

The American Baccalaureate School MSHS 2023 – 2024 Student Supply List

Here at ABS, we understand that basic school supplies provide much needed structure to learning. Having appropriate school supplies decreases classroom disruptions that often hinder effective teaching and learning. Students without supplies can't fully participate in educational activities and they frequently distract others.

Please find The American Baccalaureate School Supply List for the 2023-2024 school year below. Students will be expected to purchase the items and present them on the first day of school, September 4, 2023, to their homeroom teacher. Some supplies may need to be replenished during the school year.

ALL 6-12 Students
