

TRACY
UNIFIED SCHOOL DISTRICT

Fiscal Year 2023/2024

To Whom It May Concern:

***"The future belongs
to the educated"***

Thank you for your interest in our schools. We often receive inquiries about our non-profit status. Please accept this letter as certification that the Tracy Unified School District qualifies as a not-for-profit organization. We are a state educational institution, which is considered a political subdivision of the State of California. Because of this, we are considered a non-profit state entity rather than a private 501(c)(3) non-profit organization. Donations and private grants made to our schools are tax deductible under these statutes.
