Dear Parents,

Welcome to a new school year! I am so thrilled to have your child in my class this year. My name is Dana Mizimakoski and I will be your child's resource room teacher. I am very excited for what this year will bring and all we will learn from one another!

I believe in hands-on experiences, learning creatively, and making learning fun! I enjoy spending time with my family and friends. This summer, I spent as much time outside as possible taking my sons to the park and swimming. We also did some home projects!

Please take the time to check out my classroom website which has tools and important information. I would like to get to know a little more about your child, and what I can do to help your child have a meaningful year. Please print and return the Parent-Input form at your convenience. Your response is very important to me and will help me better support your child.

Together we make a team and I am looking forward to a fantastic year working together. I know that it will be one filled with growth and discovery! Please do not hesitate to reach out to me if you have any questions. I am excited for a great year and look forward to supporting one another.

Sincerely,

Dana Mizimakoski
