMLA (page 17 section M), the workers' compensation absence and FMLA leave may run concurrently. If you have any questions pertaining to Worker's Compensation, please contact Karen Smyser at 317-387-2239.

3. Unemployment Insurance: Under certain conditions, state law provides you with some compensation during periods of unemployment. The tax is levied on the School System to underwrite the total cost of unemployment compensation.

Reasonable assurance of employment will make you ineligible for unemployment compensation during the summer break, the winter break, the spring break, and all other breaks during the school year. Since you are ineligible for unemployment compensation during these breaks, any application for unemployment compensation during such a break will be considered as evidence of your intent to resign your employment and our records will reflect such resignation.

Several of our School System's work rules are worthy of special explanation to our employees. These rules are listed in the following pages in this section of the handbook.

SUBSTANCE ABUSE POLICY

The School Board believes that quality education is not possible in an environment affected by drugs. It will seek, therefore, to establish and maintain an educational setting which is not tainted by the use or evidence of use of any controlled substance.

The Board shall not permit the manufacture, possession, use, distribution, or dispensing of any controlled substance, including alcohol, and any drug paraphernalia, by any member of the Corporation's support staff at any time while on Corporation property or while involved in any Corporation related activity or event. Any staff member who violates this policy shall be subject to disciplinary action in accordance with Corporation guidelines and the terms of collective bargaining agreements.

The Superintendent shall establish guidelines that ensure compliance with this policy and that each staff member is given a copy of the standards regarding unlawful possession, use, or distribution of alcohol and illicit drugs by staff and informed that compliance with this requirement is mandatory. Such guidelines shall provide for appropriate disciplinary actions, if and when needed, which comply with the terms of any negotiated agreement.

USE OF TOBACCO ON SCHOOL PREMISES

The School Board recognizes that the use of tobacco presents a health hazard which can have serious consequences both for the user and the nonusers and is therefore, of concern to the Board.

For purposes of this policy, "use of tobacco" shall mean all uses of tobacco, including a cigar, cigarette, pipe, snuff, or any other matter or substance that contains tobacco, as well electronic, "vapor", or other substitute forms of cigarettes.

In order to protect students and staff who choose not to use tobacco from an environment noxious to them, and because the Board cannot, even by indirection, condone the use of tobacco, the Board prohibits the use of tobacco in school buildings at all time. Such prohibition also applies on school property, on school buses or school owned vehicles, and at any school-sponsored event.

ATTENDANCE POLICY

In order for our School System to function efficiently, we must have all employees present for work. Daily attendance records will be maintained by the School System. If you are going to be absent, you must telephone your supervisor by the start of your regularly scheduled work shift. **If your absence is unreported for a period of two days, without good reason, the School System will consider you have voluntarily terminated your employment.** Poor attendance may result in discipline up to and including discharge. Attendance records will also be taken into account when considering employees for promotion, advancement, pay increases, or transfer. **If you have to leave the premises for any reason, it is mandatory that you obtain permission from your supervisor prior to leaving and so note on your time sheet or time card.**
