Dear Mr. Cook,

Historically crime coverage excluded positions where bonds were required. However, as coverages evolved underwriters removed that exclusion to allow fidelity/crime policies to serve that same function and remove the duplicity of having bonds and crime/fidelity policies in place.

Regards,
Candace

Thank you.
I'm looking for the bond on the superintendent or his designee, for the purposes required in the statute, "bond as pre-requisite to receipt". The state requires someone to be bonded, by law, to receive grants.

Am I allowed to submit a different FOIA request?

I hate to send another one because obviously the district is considering my FOIA requests as harassment based on what was reported to the island packet.

I'm not sure who told them that, because FOIA requests are required by district in order to send me information.

Thank you.
