

# EXPANDED LEARNING OPPORTUNITIES

## PROGRAM PLAN GUIDE

Prepared by:  
Vaughn Next Century Learning Center  
13330 Vaughn St.  
San Fernando, CA 91340

This Program Plan Template Guide is required by California Education Code (EC) Section 46120(b)(2) California Department of Education.

# Expanded Learning Opportunities Program Plan Guide

**Name of Local Educational Agency and Expanded Learning Opportunities Program Site(s)**

**Local Educational Agency (LEA) Name:** Vaughn Next Century Learning Center

**Contact Name:** Fidel Ramirez, Chief Executive Officer

**Contact Email:** framirez@myvaughncharter.com

**Contact Phone:** 818-896-7461

Instructions: Please list the school sites that your LEA selected to operate the Expanded Learning Opportunities Program (ELO-P). Add additional rows as needed.

1. VAUGHN NEXT CENTURY LEARNING CENTER-PRIMARY PANDALAND
2. VAUGHN NEXT CENTURY LEARNING CENTER- ELEMENTARY G3
3. VAUGHN NEXT CENTURY LEARNING CENTER- ELEMENTARY MAINLAND

## Purpose

This program plan describes program activities that support the whole child and students' Social and Emotional Learning (SEL) and development. The program plan is considered a living document that is periodically reviewed and adjusted to reflect the needs of the community and provides continuous improvement in the development of an effective Expanded Learning Opportunity Program (ELOP).

## Instructions

For 25 years, Vaughn Next Century Learning Center has served a resilient community of students and families in the Northeast San Fernando Valley. Nearly 100% of students attending Vaughn qualify for free or reduced lunch. Vaughn's mission is to provide all students with an exceptional education that will enable them to be college/career ready, digitally literate, and globally competent. Vaughn's ASES, 21st Century CCLC, and Expanded Learning Opportunity Program offers social-emotional learning, homework

assistance, and project-based activities that increase academic performance while keeping learning fun.

# Expanded Learning Opportunities

## Program Plan Guide

### **1—Safe and Supportive Environment**

*Describe how the program will provide opportunities for students to experience a safe and supportive environment.*

*Include if the program will be offered on the school site or off-campus.*

Vaughn Next Century Learning Center will offer the Expanded Learning Opportunities Program to all unduplicated pupils in grades TK -6 grade. The ELOP program will combine funding with the ASES (After School Education and Safety Program ) and the 21st Century CCLC program to offer more students an opportunity to participate in year-round academic support, enrichment activities, and field trips.

The Expanded Learning program has created a Safety Plan that is aligned with Vaughn NCLC's safety procedures. The Plan includes required health, safety, and behavior procedures for staff and participants. It covers risk management training to help ensure safety at school, including emergency procedures training covering fire, earthquake, and lockdown situations. All program staff is required to participate in annual mandated training that covers the following topics:

- Bloodborne Pathogens
- Child Abuse training
- Suicide prevention
- Sexual harassment
- Mandated Reporting

During program enrollment, parents/guardians are asked to provide the student's health/medical information to ensure that the program staff supports the child with any medical needs they may have. The ELOP program staff collaborates with the school nurse and health office assistants to coordinate staff training on health issues (i.e., seizures,

epi-pen, diabetes) and guidance on assisting students with any needed medication (i.e., inhalers, insulin). Additionally, Vaughn's Operations Manager coordinates COVID safety guidelines and ensures adequate supplies of PPE equipment are available for all staff and students.

The Expanded Learning Opportunity Program also provides adequate space indoors and outdoors to enhance learning opportunities. The program documents and communicates all safety-related incidents through written reports and communication to Vaughn's leadership team. The Expanded Learning Program maintains easy and accessible up-to-date records of all students participating in the program. Attendance is taken daily and reported into EZ Reports, a student system database. Students are signed in at the beginning of the program and are signed out only to authorized adults. Furthermore, the program staff is required to wear program staff shirts to help families identify them as school program personnel.

As it relates to behavior, Vaughn's staff helps students develop skills that build on their interests and strengths while having high expectations for behavior and achievement for all participants. Staff is required to follow the Positive Behavior Interventions Plans and Supports (PBIS) framework established by the instructional day program. PBIS helps students with their developmental and social-emotional learning and behavior expectations that promote the school's 3B's (Be safe, Be responsible, Be respectful) for the different after-school activities students engage in. Staff also participates in training on Active Supervision, PBIS, and Responding to Behaviors throughout the year. Lastly, Instructional day support staff (school psychologists, school counselors, school social workers, special education director, and mental health director) collaborate with after-school staff to provide best practices and strategies on how to support students, especially those with special needs.

## **2—Active and Engaged Learning**

*Describe how the program will provide opportunities for students to experience active and engaged learning that either supports or supplements but does not duplicate the instructional day.*

In addition to its existing ASES Program & 21st Century CCLC program, ELOP will join forces to offer Before School and After School services to Transitional Kindergarten

through Sixth-grade students. Adding these services to existing programs will increase school time to the full 9-hour day while providing fun, hands-on enrichment and nutritional snacks daily.

- Transitional Kindergarten - 1st grade @ Pandaland
- Second grade - Third grade @ G3
- Fourth -Fifth grade @ Mainland
- Six grade @ MIT

Vaughn NCLC is also working on the 30 additional days required in the ELO-Program by offering a summer camp program, ESY, and spring break educational field trips throughout the year. These 30 days will give students the opportunity to enhance their learning with hands-on activities. The ASES Supplemental funds combined with the Expanded Learning Opportunity Program funding will provide opportunities to a larger number of students.

Possible Academic Enrichment activities based on school need include

- Hands-On Math and Reading Activities
- Marine and wildlife studies
- Nature and environmental studies
- Arts and crafts
- STEAM Activities
- Books and Readers Club
- Sports
- Performing Arts
- Team building recreational activities
- Social Emotional Learning activities

The proposed activities will promote positive youth development through a focus on skill-building, social/emotional learning, and group work. Activities are designed to be collaborative and foster positive social development.

To promote engagement and retention, Vaughn Next Century Learning Center will incorporate student input in the planning of educational literacy and enrichment activities. Vaughn will conduct an annual survey of student interests that will guide program development. By promoting youth voice in program design, Vaughn ensures that activities align with student interests to increase engagement and promote student buy-in into activities.

### **3—Skill Building**

*Describe how the program will provide opportunities for students to experience skill-building.*

Vaughn NCLC strives to provide purposeful activities that link to instructional goals while presenting them to students through engaging activities (game-based, hands-on, project-based). As students strengthen their knowledge and skills in foundational reading and math, science, technology, art, and physical activities, they develop a sense of confidence. This confidence will lead to enhancing their creativity and reinforcing their self-worth in knowing they are capable. Enrichment services will be driven by the needs and interests of students and their overall academic success. Activities will align with Common Core Standards and expand learning based on instruction during the regular school day.

**Examples of Activities:**

ACTIVITIES	PROJECTS	CULMINATING PRODUCTS/ EVENTS
Physical Education	<input type="checkbox"/> develop basic skills to play a sport (i.e. basketball, soccer, bowling) <input type="checkbox"/> Obstacle course, relay races <input type="checkbox"/> Structured team building games	<input type="checkbox"/> Obstacle course tournament <input type="checkbox"/> Relay race tournament <input type="checkbox"/> Sports tournament
Enrichment	<input type="checkbox"/> learn how to draw, paint, and/or create like a famous artist <input type="checkbox"/> using household items to make art <input type="checkbox"/> use household items to conduct science experiments	<input type="checkbox"/> art exhibition <input type="checkbox"/> science fair
SEL	<input type="checkbox"/> Activities that help students correctly identify/express their emotions <input type="checkbox"/> socialize with their classmates <input type="checkbox"/> work together to accomplish a goal	<input type="checkbox"/> Friendsgiving event <input type="checkbox"/> Winter event <input type="checkbox"/> Friendship Month

**4—Youth Voice and Leadership**

*Describe how the program will provide opportunities for students to engage in youth voice and leadership.*

The Expanded Learning Opportunity Program will conduct student surveys at the beginning and end of each academic year to assess ongoing needs in the program. Through the surveys, students will provide input for improvements based on CQI quality standards. Program staff will actively involve students in designing academic, enrichment, and physical education services offered in the program. This will be done through ongoing

solicitation of input to gauge the social, emotional, and academic needs and strengths of students.

## **5—Healthy Choices and Behaviors**

*Describe how the program will provide opportunities for students to engage in healthy choices and behaviors. Describe how students will be served nutritious meals and/or snacks during the ELO-P hours of programming.*

The ELOP health and wellness programs for after-school services align directly with Vaughn’s wellness plan. Wellness Plan includes the following indicators that ELOP will support:

- Nutritional Content of School Meals - ELOP will provide students with state-approved snacks/meals under the direction and supervision of Vaughn’s Food Service Director.
- Physical Education Minutes - ELOP will provide 30 to 60 minutes of daily physical activity that promotes healthy practices.
- Wellness Activities- ELOP will create additional wellness activities to promote social-emotional development. In collaboration with school counselors, school psychologists, school social workers, and mental health director to embed social skills lessons from Second STEP, Wonder Kids, and other social skills curricula.

ELOP after-school program strives to incorporate nutritional practices by collaborating with Vaughn’s Food Service Director. As a result, ELOP will provide a nutritious snack daily to every student. During ESY, summer, and spring break, ELOP will provide a nutritious breakfast and lunch. Parents will be informed of Vaughn’s Wellness Policy to ensure that they enforce these practices at home.

As part of the Health and Wellness program, the ELOP after-school program will provide at least 30 minutes of daily physical activity.

- Locomotor skills: Running, jumping, hopping, and skipping
- Object-control skills: Catching, throwing, kicking, and bouncing
- Stability skills: Balancing, twisting, rotating, and landing

These skills are embedded in obstacle courses, relay races, tag games, basketball dribble activities, ball toss activities, ELOP will also implement additional wellness activities to promote social-emotional development. In collaboration with school counselors, school psychologists, and school social workers to embed social skills lessons from Second STEP, Wonder Kids, and other social skills curricula.

## **6—Diversity, Access, and Equity**

*Describe how the program is designed to address cultural and linguistic diversity and provide opportunities for all students to experience diversity, access, and equity. Describe how the ELO-P will provide access and opportunity for students with disabilities.*

*California Department of Education*

The program implemented at Vaughn NCLC will predominantly serve Latino students and families as well as other backgrounds that include white, African American, and Asian. Vaughn will link to the very strong commitment to diversity and celebration of student cultures which is a foundational feature of Vaughn and the Expanded Learning Opportunity Program.

Program staff will participate in honoring and celebrating Latino Heritage and Black History Month. Students engage in activities that include learning about important historical figures, participating in cultural dances, and creating art. ELOP will incorporate Women's History Month in order to empower girls by bringing awareness of extraordinary women.

The Expanded Learning Opportunity Program will implement Positive Behavior Supports (PBIS) principles and promote respect for all. Through social-emotional learning (SEL) lessons that address social skills, students will learn to be tolerant, compassionate, and safe toward the participants. Through PBIS and SEL, the after-school program is able to celebrate all children regardless of race, ethnicity, gender, or sexual orientation.

Vaughn serves a very high population of English Language Learners (ELLs); therefore, ELOP will provide support to include these students. By constructing a hands-on,

project-based, collaborative model program, ELOP staff will include ELLs in the program and use visual aids and physical gestures to supplement auditory information.

Our Expanded Learning Program will also serve homeless and foster youth. In addition to giving them priority enrollment, ELOP staff will ensure that these students are connected to support services provided during the instructional day. ELOP program leaders understand that this population of students comes with unique needs, so there is flexibility with attendance and participation. Collaboration with instructional day staff and outside support agencies is essential and ongoing for these students.

**7—Quality Staff**

Describe how the program will provide opportunities for students to engage with quality staff.

Vaughn NCLC ensures that all Expanded Learning Opportunity Program staff who directly supervise pupils meet the minimum requirements of an instructional aide by confirming the following:

- Must possess a High school diploma or the equivalent and Pass a local assessment of knowledge and skills test
- DOJ Live Scan Clearance and TB-tested

ELOP program staff must have experience working with children, be flexible, able to adapt to changing situations and be assertive in their work. They must be able to demonstrate the ability to handle large and small groups of students with an average ratio of 20 to 1 (10:1 for Transitional Kindergarten) EC Section 8483.4 and 46120 (d)(2)(D)

Program staff are also encouraged to attend online and in-person training opportunities throughout the year.

**Professional Development**

MANDATED TRAINING	<input type="checkbox"/> Bloodborne Pathogens <input type="checkbox"/> Child Abuse training <input type="checkbox"/> Suicide prevention <input type="checkbox"/> Sexual harassment <input type="checkbox"/> Mandated reporting	YEARLY

LACOE	<input type="checkbox"/> Leadership training <input type="checkbox"/> Front line staff <input type="checkbox"/> Advisory meetings	ONGOING
SITE BASED	<input type="checkbox"/> New Hire Orientation <input type="checkbox"/> CQI training <input type="checkbox"/> Positive Behavior Intervention Support <input type="checkbox"/> Active Supervision <input type="checkbox"/> Lesson Planning <input type="checkbox"/> Physical Education <input type="checkbox"/> CPR and First Aid	YEARLY

### 8—Clear Vision, Mission, and Purpose

*Describe the program's clear vision, mission, and purpose.*

Vaughn's Expanded Learning Opportunity Program will provide students with maximum learning opportunities so they can succeed academically, physically, and socially.

Program Vision: Our students will possess proficient literacy skills, English fluency, and technological competence. They will demonstrate knowledge and application of the arts, cultures, literature, history and social science, health, mathematics, communication, science, problem-solving, and work ethic. They will value friendship, responsibility, cultural diversity, quality of life, and respect for the democratic processes.

Expanded Learning Opportunity Program Goals:

- The program will provide a safe and nurturing environment that supports the developmental, social-emotional, and physical needs of all students.
- The program will promote student well-being through opportunities to learn and practice balanced nutrition, physical activity, and other healthy choices in an environment that supports a healthy lifestyle.
- The program will recruit and retain high-quality staff who will focus on creating a positive learning environment and provide ongoing professional development based on assessed staff needs.

<b><u>Goal</u></b>	<b><u>How the goal will be achieved:</u></b>
<ul style="list-style-type: none"> <li>● Safe and Supportive Environment</li> <li>● Social-emotional wellness</li> </ul>	<ul style="list-style-type: none"> <li>● Staff will implement the second step (SEL) curriculum.</li> <li>● Staff begins the program with an icebreaker that is focused on social-emotional learning.</li> <li>● Staff will implement SEL activities from <i>Every Monday Matters</i></li> <li>● Supervising team will collaborate with School Counseling Team to support students well being</li> </ul>
<ul style="list-style-type: none"> <li>● Promote healthy choices and balanced nutrition</li> <li>● Physical Activity</li> </ul>	<ul style="list-style-type: none"> <li>● Program will offer a cooking club for students in which they will be able to develop and gain new skills.</li> <li>● Staff will guide students through healthy nutrition activities using <i>My Plate</i>.</li> <li>● Staff will guide students as they develop new fine and gross motor skills such as dribbling, kicking, catching, throwing, and jumping.</li> </ul>
<ul style="list-style-type: none"> <li>● Recruit high-quality staff</li> <li>● Provide ongoing professional development</li> </ul>	<ul style="list-style-type: none"> <li>● The program supervising team will collaborate with Vaughn Human Resources to ensure high-quality candidates are selected.</li> <li>● Upon hire all staff will complete a mandatory training</li> <li>● All program staff will attend professional development opportunities offered by the Los Angeles County Office of Education.</li> <li>● The supervising team will host ongoing professional development throughout the school year. Some of the training topics will be hosted by different teams in Vaughn, including. <ul style="list-style-type: none"> <li>○ School Climate Team</li> <li>○ Physical Education Leaders</li> <li>○ Intervention Team</li> </ul> </li> </ul>

## **9—Collaborative Partnerships**

*Describe the program's collaborative partnerships. Local educational agencies are encouraged to collaborate with non-LEA entities to administer and implement ELO-P programs.*

Vaughn NCLC will build on strong partnerships with community organizations to promote enrichment activities and partnerships with cultural centers, and field trips to art exhibits. There is a strong emphasis on STEM learning in the expanded learning program, and this will be supported by science curricula and experiential field trips to the California Science Center, Discovery Cube, etc. Vaughn NCLC will also work with Think Together to identify students served in the afterschool program at Mainland and MIT and provide support to ensure successful programming and outcomes.

Community Providers are an essential part of ELOP implementation. The Expanded Learning team collaborates with partners to establish written agreements, hold planning meetings at the site level, and provide feedback on program goals, design, program impact, and areas of growth based on program evaluation. Community partners include but are not limited to

### **EduCare Foundation**

EduCare's Afterschool Programs actively engage students in life-changing opportunities for learning, leadership, and growth. The after-school activities are designed to assist students in developing their unique abilities, building positive relationships, and finding relevance in their educational experiences.

### **Baila Conmigo**

Baila Conmigo is a visual performing arts program that combines various types of dance (i.e., Jazz and Ballet) for Vaughn students during the summer. They service students in grades TK -3rd grade.

### **Zulu Dance Foundation**

Zulu Dance Foundation provides students with fun choreography, special dance games, and uplifting music to cultivate every child's confidence. Zulu strives to show every child the true meaning of hip-hop -- which is peace, love, unity, and having fun!

### **Tia Chuchas**

The mission of Tia Chucha's Centro Cultural is to transform communities by providing arts, literacy, creative engagement, and ancestral knowledge. Tia Chucha provides year-round mural painting, music, dance, writing, visual arts, healing arts sessions (such as reiki healing), and healing/talking circles.

### **B.E.A.R (Building Equity, Aspiration, Resilience)**

Provides students with social-emotional growth activities through art, music, and other creative practices. They help equip youth with critical coping skills that help them traverse the challenges of coming of age in our hyper-connected, fast-paced culture.

### **Providence**

The Providence Community Wellness Center at Vaughn provides adults and families with the tools, services, and resources to meet identified social, mental, and health needs. The Center provides services and programs focusing on physical, spiritual, emotional, and mental well-being for all in need.

## **10—Continuous Quality Improvement**

*Describe the program's Continuous Quality Improvement Plan*

The Expanded Learning Opportunity Program utilizes the CA Afterschool Program Quality Self-Assessment Tool to measure progress across the program for quality improvement. In addition to the assessment tool, parents, students, and school administration will complete a bi-annual program satisfaction survey to allow for necessary quality improvement that reflects the needs of families and the school community. These surveys will be administered annually in the fall and spring. Feedback gathered through this process will be used to make improvements to the program for the following academic year to ensure that the program structure is meeting the needs of the community. In designing the programs for success, ELOP staff will review iReady data to measure student growth in basic reading and math fluency skills. The ELOP team will meet with school leaders on a monthly basis to gain an understanding of both general needs and needs specific to the individual students.

## 11—Program Management

Describe the plan for program management.

The Expanded Learning Opportunity Program operations are overseen by Vaughn NCLC, under the direction of Mr. Fidel Ramirez, and directly overseen by the Specially Funded Program Manager and the After School Coordinator. Each campus has a part-time Site Coordinator and Assistant Coordinator. The After-School Site Coordinator and Assistant Coordinator oversee all school-based Youth Leaders. Site Coordinators oversee all school-based Youth Leaders.

- Specially Funded Program Manager:** responsible for program oversight, staff supervision, partnerships, and compliance.
- After-School Program Coordinator:** responsible for program development, supervising each Site Coordinator, and ensuring programs operate effectively.
- Expanded Learning Site Coordinators:** responsible for on-site program administration and oversight, including supervising Youth Leaders.
- Expanded Learning Youth Leaders:** Implement academic support and enrichment programming, maintaining a 20:1 student-to-staff ratio
- Director of Finance:** Reviews program budget and expenditures and makes sure there is the appropriate use of funds.

### **Existing After School Education and Safety (ASES) and 21<sup>st</sup> Community Learning Centers (21<sup>st</sup> CCLC) Elementary and Middle School grantees.**

*ASES, 21<sup>st</sup> CCLC Elementary/Middle School, and the ELO-P should be considered a single, comprehensive program. In coordinating all these funding streams to move towards a single program, the expectation is that the most stringent requirements will be adopted for program guidance. If one or both grants are held, please describe how the ELO-P funding will be used to create one comprehensive and universal Expanded Learning Program.*

*California Department of Education*

Vaughn's current ASES after-school program will be looking to combine their current program funding (ASES Grant and Supplemental Grant) with the Expanded Learning Opportunity funding to expand the after-school services to include a larger number of

students. The after-school program will also work closely with community-based organizations to provide continuous before and after-school services, including summer and spring break programming. ELOP funds will also be used to implement a before-school program at Pandaland and G3.

**Transitional Kindergarten and Kindergarten**

**Programs serving transitional kindergarten or kindergarten pupils shall maintain a pupil-to-staff member ratio of no more than 10 to 1. (EC Section 46120[b][2][D]).**

Please address the proposed schedule and plan for recruiting and preparing staff to work in the program, including supporting them in understanding how to work with younger children. How will the lower pupil-to-staff ratio be maintained? How will the curriculum and program be developmentally informed to address this younger age group?

The Vaughn Expanded Learning team collaborates with the preschool team at Pandaland to develop intentional programming for students. In the 2022-2023 academic year, Vaughn will add transitional kindergarten students to the after-school program. When those students are added, we will transition to a 10:1 student-to-staff ratio for our youngest learners as well as ensure appropriate programming that is specifically designed to serve the needs of our youngest scholars.

**Sample Program Schedule**

*Please submit a sample program schedule that describes how the ELO-P or other fund sources, including the California State Preschool Program for children enrolled in transitional kindergarten or kindergarten, will be combined with the instructional day to create a minimum of nine hours per day of programming (instructional day plus ELO-P or other supports). Also, submit a sample schedule for a minimum nine-hour summer or*

**Intersession day.**

School Year Sample Schedule:

<b>Pandaland Sample Schedule</b>	
8:00 AM	TK-1ST GRADE START TIME
11:15-12:05 PM	TK LUNCH

12:20-1:10 PM	KINDER-1ST GRADE LUNCH
2:10 PM	TK-KINDER DISMISSAL
2:20 PM	1ST GRADE DISMISSAL

## Expanded Learning Opportunities

### Program Plan Guide

Below are additional legal requirements for the ELO-P. Please ensure your Program Plan meets all of these legal requirements:

#### **EC Section 46120(b)(2):**

[LEAs] operating expanded learning opportunities programs may operate a before-school component of a program, an after-school component of a program, or both the before and after-school components of a program, on one or multiple school sites, and shall comply with subdivisions (c), (d), and (g) of Section 8482.3, including the development of a program plan based on the following;

(2) [LEAs] operating expanded learning opportunity programs pursuant to this section may operate a before-school component of a program, an after-school component of a program, or both the before and after-school components of a program, on one or multiple schoolsites, and shall comply with subdivisions (c), (d), and (g) of Section 8482.3, including the development of a program plan based on all of the following:

(A) The department's guidance.

(B) Section 8482.6.

(C) Paragraphs (1) to (9), inclusive, and paragraph (12) of subdivision (c) of Section 8483.3.

(D) Section 8483.4, except that programs serving transitional kindergarten or kindergarten pupils shall maintain a pupil-to-staff member ratio of no more than 10 to 1.

#### **EC Section 46120(b)(1)(A):**

On school days, as described in Section 46100 and Sections 46110 to 46119, inclusive, and days on which school is taught for the purpose of meeting the 175-instructional-day offering as described in Section 11960 of Title 5 of the California Code of Regulations, in-person before or after school

expanded learning opportunities that, when added to daily instructional minutes, are no less than nine hours of combined instructional time and expanded learning opportunities per instructional day.

**EC Section 46120(b)(1)(B):**

For at least 30 nonschool days, during intersession periods, no less than nine hours of in-person expanded learning opportunities per day.

**EC Section 46120(b)(3):**

[LEAs] shall prioritize services provided pursuant to this section at schoolsites in the lowest income communities, as determined by prior year percentages of pupils eligible for free and reduced-price meals while maximizing the number of schools and neighborhoods with expanded learning opportunities programs across their attendance area.

**EC Section 46120(b)(4):**

[LEAs] may serve all pupils, including elementary, middle, and secondary school pupils, in expanded learning opportunity programs provided pursuant to this section.

**EC Section 46120(b)(6):**

[LEAs] are encouraged to collaborate with community-based organizations and childcare providers, especially those participating in state or federally subsidized childcare programs, to maximize the number of expanded learning opportunities programs offered across their attendance areas.

**EC Section 46120(c):**

A [LEA] shall be subject to the audit conducted pursuant to Section 41020 to determine compliance with subdivision (b).

**EC Section 8482.3(d):**

[LEAs] shall agree that snacks made available through a program shall conform to the nutrition standards in Article 2.5 (commencing with Section 49430) of Chapter 9 of Part 27 of Division 4 of Title 2.

[LEAs] shall agree that meals made available through a program shall conform to the nutrition standards of the United States Department of Agriculture's at-risk afterschool meal component of the Child and Adult Care Food Program (42 United States Code [U.S.C.] Section 1766).

**EC Section 8482.6:**

Every pupil attending a school operating a program . . . is eligible to participate in the program, subject to program capacity. A program was established . . . may charge family fees. Programs that charge family fees shall waive the cost of these fees for pupils who are eligible for free or reduced-price meals, for a child that is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Section 11434a), or for a child who the program knows is in foster care.

A program that charges family fees shall schedule fees on a sliding scale considering family income and ability to pay.

**EC sections 8483.4 and 46120(b)(2)(D):**

The administrator of every program established pursuant to this article shall establish minimum qualifications for each staff position that, at a minimum, ensure that all staff members who directly supervise pupils meet the minimum qualifications for an instructional aide, pursuant to the policies of the school district. Selection of the program site supervisors shall be subject to the approval of the school site principal. The administrator shall also ensure the program maintains a pupil-to-staff member ratio of no more than 20 to 1. All program staff and volunteers shall be subject to the health screening and fingerprint clearance requirements in current law and district policy for school personnel and volunteers in the school district, except that programs serving transitional kindergarten or kindergarten pupils shall maintain a pupil-to-staff member ratio of no more than 10 to 1.

**EC Section 8482.3(c)(1)(A–B):**

Each component of a program established pursuant to this article shall consist of the following two elements:

(A) An educational and literacy element in which tutoring or homework assistance is provided in one or more of the following areas: language arts, mathematics, history, and social science, computer training, or science.

(B) An educational enrichment element that may include, but need not be limited to, fine arts, career technical education, recreation, physical fitness, and prevention activities.
