

# Chalk Talk

September 21, 2019

Linden A. Moore, Ph.D.

Superintendent, Montrose Community Schools

---

It is with great pride that I offer the first “Chalk Talk” of the year from Montrose Community Schools for the 2019-2020 school year. The beginning of this school year has been as positive and productive as we have had in quite a few years. That is a testament to the phenomenal staff we have working to prepare the best possible school environment they can. Our students were greeted this year by clean lunchrooms, safe busses and engaging classrooms!

This Monday marks the start of the 4th week of the school year. I encourage all parents and students to start monitoring grades and attendance now. If you are parent, you should have a ParentVUE account. If you are a student, you should have a StudentVUE account. If you do not have one of these accounts, contact your child’s school to find out how to get one. One of the greatest indicators of success is knowing how you (or your child) is doing in every class.

I look forward to seeing all current, former and honorary Rams for Homecoming week which is scheduled for October 7-11. The high school student council has multiple activities for that week including dress-up days, a powder-puff game, pep assemblies, and a Homecoming parade which will lead up to our Homecoming football game on Friday, October 11 starting at 7 p.m.

All of us at Montrose Community Schools believe in providing a safe and collaborative environment that has high expectations for our students and staff. That is why we will continue to focus on engagement strategies for all students while striving for effective instruction in every classroom. We are thankful to have a community that is supportive and passionate about the success of our school and its students. I look forward to an excellent school year!

Go Rams!
